ZAFRO FL9286-BLACK

ZAFRO 52-Inch Ceiling Fan User Manual

Model: FL9286-BLACK

1. Introduction

Thank you for purchasing the ZAFRO 52-Inch Ceiling Fan. This manual provides detailed instructions for the safe installation, operation, and maintenance of your new ceiling fan. Please read this manual thoroughly before installation and keep it for future reference.

Important Safety Information:

- Always disconnect power at the main fuse box or circuit breaker before beginning installation or performing any maintenance.
- All wiring must be in accordance with national and local electrical codes.
- Ensure the installation site can support the weight of the fan (approximately 19.25 pounds).
- Do not operate the fan with damaged blades or housing.

2. Components List

Before beginning installation, verify that all components listed below are present and undamaged. If any parts are missing or damaged, contact ZAFRO customer support.

- Ceiling Fan Motor Housing
- Fan Blades (5x)
- Light Kit Assembly
- Remote Control
- Remote Control Holder
- Downrods (5-inch and 10-inch)
- Mounting Bracket
- Hardware Pack (screws, washers, wire nuts)
- Instruction Manual

Image: Overview of the ZAFRO 52-Inch Ceiling Fan and its included components, such as the main fan unit, five blades, the remote control, and two downrod options.

3. Setup and Installation

Follow these steps for proper installation of your ceiling fan. It is recommended to have two people for installation.

1. **Prepare for Installation:** Turn off power at the circuit breaker. Ensure the junction box is securely mounted to the building structure and can support the fan's weight.
2. **Install Mounting Bracket:** Attach the mounting bracket to the junction box using the screws provided.
3. **Assemble Downrod and Fan:** Choose either the 5-inch or 10-inch downrod based on your ceiling height preference. Feed the fan wires through the downrod and secure the downrod to the fan motor housing.
4. **Hang the Fan:** Carefully lift the fan assembly and hang it on the mounting bracket.
5. **Wire the Fan:** Connect the fan's electrical wires to the household wiring according to the wiring diagram in the full instruction manual. Ensure all connections are secure.
6. **Attach Fan Blades:** Securely attach the five fan blades to the motor housing using the provided screws.
7. **Install Light Kit:** Connect the light kit wiring to the fan's light wiring and secure the light kit assembly to the bottom of the fan.

8. **Final Checks:** Ensure all screws are tightened and connections are secure. Restore power at the circuit breaker.

Image: This illustration details the dimensions of the 52-inch ceiling fan, showing its height with different downrod lengths (11.9 inches and 16.5 inches) and its overall width. It also demonstrates compatibility with both flush mount and sloped ceiling installations (up to 10 degrees).

