Bellemave bedframe

Bellemave Twin Size Low Loft Bed Instruction Manual

Model: bedframe

1. PRODUCT OVERVIEW

This manual provides detailed instructions for the assembly, operation, and maintenance of your Bellemave Twin Size Low Loft Bed. Designed for children, this bed features a low loft design, two movable shelves for storage, a two-step ladder for easy access, and a full safety fence. It also includes four decorative chalkboards to encourage creativity.

2. SAFETY INFORMATION

- Do not exceed the maximum weight capacity of 250 pounds for the upper bed.
- Ensure all screws and bolts are securely tightened before use. Regularly check and re-tighten as necessary.
- The bed is designed with a full safety fence. Ensure it is properly installed and maintained to prevent falls.
- The low height design and two-step ladder are for safe access. Supervise young children during use.
- Keep small parts away from children during assembly to avoid choking hazards.

3. SETUP AND ASSEMBLY

Assembly of the Bellemave Twin Size Low Loft Bed typically takes less than an hour with the help of a friend. All necessary parts, tools, and instructions are included in the package.

1. Carefully unpack all components from the box.
2. Verify that all parts are present and undamaged by comparing them with the included parts list.
3. Lay out all components on a soft, clean surface to prevent scratches.

Follow the step-by-step instructions provided in the separate assembly guide included with your product. Key steps generally include:

- Size: inch**

4. OPERATING INSTRUCTIONS

4.1 Movable Shelves

The two open shelves are designed to be movable, allowing for flexible storage solutions. They can be positioned as desired under the bed to store books, toys, or other items, maximizing the use of space.

4.2 Chalkboard Panels

The bed features four decorative chalkboard panels. These panels provide a creative space for children to draw, write, or study directly next to their bed. Use standard chalk for best results.

5. MAINTENANCE

- **Cleaning:** Wipe down the bed frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish. For chalkboard panels, use a damp cloth to erase chalk.
- **Hardware Check:** Periodically inspect all bolts, screws, and connections to ensure they remain tight. Re-tighten as needed to maintain stability and safety.
- **Wood Care:** The bed is made of pine wood and MDF. Avoid prolonged exposure to direct sunlight or extreme humidity to prevent warping or discoloration.

6. TROUBLESHOOTING

- **Wobbly Bed:** If the bed feels wobbly, check all assembly hardware. Ensure all bolts and screws are fully tightened. Uneven flooring can also contribute; consider using furniture levelers if necessary.

- **Difficulty with Assembly:** Refer to the detailed assembly instructions provided in the package. If you encounter persistent issues, contact customer support for assistance.
- **Missing Parts:** If any parts are missing upon unpacking, do not proceed with assembly. Contact customer support immediately for replacement parts.

7. SPECIFICATIONS

Feature	Detail
