## KCCLVER KCCLVER

# KCCLVER Sideboard User Manual

Model: KCCLVER

## 1. INTRODUCTION

Welcome to the KCCLVER Solid Reclaimed Wood Sideboard user manual. This document provides essential information for the assembly, safe operation, and maintenance of your new furniture piece. Please read these instructions carefully before assembly and use.

Your KCCLVER Sideboard is crafted from solid reclaimed wood, offering a unique aesthetic with varying wood grains and colors. It features a sturdy powder-coated steel frame and ample storage.

### Key Features:

- **Solid Reclaimed Wood Construction:** Each piece showcases unique grains and characteristics, ensuring durability and longevity.
- **Fully Handmade:** Handcrafted with meticulous attention to detail, every sideboard is unique.
- **Ample Storage Capacity:** Features two door compartments and four spacious drawers for organizing various items.
- **Sturdy Metal Frame:** Reinforced with a powder-coated steel frame for exceptional stability and structural integrity.
- **Unique Mixed Color Finish:** The reclaimed wood provides a distinct, mixed-color appearance.

## 2. SAFETY INFORMATION

Please observe the following safety precautions to prevent injury or damage to the product:

- **Warning:** To prevent overturning, this product **must** be used with the wall attachment device provided. Failure to do so can result in serious injury.
- Ensure all parts are securely fastened before placing any items on or inside the sideboard.
- Do not overload drawers or shelves. Distribute weight evenly.
- Keep small parts and packaging materials away from children during assembly.
- Do not stand or climb on the sideboard.

### 3. PACKAGE CONTENTS

---

Before beginning assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- 1 x KCCLVER Sideboard (unassembled components)
- Assembly hardware (screws, dowels, brackets, etc.)
- Wall attachment device
- Assembly instructions (this manual)

*Note: Due to the nature of reclaimed wood, the colors and wood grain patterns will vary from piece to piece, making your sideboard unique.*

### 4. SETUP AND ASSEMBLY

---

Assembly is required for this product. It is recommended to have two people for assembly. Please follow these general steps, referring to any specific diagrams or instructions included in your package for detailed guidance.

1. **Unpack:** Carefully unpack all components and lay them out on a clean, soft surface (e.g., a blanket or carpet) to prevent scratches.
2. **Identify Parts:** Identify all parts using the included parts list and diagrams.
3. **Assemble Frame:** Attach the powder-coated steel frame components according to the diagrams. Ensure all connections are secure.
4. **Attach Wooden Panels:** Secure the wooden panels (top, sides, bottom, shelves) to the assembled frame using the provided hardware.
5. **Install Drawers and Doors:** Assemble and install the drawers into their runners and attach the doors to their hinges.
6. **Attach Handles:** Securely attach the drawer handles and door knobs/pulls.
7. **Wall Attachment: Crucially, secure the sideboard to a sturdy wall using the provided wall attachment device.** This prevents tipping and ensures safety. Follow the specific instructions for wall mounting.

## 5. OPERATING INSTRUCTIONS

---

Your KCCLVER Sideboard is designed for practical storage in your dining room or other living spaces.

### **Drawers:**

To open a drawer, gently pull the handle. To close, push the drawer firmly until it is fully seated. Avoid forcing drawers if they stick; check for any obstructions inside or along the runners.

### **Doors:**

Use the handles to open the cabinet doors. Ensure they are fully closed after use to protect the contents from dust and maintain a tidy appearance.

### **Storage:**

Utilize the two door compartments and four drawers for organizing various items such as dinnerware, linens, or other household goods. Distribute weight evenly across shelves and within drawers to maintain the sideboard's stability and prevent warping.

## 6. MAINTENANCE AND CARE

---

Proper care will help preserve the beauty and functionality of your KCCLVER Sideboard for years to come.

- **Cleaning:** Wipe all surfaces with a soft, slightly damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the wood finish or steel frame.
- **Dusting:** Regularly dust the sideboard with a dry, soft cloth to prevent dust buildup.
- **Spills:** Clean any spills immediately with a soft, dry cloth to prevent staining, especially on the reclaimed wood surfaces.
- **Wood Care:** While reclaimed wood is durable, avoid prolonged exposure to direct sunlight, excessive heat, or extreme temperature changes, as this can cause fading, warping, or cracking.
- **Frame Care:** The powder-coated steel frame requires minimal maintenance. Simply wipe clean as needed.
- **Stability Check:** Periodically inspect all screws, bolts, and fasteners to ensure they remain tight. Retighten if necessary to maintain structural integrity.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your sideboard, refer to the following common troubleshooting tips:

### Sideboard is Wobbly:

- Ensure all assembly screws and fasteners are securely tightened.
- Verify that the sideboard is placed on a level surface. If not, use appropriate shims under the legs to stabilize it.
- Confirm that the wall attachment device is properly installed and secured to both the sideboard and the wall.

### Drawers Stick or Don't Close Smoothly:

- Check for any obstructions inside the drawer or along the drawer runners.
- Ensure the drawer runners are properly aligned and free of debris.
- Verify that the drawer is not overloaded or unevenly weighted.

### Doors Don't Close Properly:

- Check the hinges for proper alignment and ensure they are securely fastened.
- Ensure nothing is obstructing the door's path when closing.

## 8. SPECIFICATIONS

---

Feature	Detail
Brand	KCCLVER
Model Name	KCCLVER
Material	Solid Reclaimed Wood with mixed color finish, Powder-Coated Steel
Dimensions (W x D x H)	67.7" x 13.8" x 31.5"
