

## Metz MPE7300Z

# Metz MPE7300Z 24-inch Portable Smart TV User Manual

Model: MPE7300Z

## INTRODUCTION

---

The Metz MPE7300Z is a 24-inch portable smart television designed for versatility and high-quality viewing. It features a built-in battery, 12V car charging capability, and an anti-glare LED FHD display, making it suitable for various environments including campers, trains, boats, and outdoor activities. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your device.

Key features of the Metz MPE7300Z include:

- **Portability:** Equipped with a carrying handle and internal battery for mobile use.
- **Anti-glare Screen:** Provides clear, reflection-free viewing even in direct sunlight.
- **Award-Winning Design:** Recognized for its elegant and functional design.
- **Versatile Use:** Adaptable for office, home, and outdoor settings.
- **Superior Visuals:** Offers high-quality images with HDMI and USB connectivity.
- **Long-lasting Battery:** Up to 3 hours of autonomy on a single charge, with 12V car charging support.
- **Optimal Viewing Distance:** Recommended viewing distance between 0.8 and 1.5 meters for a 24-inch screen.

## PACKAGE CONTENTS

---

## SETUP

### 1. Initial Power-On and Charging

For the first use, the TV must be connected to a power source to turn on, even if it has an internal battery. Use the provided power adapter to connect the TV to a standard electrical outlet. For portable use, the TV supports 12V car charging. The internal battery provides up to 3 hours of viewing time.

### 2. Remote Control Setup

Insert the two AAA batteries (included) into the remote control, ensuring correct polarity.

### 3. Antenna Connection

Connect your antenna cable to the appropriate antenna input port on the TV for receiving broadcast channels (DVB-T/T2, DVB-C, DVB-S/S2).

### 4. Network and Google TV Setup

Upon first power-on, the TV will guide you through the initial setup process for Google TV. This requires an internet connection (Wi-Fi 5 or LAN) and a Google account. Follow the on-screen instructions to connect to your Wi-Fi network and log in to your Google account. This step is mandatory for full functionality, including accessing smart features and apps.

## Goditi le risorse e rendi wireless la tua vita

La durata della batteria di 3 ore ti consente di guardare un intero film, sempre e ovunque.

 Bluetooth 5.0

**Batteria**   
**integrata da 3 ore**

\*La durata di 3 ore si basa sull'utilizzo del dispositivo in modalità eco, ma l'utilizzo effettivo della batteria può variare a seconda delle condizioni.

\*Alcune app, contenuti e/o funzionalità potrebbero non essere disponibili in tutti i paesi. Soggetto a disponibilità.

\*Google TV è il nome dell'esperienza software di questo dispositivo e un marchio di Google LLC.

## OPERATING INSTRUCTIONS

### Basic Operation

- **Power On/Off:** Press the power button on the remote control or the TV. Initial power-on requires a connected power source.
- **Volume Control:** Use the volume up/down buttons on the remote.
- **Channel Navigation:** Use the number buttons or the program up/down buttons on the remote to change channels.
- **Source Selection:** Press the "Source" button on the remote to switch between inputs (HDMI, USB, TV, etc.).

## Connectivity

- **HDMI:** Connect external devices like gaming consoles, Blu-ray players, or laptops using an HDMI cable.
- **USB:** Insert USB drives to view photos, play videos, or listen to music. The USB port provides 5V/500mA.
- **Bluetooth:** Pair Bluetooth-enabled devices such as headphones or speakers for wireless audio.
- **Wi-Fi 5 / LAN:** Connect to your network for internet access, streaming services, and Google TV features.

## Google TV Features

Navigate the Google TV interface using the remote control's directional pad and select button. Access a wide range of streaming applications, live TV, and personalized content recommendations. A stable internet connection is required for optimal performance of smart features.

**Altoparlante Frontale  
2x6W**

**Dolby Audio**  
**Suono a Tutto Tondo**

Goditi il concerto come se fossi faccia a faccia. Gli altoparlanti frontali offrono un suono nitido e senza ostacoli per una migliore esperienza audio.

# RISOLUZIONE FHD

## IMMAGINE PULITA E DETTAGLIATA

- Gamma dinamica più ampia
- Espressione del colore più forte
- Profondità del colore più elevata

Image: The Metz MPE7300Z TV demonstrating its FHD resolution, wide dynamic range, strong color expression, and high color depth for a clean and detailed picture.

## MAINTENANCE

---

### Cleaning the TV

To clean the screen, gently wipe it with a soft, lint-free cloth. For stubborn marks, slightly dampen the cloth with water or a screen-cleaning solution. Avoid using harsh chemicals or abrasive materials. For the TV body, use a dry, soft cloth.

### Battery Care

- To prolong battery life, avoid fully discharging the battery frequently.
- Store the TV in a cool, dry place when not in use for extended periods.
- If storing for a long time, charge the battery to about 50% before storage.

## TROUBLESHOOTING

- **TV does not turn on:** Ensure the TV is connected to a power source for the initial power-on. Check if the power adapter is securely connected to both the TV and the electrical outlet. If using battery, ensure it is charged.
- **No picture/sound:** Verify that the correct input source is selected (e.g., HDMI 1, TV). Check all cable connections. For broadcast TV, ensure the antenna is properly connected and positioned.
- **Wi-Fi connection issues:** The TV may not remember Wi-Fi settings after a power cycle, requiring manual reconnection to your hotspot each time. Ensure your Wi-Fi network is active and within range. Try restarting your router.
- **Remote control not working:** Check and replace the batteries in the remote control. Ensure there are no obstructions between the remote and the TV's IR sensor.
- **Slow performance:** Ensure your internet connection is stable. Close any unused applications running in the background on Google TV.
- **Adhesives on screen:** If you encounter stubborn screen adhesives, gently warm them with a hairdryer on a low setting before peeling. Clean any residue with a soft cloth and screen cleaner.

## SPECIFICATIONS

Feature	Specification
Brand	Metz
Model	MPE7300Z
Screen Size	24 Inches