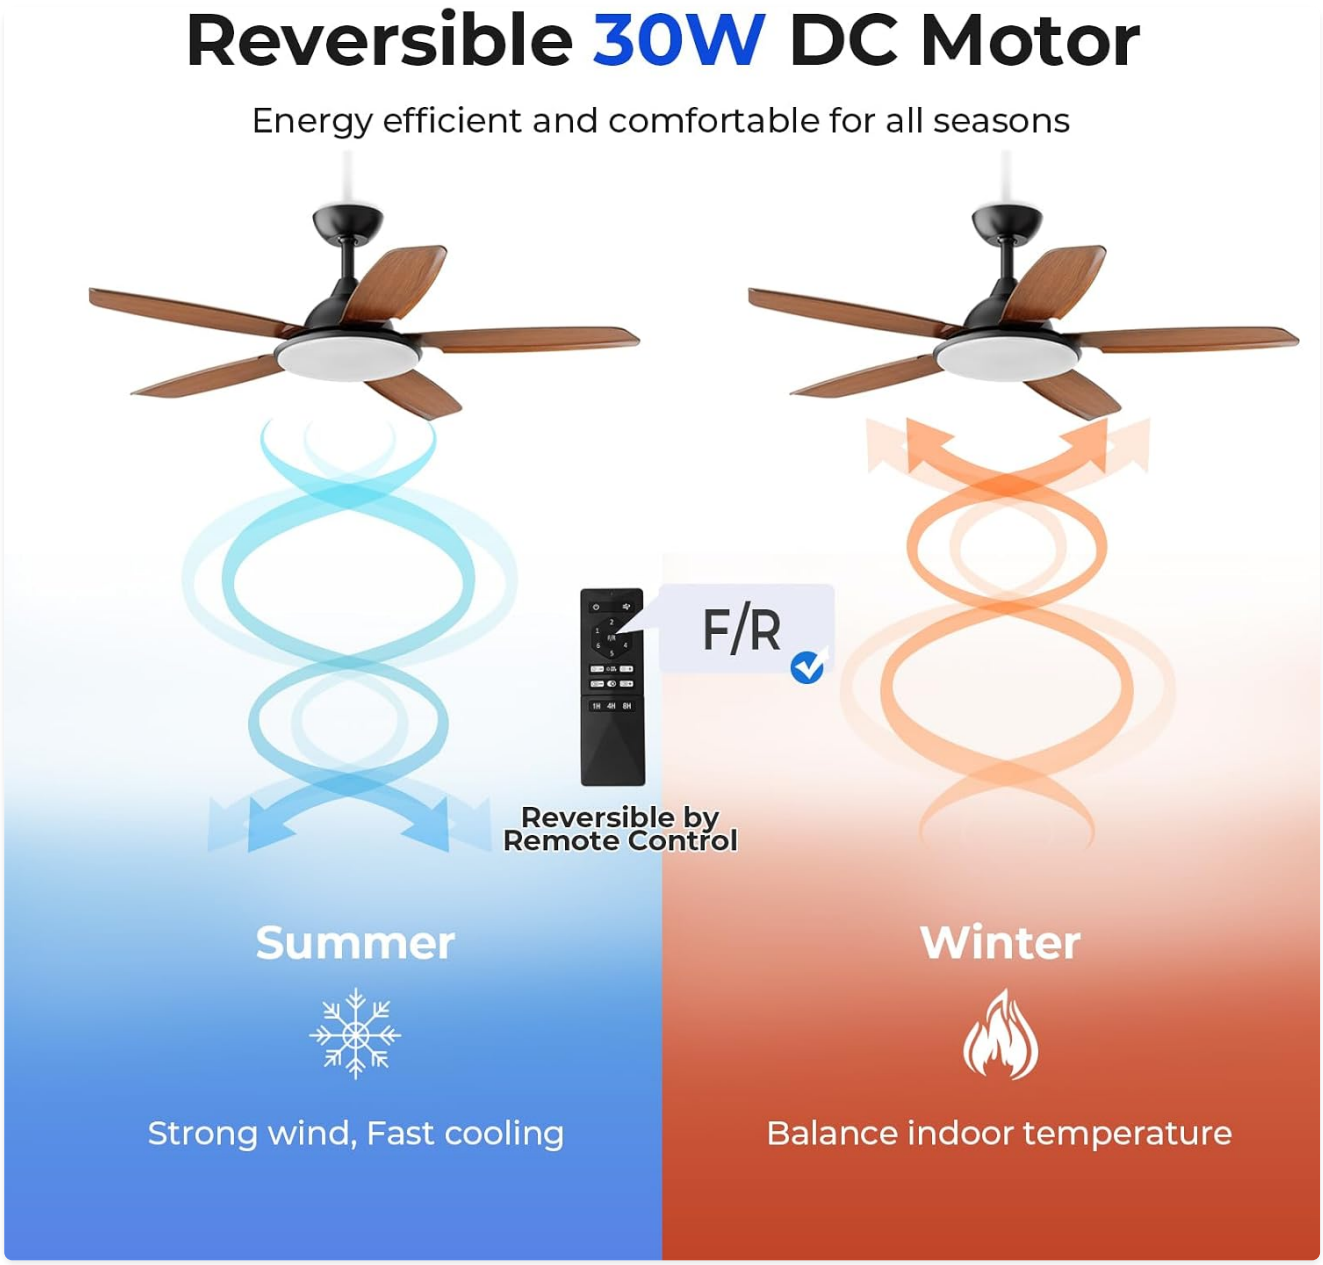

Image: This visual emphasizes the straightforward installation process of the ceiling fan, indicating that setup can be completed in approximately 30 minutes.

