## iWIMIUS S29

# iWIMIUS S29 Smart Projector User Manual

Model: S29

Brand: iWIMIUS

## 1. INTRODUCTION

Thank you for choosing the iWIMIUS S29 Smart Projector. This device is designed to provide a superior home entertainment experience with its official Netflix licensing, stunning 4K support, and advanced features like auto-focus and auto-keystone correction. Equipped with WiFi 6 and two-way Bluetooth, the S29 offers seamless connectivity and immersive audio. This manual will guide you through the setup, operation, maintenance, and troubleshooting of your new projector, ensuring you get the most out of its capabilities.

The iWIMIUS S29 Smart Projector, a compact and versatile device, capable of projecting high-quality content from various streaming services.

## 2. WHAT'S IN THE BOX

Please check the contents of your package to ensure all items are present:

- S29 Smart Projector with WiFi and Bluetooth
- Remote (2\*AAA Batteries Required, NOT Included)
- Power Cord
- HDMI Cable
- Quick Operation Guide

## 3. PRODUCT OVERVIEW

Familiarize yourself with the main components and controls of your iWIMIUS S29 projector.

### 3.1. Front and Rear Panels

The front panel features the projection lens and sensors for auto-focus. The rear panel houses the power input, HDMI ports, and USB port.

### 3.2. 360° Adjustable Stand

The integrated 360° adjustable metal stand provides stability and allows for flexible projection angles, including ceiling projection.

The unique 360° adjustable stand allows for flexible projection onto walls, ceilings, or any surface, providing unlimited viewing possibilities in any room.

## 4. SETUP

### 4.1. Initial Power-Up

1. Connect the power cord to the projector's power input and then to a power outlet.

2. Press the power button on the projector or remote control to turn on the device.

## 4.2. Placement and Projection Adjustment

Position the projector on a stable surface. The 360° adjustable stand allows for versatile placement. For optimal viewing, ensure the projection surface is flat and clear.

- **Auto Focus:** The projector features an enhanced auto-focus system. The image will automatically adjust for clarity upon startup or movement. You can also fine-tune focus using the remote control.
- **Auto Keystone Correction:** The smart 4D/4P keystone correction automatically adjusts the image to a perfect rectangle, even if the projector is placed at an angle. This applies to both vertical and horizontal adjustments.

Achieve a perfectly clear and rectangular image effortlessly with AI auto-calibration, featuring electric auto-focus and smart 4D/4P keystone correction.

## 5. OPERATING INSTRUCTIONS

## 5.1. Smart System and Streaming

The iWIMIUS S29 comes with an official Netflix system, providing direct access to a wide range of streaming content.

- **Pre-installed Apps:** Enjoy one-click access to Netflix, YouTube, and Prime Video directly from the remote control menu.
- **App Store:** Browse and install other verified applications through the integrated APP STORE.
- **OTA Updates:** The projector supports Over-The-Air (OTA) updates to keep your features current and enhance app security and stability.

**Officially Certified by Netflix**

NETFLIX STREAMING MEMBERSHIP REQUIRED

The projector features official certification for popular streaming platforms like Netflix, ensuring stable and high-quality access to a vast library of content.

## 5.2. Connectivity

- **WiFi 6:** Connect to your home network using WiFi 6 for faster and more stable streaming, especially when paired with a compatible router.
- **Two-Way Bluetooth 5.2:** Pair the projector with external Bluetooth speakers for enhanced audio, or connect your mobile device to the projector to use its speakers.
- **Screen Mirroring:** Supports Miracast, DLNA, and AirPlay for seamless screen mirroring from Apple and

Android devices.

Enjoy seamless streaming and gaming with lightning-fast WiFi 6 connectivity and versatile two-way Bluetooth 5.2, allowing connection to external speakers or mobile devices.

### 5.3. External Device Connection

- **HDMI ARC:** Connect gaming consoles, Blu-ray players, TV sticks, or other HDMI-enabled devices. HDMI ARC allows for audio return to compatible sound systems.
- **USB:** Play media files directly from a USB drive.

### 5.4. Audio Settings

The S29 features TDS-HD technology and dual 10W speakers with an SRS sound system for theater-quality audio.

- **Dolby Audio:** Enjoy rich, clear sound with Dolby Audio support.
- **External Speakers:** For an enhanced audio experience, connect external speakers via Bluetooth or HDMI ARC.

# Immersive Dolby Surround Experience

Dual Speakers

Equipped with Dolby Audio and dual 10W speakers, the projector delivers an immersive sound experience with rich bass and clear audio, enhancing your viewing pleasure.

## 6. MAINTENANCE

### 6.1. Cleaning

- **Lens:** Use a soft, lint-free cloth specifically designed for optical lenses. Do not use abrasive cleaners.
- **Exterior:** Wipe the projector's exterior with a soft, dry cloth. Avoid using liquid cleaners directly on the device.
- **Sealed Optical Engine:** The S29 features a sealed optical engine for superior dust resistance, minimizing the need for internal cleaning.

### 6.2. Storage

When not in use, store the projector in a cool, dry place away from direct sunlight and extreme temperatures. Use the original packaging or a protective case to prevent dust accumulation and damage.

## 7. TROUBLESHOOTING

If you encounter issues with your iWIMIUS S29 projector, please refer to the common problems and solutions below:

Problem	Possible Cause	Solution
No image or black screen	Power issue, input source not selected, or pirated system (not applicable for official Netflix system)	Ensure power cord is securely connected. Verify correct HDMI/USB input is selected. Restart the projector.
Blurry image	Focus issue, incorrect projection distance	Allow auto-focus to calibrate. Use the remote to manually adjust focus if needed. Ensure projector is within optimal projection distance.
Image not rectangular (trapezoid)	Incorrect keystone correction	Allow auto-keystone correction to calibrate. Adjust projector position if necessary.
No sound or low volume	Volume too low, incorrect audio output, or external speaker issue	Increase projector volume. Check audio settings to ensure correct output (internal speakers or Bluetooth). Verify external speaker connection and volume.
WiFi/Bluetooth connectivity issues	Interference, incorrect password, or device compatibility	Ensure projector is within range of router/Bluetooth device. Re-enter WiFi password. Restart projector and router/Bluetooth device.

For more detailed troubleshooting or persistent issues, please consult the official support channels mentioned in the Warranty and Support section.
