## HONOR X7e

# HONOR Choice Earbuds X7e User Manual

Model: X7e

## 1. PRODUCT OVERVIEW

---

The HONOR Choice Earbuds X7e are wireless earphones designed for audio playback and communication. They feature semi-open active noise cancellation, a long battery life, and an ergonomic design for comfortable use.

Image: HONOR Choice Earbuds X7e in their charging case. The earbuds are white, and the case is also white with a smooth, rounded design.

## 2. WHAT'S IN THE BOX

---

The product package typically includes the following items:

- HONOR Choice Earbuds X7e (Left and Right Earbuds)
- Wireless Charging Case
- User Manual (this document)

*Note:* A USB charging cable is typically included but was not explicitly listed in the provided components. Please check your package contents.

## 3. SETUP

---

### 3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

1. Place the earbuds into the charging case.
2. Connect the charging case to a power source using a compatible USB cable.
3. The indicator light on the charging case will show the charging status.
4. A full charge provides up to 8 hours of playback for the earbuds, with the charging case extending total battery life to 40 hours.
5. A quick 10-minute charge provides approximately 2 hours of playtime.

### 3.2 Pairing with a Device

The earbuds use Bluetooth 5.3 for stable connectivity.

1. **First-time Pairing:** Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices and select "HONOR Choice Earbuds X7e" from the list.
4. Once connected, a confirmation sound or notification will indicate successful pairing.
5. **Automatic Reconnection:** After initial pairing, the earbuds will automatically connect to the last paired device when removed from the case and within range.
6. **HONOR Share:** For HONOR devices, automatic connection is facilitated via HONOR Share.

### 3.3 App Installation (Optional)

For additional features like "Find My Earbuds," consider installing the official HONOR AI Life app (or equivalent).

- Download the HONOR AI Life app from your device's app store.
- Follow the in-app instructions to connect your Earbuds X7e.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Touch Controls

The earbuds feature intuitive touch controls. Specific gestures may vary or be customizable via the app.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Double tap on either earbud.
- **Reject Call:** Press and hold on either earbud.
- **Activate Voice Assistant:** Triple tap on either earbud.
- **ANC/Awareness Mode Toggle:** Press and hold on either earbud (duration may vary, check app for customization).

### 4.2 Active Noise Cancellation (ANC)

The semi-open ANC reduces ambient noise while allowing some situational awareness.

- Toggle ANC modes using the touch control gesture (typically press and hold) or through the companion app.
- Available modes may include ANC On, Awareness Mode, and ANC Off.

## 4.3 Gaming Mode

Activate Gaming Mode for reduced audio latency, providing better synchronization for games and videos.

- Gaming Mode can typically be activated via the companion app.
- This mode aims for latency below 100ms.

## 4.4 Wearing Detection

The earbuds feature automatic wearing detection.

- Music playback will automatically pause when an earbud is removed from your ear.
- Playback will resume when the earbud is re-inserted.

## 4.5 Calling Features

The AI-based dual microphone Environmental Noise Cancellation (ENC) system enhances call clarity.

- During calls, the microphones work to suppress background noise.
- Use touch controls to answer, end, or reject calls.

# 5. MAINTENANCE

---

## 5.1 Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Ensure charging contacts on both earbuds and case are clean and dry to prevent charging issues.

## 5.2 Water and Dust Resistance (IP54)

The earbuds are rated IP54 for water and dust resistance.

- This rating means they are protected against limited dust ingress and splashing water from any direction.
- They are suitable for use during workouts or in light rain.
- *Caution:* The IP54 rating does not mean they are waterproof. Do not submerge the earbuds in water or expose them to high-pressure water jets. The charging case is typically not water-resistant.

## 5.3 Battery Care

- Store the earbuds and case in a cool, dry place away from extreme temperatures.
- Avoid fully discharging the battery for extended periods. Charge regularly.
- Use only approved charging cables and adapters.

# 6. TROUBLESHOOTING

---

## 6.1 Pairing Issues

- **Earbuds not appearing in Bluetooth list:** Ensure earbuds are in pairing mode (open case). Turn Bluetooth off and on again on your device.
- **Connection unstable:** Ensure earbuds are fully charged. Move closer to your device to reduce interference.
- **Only one earbud connecting:** Place both earbuds back in the case, close it, wait a few seconds,

then open it again to reset.

## 6.2 Sound Issues

- **No sound:** Check device volume. Ensure earbuds are properly connected.
- **Low volume:** Adjust volume on both your device and via earbud touch controls (if supported).
- **Distorted sound:** Ensure earbuds are fully charged. Try disconnecting and reconnecting.

## 6.3 Charging Issues

- **Earbuds not charging:** Ensure earbuds are correctly seated in the case. Clean charging contacts.
- **Case not charging:** Try a different USB cable and power adapter. Ensure the cable is securely connected.

## 6.4 "Find My Earbuds"

If you misplace your earbuds, use the companion app to locate them.

- Open the HONOR AI Life app (or equivalent).
- Navigate to the "Find My Earbuds" feature.
- The app may play a sound from the earbuds or show their last known location.

## 7. SPECIFICATIONS
