Comvtu P11

Comvtu Cordless Vacuum Cleaner P11 User Manual

INTRODUCTION

Thank you for choosing the Comvtu Cordless Vacuum Cleaner P11. This manual provides essential information for the safe and efficient operation, maintenance, and troubleshooting of your new vacuum cleaner. Please read it thoroughly before first use and keep it for future reference.

The Comvtu P11 is designed for powerful and versatile cleaning, featuring an 80,000 RPM motor, a multi-layer power filtration system, and a 2200 mAh rechargeable battery for up to 35 minutes of runtime. Its lightweight design, rotated multi-heads, and height-adjustable body make it suitable for various cleaning needs around your home and car.

WHAT'S INCLUDED

Your Comvtu P11 Cordless Vacuum Cleaner package includes the following components:

- LED Light Floor Brush
- Two-in-one Brush
- Telescopic Tube
- Multiple Filters (HEPA Filter, Filter Pads)
- Crevice Tool
- Wall Mount
- Dust Cup
- Charger (Adapter)
- Battery (1 Lithium Ion battery included)
- Motor (Main Unit)
- User Manual

SETUP & ASSEMBLY

Follow these steps to assemble your Comvtu P11 Cordless Vacuum Cleaner:

1. **Battery Installation:** Slide the 2200mAh Lithium Ion battery into the main unit until it clicks securely into place.
2. **Attaching the Telescopic Tube:** Connect the telescopic tube to the main unit. Ensure it clicks firmly. You can adjust the length of the tube by pressing the release button and extending or retracting it.
3. **Attaching the Floor Brush:** Connect the LED Light Floor Brush to the end of the telescopic tube.
4. **Attaching Accessories:** For handheld use or specific cleaning tasks, attach the two-in-one brush or

crevice tool directly to the main unit or the telescopic tube as needed.

5. **Wall Mount Installation:** Use the provided mounting hardware to secure the wall mount in a convenient location. This allows for easy storage and charging.

OPERATING INSTRUCTIONS

Operating your Comvtu P11 is straightforward:

1. **Power On/Off:** Press the power button on the handle to turn the vacuum on or off.
2. **Adjusting Suction Modes:** The vacuum features 2 adjustable modes. Press the mode selection button (often indicated by +/- or a similar symbol) to switch between standard and high suction power, adapting to different cleaning needs.

3. **Using the LED Light Floor Brush:** The main floor brush is equipped with LED lights to illuminate dust and debris in dark areas, ensuring thorough cleaning on carpets and hard floors. Its 180° side-to-side and 90° up-and-down rotation allows for easy maneuverability around furniture.
4. **Versatile Cleaning with Attachments:** Utilize the crevice tool for tight spaces like car interiors or between sofa cushions. The two-in-one brush is ideal for delicate surfaces, curtains, or upholstery.

MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your vacuum cleaner:

1. **Emptying the Dust Cup:** The dust cup is easily removable. Press the release button to open the bottom flap and empty collected debris directly into a trash bin.
2. **Cleaning Filters:** The filter, filter pads, and dust cup can be taken out and cleaned directly under running water. Ensure all components are completely air-dried before reassembling to maintain efficient dust removal and prevent damage.
3. **Brush Head Maintenance:** Periodically check the brush head for tangled hair or debris. Remove any

obstructions to ensure smooth operation.

MULTIPLE HIGH EFFICIENCY FILTRATION SYSTEM

BATTERY CHARGING

The Comvtu P11 is powered by a 2200mAh Lithium Ion battery, providing up to 35 minutes of runtime in standard mode. To charge the battery:

1. Remove the battery from the main unit.
2. Connect the charger adapter to the battery's charging port.
3. Plug the charger into a standard wall outlet.

4. The battery indicator lights on the main unit will show the charging status. Ensure the battery is fully charged before each use for optimal performance.

Product Dimensions	16.9"L x 10.6"W x 6.7"H
Battery Life	35 minutes
Item Weight	7 pounds
Number of Speeds	2

TROUBLESHOOTING

If you encounter any issues with your Comvtu P11 Cordless Vacuum Cleaner, please refer to the following common troubleshooting tips:

- **No Power:** Ensure the battery is fully charged and correctly inserted. Check if the power button is pressed firmly.
- **Reduced Suction:** Check the dust cup and empty it if full. Inspect all filters (HEPA, filter pads) for blockages and clean them as per maintenance instructions. Ensure all parts are properly assembled and sealed.
- **Brush Head Not Rotating:** Check the brush head for any tangled hair or large debris that might be obstructing its movement. Clean the brush roller if necessary.
- **Short Battery Life:** Ensure the battery is fully charged. Battery life can vary depending on the selected suction mode (high mode consumes more power).

For persistent issues not covered here, please contact customer support.

WARRANTY AND SUPPORT

Your Comvtu P11 Cordless Vacuum Cleaner comes with a **1-year insurance guarantee**. If you have any questions, concerns, or require assistance with your product, please do not hesitate to contact our customer support team. We are dedicated to providing helpful and timely support.

Please refer to the contact information provided in your product packaging or on the official Comvtu website for support details.
