EUGAD 0259WY

EUGAD Wall-Mounted Bathroom Mirror Cabinet with LED Lighting

Model: 0259WY

1. SAFETY INFORMATION

Warning: This product is intended for use in humid environments. Please follow the assembly and usage instructions carefully to avoid any electrical risk.

- Ensure all electrical connections are made by a qualified professional if you are unsure.
- Do not expose the LED light or electrical components to direct water spray.
- Always disconnect power before cleaning or performing any maintenance.
- Do not exceed the maximum load capacity of 20 kg for the entire cabinet. Individual shelves have specific load limits (e.g., 3 kg per internal shelf, 5 kg for the open compartment).

2. PRODUCT OVERVIEW

The EUGAD 0259WY bathroom mirror cabinet combines a mirror and storage unit, designed for wall mounting. It features integrated LED lighting, adjustable shelving, and additional storage accessories.

Image 2.1: The EUGAD bathroom mirror cabinet installed above a sink in a contemporary bathroom.

Key Features:

- **Mirror and Storage:** Integrates a mirror with internal and external storage options.
- **LED Lighting:** Features 4000K white LED lighting with IP44 water and dust protection.
- **Adjustable Shelf:** One internal shelf can be adjusted by 6.4 cm up or down to accommodate various item heights.
- **Additional Storage:** Includes a removable metal basket and a side holder for small items.
- **Durable Construction:** Made from engineered wood (MDF) and metal, designed for humidity resistance.

Image 2.2: Close-up of the cabinet highlighting features like the LED switch, metal hinges, and removable basket.

3. SETUP AND INSTALLATION

The cabinet requires assembly and wall mounting. A detailed instruction manual and accessory kit are included with the product.

3.1 Unpacking

- Carefully remove all components from the packaging.
- Verify that all parts listed in the included parts list are present and undamaged.
- Keep packaging materials away from children.

3.2 Assembly

Follow the step-by-step instructions provided in the assembly manual. Ensure all screws and fasteners are tightened securely. Do not overtighten.

3.3 Wall Mounting

- Choose a suitable location on a solid wall, away from direct water sources.
- Use appropriate wall plugs and screws for your wall type (e.g., concrete, plasterboard).
- Mark the drilling points accurately using a level to ensure the cabinet is mounted straight.
- Securely attach the cabinet to the wall. It is recommended to have two people for this step due to the cabinet's weight and size.

4. OPERATING INSTRUCTIONS

4.1 LED Lighting

- Connect the power cord to a suitable electrical outlet.
- Use the inline switch on the power cord to turn the LED light ON or OFF.
- The LED light provides 4000K white illumination, suitable for grooming tasks.

Armoire de toilette avec éclairage LED

Image 4.1: The LED lighting provides bright illumination for daily routines.

Interrupteur LED

Facile et sûr à utiliser.

