Caliber RMD807DAB

Caliber RMD807DAB 2-DIN DAB+ Car Radio

User Manual

Model: RMD807DAB | Brand: Caliber

INTRODUCTION

The Caliber RMD807DAB is a versatile 2-DIN car radio designed to enhance your driving experience. It features a 7-inch touchscreen, DAB+ digital radio, Bluetooth connectivity for hands-free calls and audio streaming, a convenient Mirror Link function for smartphone integration, and a USB-C port for fast charging. This manual provides detailed instructions for installation, operation, maintenance, and troubleshooting to ensure optimal performance of your device.

WHAT'S IN THE BOX

Please check the contents of the package to ensure all items are present:

- 1 x Caliber RMD807DAB Car Radio Unit
- 1 x DAB+ Antenna
- 1 x Remote Control
- 1 x ISO Connector Cable

SETUP

Installation Guidelines

Safety First: Before beginning installation, disconnect the vehicle's negative battery terminal to prevent electrical shorts. Consult a professional if you are unsure about any steps.

The RMD807DAB is a 2-DIN unit. Ensure your vehicle's dashboard opening is compatible. Use the provided ISO connector cable for standard wiring. Connect the DAB+ antenna to the designated input on the rear of the unit and mount it in a location with good signal reception, typically on the windshield.

Initial Power-On

After installation, reconnect the battery. The unit should power on with the vehicle's ignition. Follow any on-screen prompts for initial setup, such as language selection or time setting.

OPERATING INSTRUCTIONS

User Interface Overview

The RMD807DAB features a responsive 7-inch touchscreen display for intuitive control. The main screen provides access to various functions such as Radio, DAB, Bluetooth, Mirror Link, USB, and SD card playback. Physical buttons on the left side of the unit provide quick access to essential controls like Menu, volume, and track navigation.

Figure 1: Front view of the Caliber RMD807DAB car radio, displaying the main menu with icons for Radio, DAB, Bluetooth, Car Machine, USB, and SD. The screen shows a digital clock and media playback information.

Radio Functions (DAB+/FM/AM)

Select the "Radio" or "DAB" icon from the main menu. Use the touchscreen to scan for stations, save presets, and switch between FM, AM, and DAB+ modes. DAB+ provides clear digital audio quality and additional station information.

Bluetooth Connectivity

Pair your smartphone via Bluetooth for hands-free calling and audio streaming. Navigate to the Bluetooth menu on the unit, enable Bluetooth on your phone, and select "RMD807DAB" from the list of available devices. Confirm the pairing code if prompted.

Your All-in-One Driving Companion

USB-C:
Charge at lightning speed

DAB+/FM/AM:
Endless radio options

Customizable LED Lights:
Match your car's vibe

Figure 2: The Caliber RMD807DAB unit viewed from an angle, with callouts indicating its key features: USB-C for charging, DAB+/FM/AM for radio options, customizable LED lights, and Bluetooth for wireless streaming and hands-free calls.

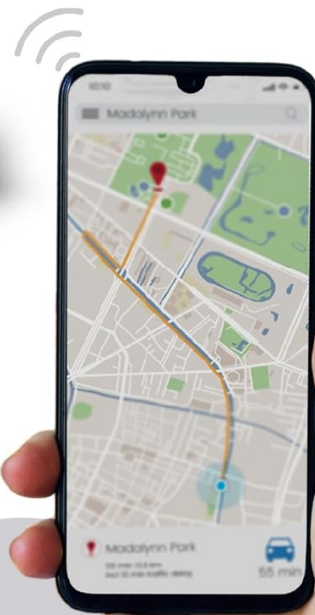

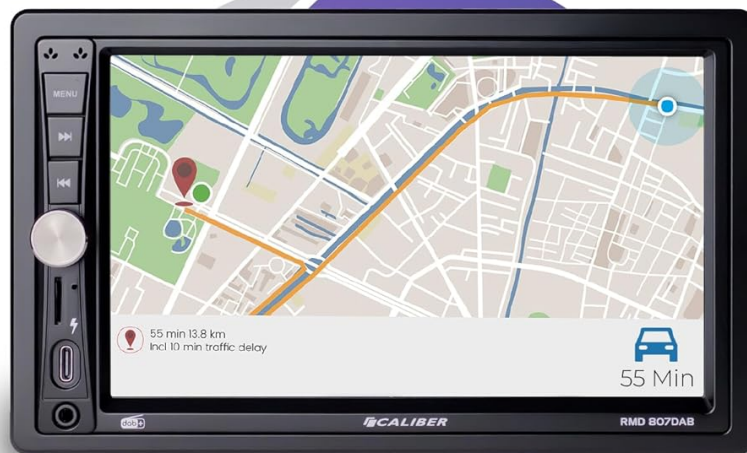

Mirror Link Function

The Mirror Link function allows you to display your smartphone's screen on the RMD807DAB's touchscreen. This is ideal for using navigation apps or accessing other smartphone content safely.

