VINGLI Rolling Ergonomic Office Desk Chair User Manual

Model: 6501ee08-d5de-42c2-b59d-888963deb9bc

1. INTRODUCTION

Thank you for choosing the VINGLI Rolling Ergonomic Office Desk Chair. This manual provides essential information for the safe assembly, operation, and maintenance of your new chair. Designed for comfort and versatility, this chair features a high back, padded flip-up arms, 360° swivel, and adjustable height, making it suitable for various environments including home offices, game rooms, and study areas.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Ensure all components are securely fastened before use.
- Do not stand on the chair.
- Do not use the chair on uneven surfaces.
- Keep children away from moving parts during assembly and adjustment.
- Maximum weight capacity: 330 lbs (150 kg). Do not exceed this limit.
- Use caution when adjusting the chair's height and recline to avoid pinching.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and tools are present. If any items are missing or damaged, please contact customer support immediately.

- Chair Backrest
- Seat Cushion
- Armrests (2)
- Gas Lift Cylinder
- Star Base
- Casters (5)
- Mechanism Plate
- Hardware Pack (screws, washers, Allen wrench)

Image 3.1: Key components and accessories, highlighting the sturdy metal base, explosion-proof gas lift, and flexible silent wheels.

4. ASSEMBLY INSTRUCTIONS

Assembly typically takes about 20 minutes. Follow these steps carefully:

1. **Attach Casters to Base:** Insert the five casters into the holes at the end of each leg of the star base until they click securely into place.

2. **Insert Gas Lift:** Place the gas lift cylinder into the center hole of the star base.
3. **Attach Mechanism Plate:** Secure the mechanism plate to the underside of the seat cushion using the provided screws. Ensure the front of the mechanism faces the front of the seat.
4. **Attach Armrests:** Fasten the armrests to the sides of the seat cushion and the backrest using the designated screws. Do not overtighten initially.
5. **Connect Backrest to Seat:** Align the backrest with the seat cushion and secure it with the remaining screws. Tighten all screws firmly once the chair is fully assembled.
6. **Place Seat Assembly on Gas Lift:** Carefully place the assembled seat onto the gas lift cylinder, ensuring it is centered and stable.

Once assembled, test all functions to ensure proper operation.

5. OPERATING YOUR CHAIR

Your VINGLI office chair offers several adjustable features for personalized comfort:

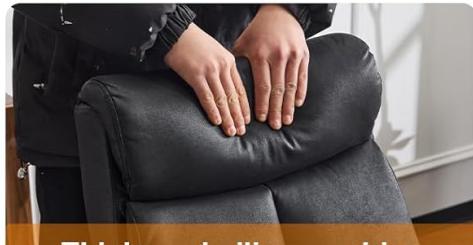

- **Adjustable Height:** To raise the seat, lift the lever on the right side of the chair while taking your weight off the seat. To lower the seat, lift the lever while seated. The height adjusts from 17.5 inches to 21.3 inches (seat cushion to floor).
- **Flip-up Armrests:** The armrests can be flipped up 90° to allow the chair to be stored under a desk, saving space. Simply lift or lower them as needed.
- **360° Swivel:** The chair features a full 360-degree swivel, allowing for easy movement and access to different areas of your workspace without needing to reposition the entire chair.
- **Rocking Function:** The chair has a rocking function with an angle range of 105°-120°. Pull out the lever on the right side to activate the rocking motion. Push the lever in to lock the chair in an upright position.

Multiple Functions

Rocking function **105°-120°**

360° swivel wheels

Thickened pillow cushion

Flip-up armrest

Adjustable height 3.7 inches

6. CARE AND MAINTENANCE

Proper care will extend the life and appearance of your chair:

- **Cleaning:** For leather or microfiber surfaces, wipe with a soft, damp cloth. For tougher stains, use a mild soap solution and wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Casters:** Periodically check casters for hair or debris that may hinder smooth rolling. Clean as needed.
- **Hardware:** Occasionally check all screws and bolts to ensure they remain tight. Retighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or damage to the upholstery.

7. TROUBLESHOOTING

If you encounter any issues with your chair, refer to the following common problems and solutions:

- **Chair is wobbly:** Ensure all screws are tightened securely. Check that the gas lift is properly seated in the base.
- **Chair does not adjust height:** Verify that the gas lift lever is functioning correctly and that the gas lift cylinder is not damaged. Ensure no obstructions are preventing movement.
- **Casters do not roll smoothly:** Check casters for trapped debris (hair, lint) and clean them. Ensure they are fully inserted into the base.
- **Missing parts during assembly:** Double-check the package contents against the list in Section 3. If parts are genuinely missing, contact customer support for replacements.
- **Chair is uncomfortable:** Adjust the height and rocking function to find your preferred ergonomic position. Consider adding an additional seat cushion if needed for prolonged use.

8. SPECIFICATIONS

Feature	Detail
Brand	VINGLI
Model Number	6501ee08-d5de-42c2-b59d-888963deb9bc
Product Dimensions	28"D x 26"W x 40"H
