T4TREAM 48-inch Fluted Makeup Vanity Desk

T4TREAM 48-inch Fluted Makeup Vanity Desk with LED Lighted Mirror

USER MANUAL

Introduction

This manual provides essential information for the assembly, operation, maintenance, and care of your T4TREAM 48-inch Fluted Makeup Vanity Desk. Please read these instructions carefully before assembly and use to ensure safe and proper functioning of the product. Keep this manual for future reference.

Product Features

- **Elegant Fluted Design:** The vanity desk features a meticulously crafted fluted panel design with wave-like textures, adding depth and a unique artistic flair. This modern and timeless design complements various home decor styles.
- **Large LED Lighted Mirror:** Equipped with a 48-inch mirror for clear and accurate reflection. The high-quality surrounding LED lighting offers three adjustable color temperature settings: warm light, cool light, and natural light. Brightness can be adjusted by long-pressing the control button.
- **Ample Storage Space:** Designed with practical storage, including 2 spacious large drawers with dividers for cosmetics and jewelry, and 6 smaller drawers for makeup tools, cotton pads, and other small items. This design helps maintain an organized vanity area.
- **Visible Tabletop & Charging Station:** A transparent glass tabletop showcases the contents of the drawers below, offering a modern aesthetic and easy access to items. A built-in charging station with multiple ports is located on the side, allowing convenient charging of devices like phones and tablets.

Setup and Assembly

Assembly of the T4TREAM 48-inch Fluted Makeup Vanity Desk is required. All necessary hardware and a detailed installation manual are included with your purchase. Please follow the step-by-step instructions provided in the separate installation manual carefully. Ensure all components are securely fastened before use. Assembly may require safety precautions; caution should be taken with electrical components and the charging station.

Operating Instructions

LED Lighted Mirror

1. **Power On/Off:** Lightly touch the control button on the mirror to turn the LED lights on or off.
2. **Adjust Color Temperature:** Short-press the control button to cycle through the three color temperature settings: warm light, cool light, and natural light.
3. **Adjust Brightness:** Long-press the control button to increase or decrease the brightness of the LED lights. Release the button when the desired brightness is achieved.

Charging Station

The built-in charging station is designed for convenient power access. Simply plug your devices (e.g., phone, tablet) into the available ports on the side of the vanity desk to charge them while you get ready. Ensure the vanity desk is properly connected to a power source for the charging station to function.

Maintenance and Care

- **Cleaning the Surface:** Wipe the engineered wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Glass Tabletop:** Clean the glass tabletop with a glass cleaner and a lint-free cloth to maintain clarity.
- **Mirror Care:** Use a soft cloth and a non-abrasive glass cleaner specifically designed for mirrors. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Electrical Components:** Ensure the charging station and LED mirror components remain dry. Disconnect from power before cleaning.

- **Spills:** Promptly wipe up any spills to prevent damage to the wood finish.

Troubleshooting

- **LED Mirror Not Lighting Up:** Check if the power cord is securely plugged into a working outlet. Ensure the vanity desk is receiving power.
- **Charging Station Not Working:** Verify the vanity desk is connected to a power source. Test with a different device or cable to rule out device-specific issues.
- **Drawers Sticking:** Ensure drawers are properly aligned on their glides. Check for any obstructions within the drawer tracks.