4. Operating Instructions

Your ZAFRO ceiling fan is controlled by the included remote control, offering various functions for optimal comfort.

Remote Control Functions:

- **Power Button:** Turns the fan and light ON/OFF.
- **Fan Speed Control (1-6):** Adjusts the fan speed from 1 (lowest) to 6 (highest).
- **Light ON/OFF:** Toggles the light on or off independently of the fan.
- **Light Color Temperature (CCT) Adjustment:** Cycles through Warm Light (3000K), Neutral Light (4000K), and Cool Light (6500K).
- **Light Dimming:** Adjusts the brightness of the light from 1% to 100%.

- **Timer Function (1H/2H/4H/8H):** Sets the fan to turn off automatically after 1, 2, 4, or 8 hours.
- **Reversible Function (F/R):** Changes the direction of blade rotation for summer or winter mode.

Image: This graphic illustrates the various functions of the ZAFRO ceiling fan, such as programmable timing, reversible blade direction for seasonal use, quiet operation (below 45dB), six adjustable wind speeds, three selectable light color temperatures, and a memory function for settings.

Fan Speed Settings:

- **Speed 1-2:** Gentle airflow, ideal for quiet environments or light circulation.
- **Speed 3-4:** Moderate airflow, suitable for everyday comfort.
- **Speed 5-6:** Strong airflow, effective for rapid cooling or larger spaces.

Image: This visual demonstrates the six adjustable wind speeds of the fan, divided into three levels: Low (speeds 1-2) for soft wind, Medium (speeds 3-4) for natural wind, and High (speeds 5-6) for strong wind, allowing users to meet different airflow needs.

Reversible Function (Summer/Winter Mode):

The fan features a reversible DC motor, allowing you to change the direction of blade rotation to optimize air circulation for different seasons.

- **Summer Mode (Counter-clockwise):** Creates a downward airflow, producing a cooling effect.
- **Winter Mode (Clockwise):** Creates an upward airflow, circulating warm air trapped near the ceiling.

