3. SETUP INSTRUCTIONS

Follow these steps to set up your BIGASUO Digital Calendar:

1. **Power On:** Connect the 12V/4A power adapter to the calendar and plug it into a power outlet. The device will automatically power on.
2. **Initial Configuration:** Follow the on-screen prompts to select your language, connect to your Wi-Fi network, and set the correct timezone.
3. **Download the App:** Download the "Whale Framely" app from the App Store (for iOS) or Google Play Store (for Android) on your smartphone or tablet.
4. **Account Creation and Binding:** Open the "Whale Framely" app, create an account, and follow the instructions to bind your digital calendar to the app. This typically involves scanning a QR code displayed on the calendar screen.
5. **Create Schedule:** Begin adding events, tasks, and lists directly on the digital calendar's touchscreen or through the "Whale Framely" app. All changes will sync between the device and the app.

6. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the screen and exterior. For stubborn smudges, lightly dampen the cloth with water. Avoid harsh chemicals or abrasive materials.
- **Software Updates:** The device receives regular over-the-air (OTA) software updates. Ensure your calendar is connected to Wi-Fi and click "Update" when prompted to access new features and improvements.
- **Placement:** Avoid placing the calendar in direct sunlight or near heat sources to prevent damage to the screen and internal components.

7. TROUBLESHOOTING

Issue	Possible Solution
Device does not power on.	Ensure the power adapter is securely connected to both the device and a working power outlet. Verify the power outlet is functional.
Cannot connect to Wi-Fi.	Check your Wi-Fi password. Ensure the calendar is within range of your Wi-Fi router. Restart the calendar and your router.
Calendar not syncing with app.	Verify the calendar is connected to Wi-Fi. Ensure the "Whale Framely" app is updated to the latest version. Re-bind the device to the app if necessary. For external calendars (Google, iCloud), check sync settings within the "Whale Framely" app and the external calendar service.
Incorrect timezone displayed.	Go to the device settings and manually select the correct timezone. Ensure automatic time synchronization is enabled if available.
Screen is unresponsive.	Restart the device by unplugging and re-plugging the power adapter. Ensure the screen is clean and free of debris.
