OPERATING INSTRUCTIONS

Once assembled, the XIU AM24 Formula 1 Racing Car model is primarily intended for display. The wheels are designed to rotate, and the steering mechanism is functional. Handle the model with care to preserve its intricate details and structural integrity.

MAINTENANCE

- To clean the model, gently wipe with a dry, soft cloth.
- Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the plastic components and decals.
- Store the model in a dust-free environment, away from direct sunlight or extreme temperatures, to prevent discoloration or warping.

TROUBLESHOOTING

- Missing Pieces:** While our manufacturing process aims for a high completeness rate, if you encounter any missing parts, please contact customer service. Refer to the 'Support' section for contact details.
- Difficult Connections:** Some pieces may have a tight fit. Apply gentle, consistent pressure. Avoid excessive force to prevent damage to the pieces.
- Unclear Instructions:** If a step in the manual is unclear, review the preceding and following steps. The visual aids are designed to be comprehensive. If confusion persists, contact support.
