Connecting to Your Device

1. Step 1: Connect Earbuds to Phone via Bluetooth.

Open the charging case and remove the earbuds. They will automatically enter pairing mode. On your smartphone, go to Bluetooth settings and select "ERAZER XT66PRO" from the list of available devices. Ensure Bluetooth is enabled on your phone.

2. Step 2: Connect Earbuds to the Earjoy APP.

Download the official Earjoy APP from your phone's app store (scan the QR code provided in the box or search directly). Once installed, open the Earjoy APP and follow the in-app instructions to connect your earbuds. This step is crucial for accessing AI translation features.

MAINTENANCE

Battery Life

The ERAZER XT66PRO earbuds offer extended battery performance:

- Up to 8 hours of continuous listening time on a single charge.
- Up to 48 hours of total usage time with the included charging case.

Regular charging ensures optimal performance. Store the earbuds in their charging case when not in use to preserve

battery life.

Water Resistance

The earbuds are designed with IPX5 water resistance, making them suitable for workouts and light rain. Avoid submerging them in water.

Perfect Fit for Comfort

Ergonomic design and custom ear tips ensure a perfect, comfortable fit for all-day wear.

TROUBLESHOOTING

Connection Issues

If you experience difficulty connecting your earbuds:

- Ensure the earbuds are charged.
- Verify Bluetooth is enabled on your phone.
- Make sure the earbuds are properly paired with your phone's Bluetooth first, then connect them within the Earjoy APP.
- Try restarting your phone and the earbuds.
- If issues persist, try unpairing and re-pairing the earbuds from your phone's Bluetooth settings.

Translation Accuracy

For optimal translation accuracy:

- Speak clearly and at a moderate pace.
- Minimize background noise.
- Ensure your internet connection is stable, as real-time translation relies on cloud processing.
- Confirm the correct source and target languages are selected in the Earjoy APP.
