2. SAFETY GUIDELINES

Before and during use, ensure all components are securely fastened. Regular checks are essential to maintain a safe play environment.

- **Assembly Safety:** When assembling, tighten all plastic screws firmly.
- **Pre-Use Check:** Always check for loosened screws or connections before each use to ensure the playset is stable and safe for children.
- **Supervision:** Adult supervision is required at all times when children are using the playset.
- **Weight Limit:** Do not exceed the maximum weight capacity of 154 lbs (70 kg).
- **Placement:** Place the playset on a flat, level surface. Ensure adequate clear space around the playset, especially around the slide and swing areas, to prevent collisions.
- **Material Safety:** The playset is made from high-density polyethylene material, which is non-toxic.
- **Slide Design:** The slide features a gentle slope, sturdy construction, and smooth edges for safe play. It includes a waiting area, acceleration zone, deceleration zone, buffering zone, and a heightened guardrail (4.7 inches) for enhanced safety.
- **Staircase Design:** The staircase features fully enclosed steps, anti-slip pedals, and easy-grip handrails to prevent falls.

3. PACKAGE CONTENTS

Verify that all parts are present before beginning assembly. The XJD 13-in-1 Toddler Slide and Swing Set includes the following components:

- Slide components

- Swing set components
- Golf clubs and balls
- Drawing board
- Platform sections
- Steering wheel
- Crawl-through tunnel sections
- Corridor sections
- Basketball hoop
- Elk antlers (decorative)
- Binoculars (toy)
- Storage space components
- All necessary plastic screws, nuts, and assembly tools
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly of the XJD 13-in-1 Toddler Slide and Swing Set requires adult supervision. Follow these steps carefully to ensure proper and safe construction.

1. **Unpack Components:** Lay out all parts on a clean, flat surface and compare them with the package contents list to ensure nothing is missing.
2. **Assemble Base Structure:** Begin by connecting the main platform sections. Ensure all connections are secure and tight.
3. **Install Slide:** Attach the slide components to the main structure. Pay close attention to the connection points to ensure the slide is stable and firmly attached.
4. **Attach Swing Set:** Assemble the swing frame and attach the swing seat. Verify that the swing hangs freely and securely.
5. **Integrate Additional Features:** Install the basketball hoop, drawing board, steering wheel, crawl-through tunnel, and other interactive elements as per the detailed diagrams in the included paper manual.
6. **Final Tightening:** Once all components are in place, re-check and tighten all plastic screws and fasteners. Ensure there are no loose parts or sharp edges.

5. OPERATING THE PLAYSET

The XJD 13-in-1 Toddler Slide and Swing Set offers a variety of activities. Ensure children use each feature appropriately and under supervision.

- **Slide:** Children should slide down feet first, one at a time. Ensure the landing area is clear.
- **Swing:** The swing is designed for one child at a time. Ensure the child is securely seated and the swing area is clear.
- **Basketball Hoop:** Use the provided soft ball or other lightweight balls for playing basketball.
- **Golf Set:** Use the included golf club and balls for a safe indoor/outdoor golf experience.
- **Drawing Board:** Utilize the integrated drawing board for creative activities. Use appropriate markers or chalk (not included).
- **Crawl-through Tunnel & Corridor:** These areas are for crawling and imaginative play.
- **Steering Wheel & Binoculars:** Encourage imaginative play, such as driving or exploring.

GOLF CLUB INCLUDED

6. MAINTENANCE

Regular maintenance ensures the longevity and safety of your XJD playset.

- **Cleaning:** Wipe down all surfaces with a damp cloth and mild soap as needed. Avoid abrasive cleaners that could damage the plastic.

- **Fastener Checks:** Periodically inspect all screws, nuts, and connections. Tighten any that have become loose.
- **Structural Integrity:** Check for any cracks, breaks, or damage to the plastic components. Discontinue use if significant damage is found and contact customer support for replacement parts if necessary.
- **Storage:** If used outdoors, consider covering the playset during harsh weather conditions to prolong its life. For long-term storage, disassemble and store in a dry, protected area.

7. TROUBLESHOOTING

If you encounter any issues with your playset, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Playset feels unstable or wobbly.	Loose fasteners or uneven surface.	Check and tighten all screws and connections. Ensure the playset is on a flat, level surface.
Parts do not fit together during assembly.	Incorrect orientation or missing component.	Refer to the assembly instructions and video. Ensure parts are oriented correctly. Verify all components are present.
Swing does not move freely.	Obstruction or incorrect installation.	Check for any objects obstructing the swing's path. Re-check swing assembly to ensure it is installed correctly.
Missing parts upon unboxing.	Packaging error.	Contact XJD customer support with your purchase details.