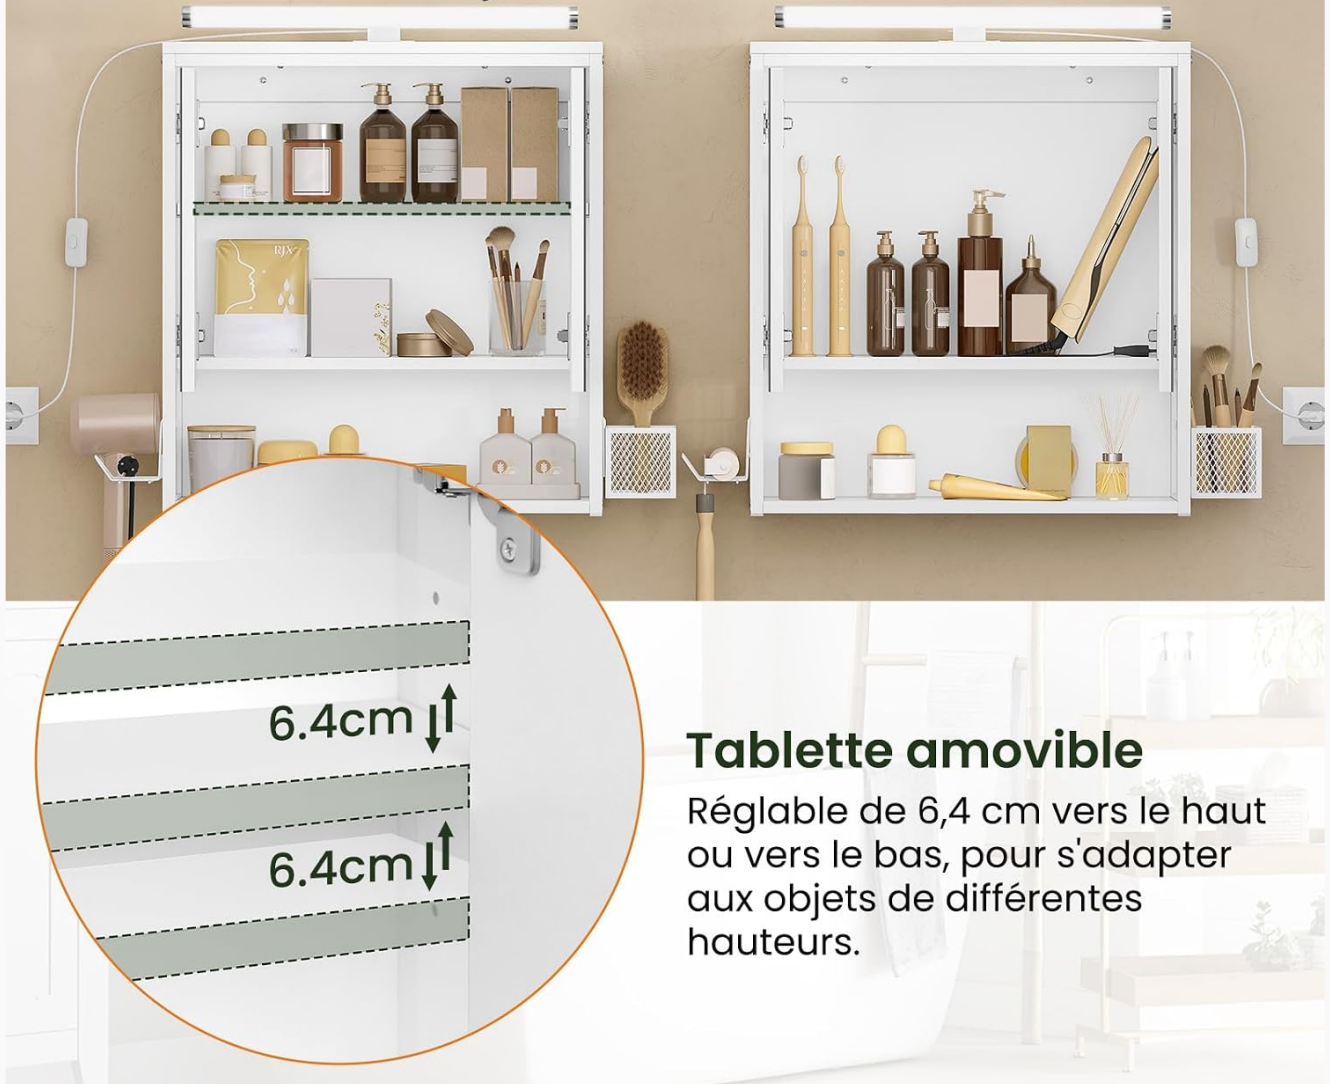

Image 4.2: The LED light is operated via a convenient inline switch on the power cord.

4.2 Adjusting Shelves

- The internal shelf can be repositioned to one of three height settings.
- To adjust, carefully remove the shelf and reposition the shelf supports to the desired height.
- Ensure the shelf is securely seated on all four supports before placing items on it.

Étagère réglable

La tablette peut être facilement retirée ou ajustée selon les besoins.

Tablette amovible

Réglable de 6,4 cm vers le haut ou vers le bas, pour s'adapter aux objets de différentes hauteurs.

Image 4.3: The adjustable shelf allows for flexible storage configurations.

4.3 Using Removable Accessories

- The removable metal basket can be attached to the side of the cabinet for storing small items like brushes or toiletries.
- The side holder is designed for hanging items such as a hairdryer.

Panier amovible

Pour ranger les objets quotidiens.

Image 4.4: The removable basket provides convenient storage for daily essentials.

5. MAINTENANCE

Regular maintenance ensures the longevity and appearance of your cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish or mirror.
- **Mirror Care:** Use a glass cleaner specifically designed for mirrors. Do not spray cleaner directly onto the mirror; apply it to a cloth first.
- **Electrical Components:** Ensure the LED light and wiring are kept dry. If any damage occurs to the electrical components, discontinue use and seek professional assistance.
- **Hardware:** Periodically check all screws and fittings to ensure they remain tight. Retighten if necessary.

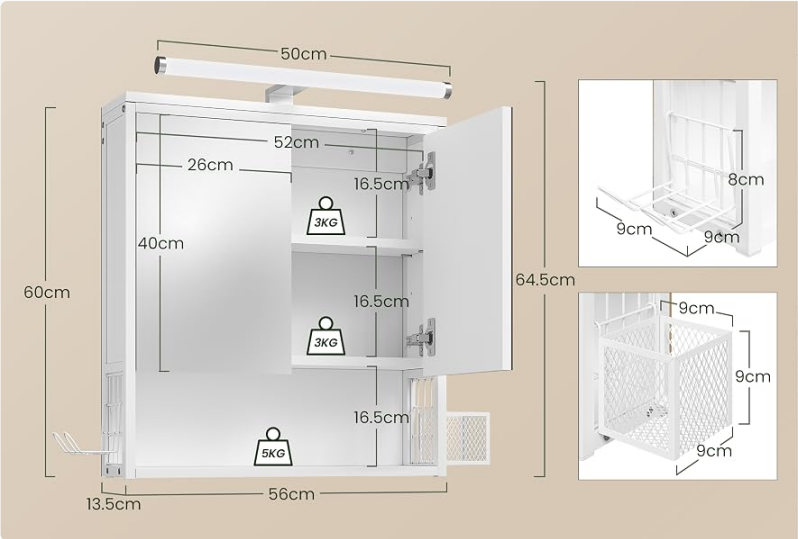

Image 5.1: The cabinet surfaces are designed to be easy to clean and resistant to moisture.

6. TROUBLESHOOTING

- **LED Light Not Working:** Check if the power cord is securely plugged into the outlet and if the inline switch is in the ON position. Ensure there is power to the outlet.
- **Cabinet Appears Unstable:** Verify that all assembly screws are tightened. Recheck wall mounting screws and ensure they are firmly secured to a solid wall.
- **Door Misalignment:** The hinges are adjustable. Refer to the assembly manual for instructions on how to adjust the mirror door alignment.

7. SPECIFICATIONS

Feature	Specification
Model Number	0259WY
Brand	EUGAD
Dimensions (W x D x H)	56 x 13.5 x 65 cm