- **For Android Devices:** Connect your Android phone via USB. The unit may prompt you to install a companion app or enable USB debugging. Once connected, you can control your phone directly from the RMD807DAB's touchscreen.

Mirror Function:

Bring Your Android to Life

Navigation Made Simple

Seamless Streaming

Full Control

Larger View

Figure 3: The RMD807DAB screen mirroring an Android smartphone's navigation application, demonstrating seamless integration for navigation and a larger view.

- **For iPhone Devices:** Connect your iPhone via USB. The unit will mirror your iPhone's screen, providing a larger display for navigation or entertainment. *Note: This unit is not compatible with Apple CarPlay.*

Seamless Streaming

Larger View

Figure 4: The RMD807DAB screen mirroring an iPhone's display, showing a navigation map. A clear disclaimer states that the unit is not compatible with Apple CarPlay.

Multimedia Playback (USB, SD, AUX)

The RMD807DAB supports playback of various media formats including MP3, WMA, MPEG4, and DivX from USB drives or SD cards. Insert your media into the respective ports. The USB-C port also functions as a fast-charging port for your smartphone.

Entertainment at Your Fingertips

Video Playback:

Watch movies during breaks

Audio Formats Supported:

MP3, WMA, & more

Plug & Play:

USB, SD card, or
phone connection

Crystal-Clear Sound:

Unmatched quality for
every beat

Figure 5: The RMD807DAB display showing media playback, with visual cues for video playback, supported audio formats (MP3, WMA), and plug-and-play options via USB and SD card, emphasizing crystal-clear sound.

Rearview Camera Support

If a rearview camera is connected (sold separately), the RMD807DAB will automatically switch to the camera view when the vehicle is put into reverse gear, providing enhanced safety and easier parking.

Drive Safer, Park Smarter

Enhanced Safety:
Stay focused on the road

Rearview Camera Ready
Park with confidence

Hands-Free Calls:
Stay focused on the road.

Figure 6: The RMD807DAB screen showing a rearview camera feed, illustrating the enhanced safety feature. The image also depicts a person making a hands-free call, highlighting the unit's hands-free capabilities.

Customizable LED Lighting

Personalize the unit's button illumination by selecting from a range of LED colors to match your vehicle's interior or your personal preference. Access this setting through the system menu.

Remote Control Usage

The included remote control provides convenient access to basic functions such as power, volume, mode selection, and track navigation, allowing passengers to control the unit without distracting the driver.

MAINTENANCE

Cleaning the Unit

To clean the touchscreen and unit exterior, use a soft, dry, lint-free cloth. For stubborn smudges, slightly dampen the cloth with water or a screen-safe cleaner. Avoid abrasive materials or harsh chemicals.

Software Updates

Periodically check the Caliber official website for any available software updates for your RMD807DAB model. Updates can improve performance, add new features, or resolve known issues. Follow the instructions provided with the update package carefully.

TROUBLESHOOTING

Problem	Possible Cause	Solution
No Power	Incorrect wiring; Blown fuse; Vehicle battery issue.	Check power and ground connections. Inspect vehicle's fuse box and the unit's fuse. Ensure battery is charged.
No Sound	Volume too low; Mute activated; Speaker wiring issue; Incorrect audio source.	Increase volume. Check if mute is on. Verify speaker connections. Select correct audio input (Radio, Bluetooth, USB).
Bluetooth Not Connecting	Bluetooth not enabled on phone/unit; Device out of range; Interference; Already paired to another device.	Ensure Bluetooth is on for both devices. Move phone closer. Restart both devices. Delete previous pairings and re-pair.
Mirror Link Not Working	Incorrect USB cable; USB debugging not enabled (Android); Incompatible phone model; App not installed.	Use a high-quality USB data cable. Enable USB debugging in Android developer options. Check compatibility list if available. Install any required companion apps.
Poor Radio Reception	Antenna not connected; Poor antenna placement; Weak signal area.	Ensure DAB+ antenna is securely connected. Try repositioning the antenna. Note that signal strength varies by location.
