GoAssemb Starship Rocket Building Blocks Set User Manual

Model: K44582HXFQRGMJ10GJE

INTRODUCTION

Thank you for choosing the GoAssemb Starship Rocket Building Blocks Set. This engineering assembly kit allows you to construct a detailed model of a Starship rocket with its superheavy launch system. Designed for adults and collectors, this set provides a rewarding building experience and results in an impressive display piece.

This manual provides essential information for assembly, care, and maintenance of your model. Please read it carefully before beginning assembly.

SETUP AND ASSEMBLY

1. Unboxing and Parts Check

Carefully unpack all components from the box. The set contains 1763 precisely crafted pieces. It is recommended to sort the pieces by type or color to facilitate the assembly process. Verify that all parts are present by comparing them with the parts list provided in the separate instruction booklet.

2. Assembly Instructions

Follow the step-by-step instructions provided in the dedicated assembly booklet. Each step is illustrated to guide you through the construction of the Starship rocket and its launch tower. Pay close attention to the orientation and connection points of each block.

- Begin by constructing the base of the launch platform.
- Proceed with the main structure of the launch tower.
- Assemble the Starship rocket in sections, ensuring secure connections.
- Integrate the rocket with the launch tower structure as instructed.

Assembly Tip:

Take your time during assembly. If a piece does not fit easily, double-check the instructions to ensure correct placement. For a visual guide, refer to the assembly process video below.

Video: This video demonstrates the assembly process of the GoAssemb Starship Rocket Building Blocks Set, showing key steps in constructing the model from individual pieces.

DISPLAY AND INTERACTION

Once assembled, the GoAssemb Starship Rocket model is designed for display. The sturdy structure includes

a launch stand for stable placement.

- **Placement:** Choose a flat, stable surface for display to prevent accidental falls.
- **Interaction:** While the model is robust, avoid excessive force or rough handling to maintain its structural integrity.
- **Modular Design:** The rocket can be separated from the launch tower for different display configurations.

MAINTENANCE

1. Cleaning

To maintain the appearance of your model, dust regularly with a soft, dry cloth or a soft-bristled brush. For more stubborn dirt, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.

2. Storage

If disassembling for storage, keep all pieces organized in a container to prevent loss. Store the model or its components in a cool, dry place away from direct sunlight to prevent material degradation or color fading.

TROUBLESHOOTING

1. Missing Pieces

If you discover any missing pieces during assembly, please refer to the contact information in the 'Support' section of this manual. Provide details of the missing part(s) and your purchase information for assistance.

2. Assembly Difficulties

If you encounter difficulties with a specific assembly step:

- Review the corresponding step in the instruction booklet carefully.
- Ensure all previous steps were completed correctly.
- Check that you are using the correct pieces for the current step.

SPECIFICATIONS

Feature	Detail
Product Dimensions	13.94 x 12.13 x 29.69 inches

Item Weight	5.29 pounds
Material	ABS Plastic
Number of Pieces	1763
Recommended Age	16 years and up
Model Number	K44582HXFQRGMJ10GJE
Manufacturer	GoAssemb

WARRANTY INFORMATION

For information regarding product warranty, please refer to the documentation included with your purchase or contact the seller directly. Warranty terms typically cover manufacturing defects.

CUSTOMER SUPPORT

If you have any questions, require assistance with assembly, or need to report missing/damaged parts, please contact GoAssemb customer support through the retailer where the product was purchased. Please have your model number (K44582HXFQRGMJ10GJE) and purchase date ready.