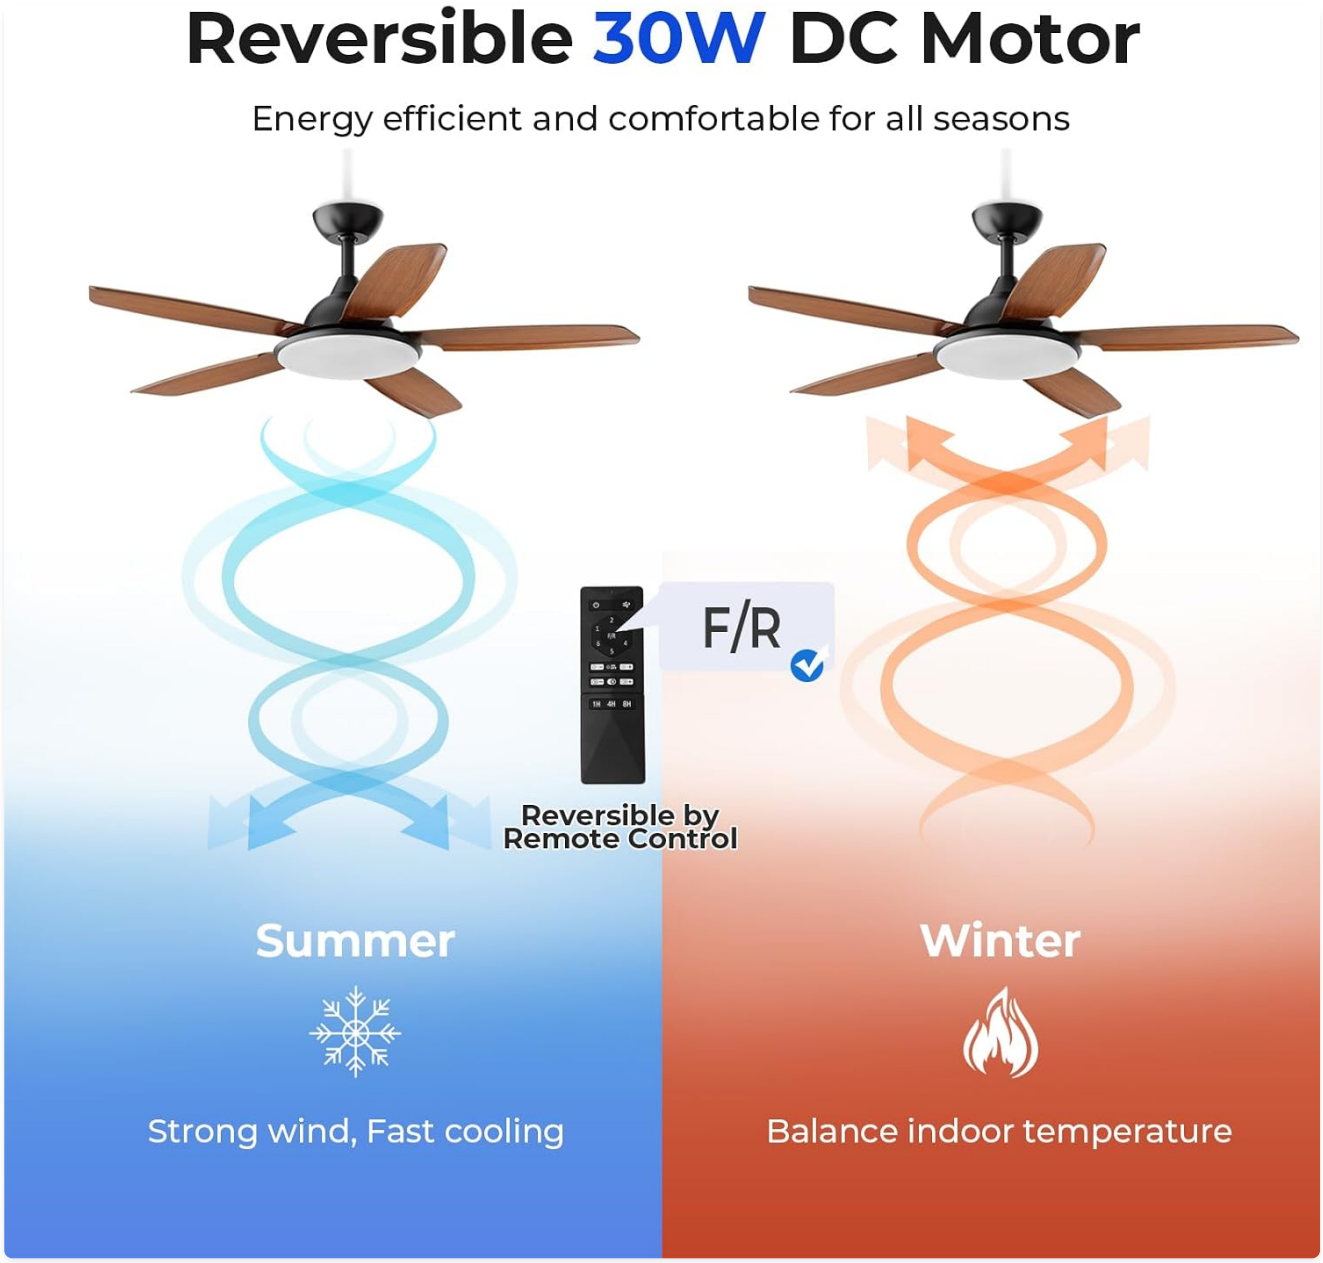

Image: This graphic illustrates how the fan's reversible DC motor operates in both summer and winter modes. In summer, it creates a downward airflow for cooling, while in winter, it circulates warm air upwards to balance indoor temperature, all controlled via the remote.

Customizable Lighting:

The integrated LED light offers three color temperatures and adjustable brightness.

- **Warm Light (3000K):** For a cozy and inviting ambiance.
- **Neutral Light (4000K):** For general illumination and a balanced feel.
- **Cool Light (6500K):** For bright, task-oriented lighting.
- **Dimmable:** Adjust brightness from 1% to 100% to suit your preference.

Image: This visual highlights the customizable lighting options of the fan, showcasing three distinct color temperatures: Warm Light (3000K), Neutral Light (4000K), and Cool Light (6500K). It also illustrates the ability to adjust brightness from 1% to 100%.

Quiet Operation:

The DC motor and ABS blades are designed for quiet operation, ensuring a comfortable environment.

Image: This graphic demonstrates the low noise output of the ZAFRO ceiling fan, indicating it operates at less than 45dB, comparable to the quietness of a library or rustling leaves, providing a comfortable experience.

5. Maintenance

Regular maintenance will ensure the longevity and optimal performance of your ZAFRO ceiling fan.

- **Cleaning:** To clean the fan, wipe with a soft, damp cloth. Do not use abrasive cleaners or solvents. Ensure power is off before cleaning.
- **Blade Inspection:** Periodically check the blade screws for tightness. Loose blades can cause wobbling and noise.
- **Light Kit:** The integrated LED light is designed for long life and typically does not require replacement.

6. Troubleshooting

