COMHOMA HS301

COMHOMA Convertible Sectional Sofa Couch Model HS301 User Manual

Model: HS301 | Brand: COMHOMA

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your COMHOMA Convertible Sectional Sofa Couch, Model HS301. Please read this manual thoroughly before assembly and use to ensure proper setup and to maximize the lifespan of your product. Keep this manual for future reference.

IMPORTANT SAFETY INFORMATION

- Keep away from open flames or high heat sources to prevent fire hazards.
- Supervise children and pets to avoid entrapment risks within the modular components or storage areas.
- Use only basic tools for assembly and disassembly. Ensure all small parts are kept out of reach of children to prevent choking hazards.
- Do not exceed the recommended weight capacity. The sofa is designed for a seating capacity of 5 individuals.
- Ensure all connections are secure after assembly and periodically check for tightness.

SETUP AND ASSEMBLY

The COMHOMA Convertible Sectional Sofa is designed for straightforward assembly. No complicated tools are required, and each modular seat connects effortlessly. Follow these steps for quick setup and easy relocation.

Unpacking

1. Carefully remove all components from the packaging.
2. Verify that all parts listed in the packing list (not provided in this manual, refer to your product packaging) are present.
3. Place all components on a clean, soft surface to prevent scratches during assembly.

Assembly Steps

1. Attach the legs to the bottom of each modular unit. Ensure they are securely tightened.
2. Position the modular units in your desired configuration (L-shape, U-shape, or individual seating).
3. Connect the modular units using the integrated connectors located on the sides of each base. Push the units together until they click into place.
4. Place the seat cushions onto the base units.
5. Place the back cushions onto the sofa.

OPERATION AND FEATURES

Your COMHOMA sectional sofa offers versatile functionality and comfort. Understand its features to optimize your experience.

Modular Design and Configuration

The sofa's modular design allows for flexible arrangement. You can easily transform it into an L-shaped sofa, a U-shaped configuration, or separate seating units. To reconfigure, simply lift and separate the connected units, then rearrange and reconnect them as desired.

Comfort and Support

The sofa is designed with high-resilience foam and ergonomically crafted cushions to provide excellent body support and

lasting comfort. The breathable fabric ensures optimal airflow for a comfortable seating experience.

A CLOUD-LIKE EXPERIENCE QUALITY IN ELEGANCE

High density foam, provides support to your body. Breathable fabric, ensures optimal airflow.

CARE AND MAINTENANCE

Proper care will help maintain the appearance and longevity of your COMHOMA sofa.

- **Cleaning:** The upholstery fabric requires **Dry Clean Only**. Do not use water-based cleaners or harsh chemicals, as this may damage the fabric. For minor spills, blot immediately with a clean, dry cloth.
- **General Care:** Regularly vacuum the sofa using an upholstery attachment to remove dust and debris.
- **Cushion Care:** Rotate and fluff cushions periodically to ensure even wear and maintain their shape and resilience.
- **Frame Inspection:** Periodically check all connections and legs to ensure they remain tight and secure. Retighten if necessary.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading of the fabric.

TROUBLESHOOTING

If you encounter any issues with your sofa, refer to the following common solutions:

Problem	Possible Cause	Solution
Sofa feels unstable or wobbly.	Legs are loose or modular connectors are not fully engaged.	Ensure all legs are securely tightened. Check that all modular units are properly connected and clicked into place.
Seat cushions appear flattened or misshapen.	Uneven wear or lack of fluffing.	Regularly rotate and fluff seat cushions to redistribute filling and maintain shape.
Storage compartment lid does not close properly.	Obstruction in the compartment or misaligned lid.	Remove any items that may be blocking the lid. Gently adjust the lid to ensure proper alignment with the base.
Fabric appears discolored or faded.	Prolonged exposure to direct sunlight.	Relocate the sofa away from direct sunlight or use curtains/blinds to protect it.
