Package Contents

Before starting assembly, please verify that all components are present. The package should contain:

- Approximately 1018 building block pieces
- Detailed instruction manual

If any parts are missing or damaged, please refer to the 'Warranty and Support' section for assistance.

Setup and Assembly

Follow the step-by-step instructions provided in the included printed manual for detailed assembly. The process involves sorting pieces and connecting them according to the diagrams.

1. **Preparation:** Unpack all components and organize the building blocks by color and shape. This will simplify

the assembly process.

2. **Follow Instructions:** Refer to the numbered steps in the dedicated instruction booklet. Each step illustrates the required pieces and their placement.
3. **Secure Connections:** Ensure each block is firmly connected to the previous one to maintain structural integrity.
4. **Modular Design:** The set is designed for creative assembly, allowing for different configurations as shown in the manual.

Maintenance

To ensure the longevity of your building block set, follow these maintenance guidelines:

- **Cleaning:** Wipe the blocks with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or individual blocks in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- **Handling:** Handle the assembled model with care to prevent pieces from detaching.

Troubleshooting

If you encounter any issues during assembly or play, consider the following:

- **Missing Pieces:** Double-check all packaging materials. If a piece is genuinely missing, contact customer support.

- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly and apply gentle, even pressure. Avoid forcing pieces together.
- **Structural Instability:** Review previous assembly steps to confirm all connections are secure and correctly placed.