If you experience issues with your fan, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Fan does not start	No power to the fan; Loose wire connections; Remote control battery low/dead.	Check circuit breaker/fuse; Verify all wire connections are secure; Replace remote control batteries.
Fan wobbles	Loose blade screws; Unbalanced blades; Loose mounting bracket.	Tighten all blade screws; Check for bent blades and replace if necessary; Ensure mounting bracket is securely fastened.
Light does not work	Loose wire connection to light kit; Light switch off; Remote control issue.	Check light kit wiring; Ensure light function is activated on remote; Replace remote batteries.
Remote control not working	Low/dead batteries; Remote not paired with fan.	Replace batteries; Refer to the full manual for remote pairing instructions.

7. Specifications

Feature	Specification
Brand	ZAFRO
Model Name	FL9286-BLACK
Size	52-Inch
Motor Type	DC Motor
Fan Speeds	6-Speed
Light Type	Integrated LED
Light Wattage	35W (as per feature bullets, product description says 22W)
Color Temperature	3000K (Warm), 4000K (Neutral), 6500K (Cool)
Blades Material	ABS
Control Method	Remote Control
Reversible Function	Yes (Summer/Winter Mode)
Item Weight	19.25 pounds

Feature	Specification
Product Dimensions	51.97 x 51.97 x 11.81 inches
Indoor/Outdoor Usage	Indoor

8. Warranty Information

This ZAFRO ceiling fan comes with a**1-Year Warranty** from the date of purchase. This warranty covers defects in materials and workmanship under normal use. It does not cover damage resulting from improper installation, misuse, abuse, or natural disasters. Please retain your proof of purchase for warranty claims.

9. Customer Support

For technical assistance, troubleshooting not covered in this manual, or warranty inquiries, please contact ZAFRO customer support. Refer to the product packaging or the ZAFRO official website for the most current contact information.

We are committed to providing high-quality products and excellent customer service.
