Tribesigns JW1049

Tribesigns Farmhouse Dining Table (Model JW1049)

INSTRUCTION MANUAL

1. Important Safety Information

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Exercise caution around sharp edges during assembly and handling.
- Do not exceed the weight limit of 300 lb (136 kg) to prevent tip-over or structural damage.
- Ensure all screws and bolts are securely tightened before use. Periodically check and re-tighten as necessary.
- Assemble the table on a soft, clean surface to prevent scratches.
- Keep small parts away from children during assembly.

2. Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Tabletop (1)
- Metal Legs (2)
- Adjustable Feet (4)
- Hardware Pack (screws, Allen wrench)
- Instruction Manual (1)

3. Setup and Assembly

Follow these steps for quick and hassle-free assembly. It is recommended to have two people for assembly.

1. **Prepare the Area:** Clear a spacious area and lay down a blanket or cardboard to protect the tabletop and floor from scratches.
2. **Attach Legs to Tabletop:** Carefully place the tabletop upside down on the protected surface. Align the metal legs with the pre-drilled holes on the underside of the tabletop. Secure them using the provided screws and Allen wrench. Do not fully tighten all screws until all components are loosely attached.
3. **Attach Adjustable Feet:** Screw the adjustable feet into the bottom of each metal leg. These can be adjusted later to level the table.
4. **Final Tightening:** Once all parts are in place, gradually tighten all screws evenly until secure. Avoid over-tightening.
5. **Upright the Table:** With assistance, carefully flip the table upright. Adjust the feet as needed to ensure stability.

4. Operating Instructions (Intended Use)

The Tribesigns Farmhouse Dining Table is designed for indoor use as a dining surface for meals, gatherings, and other household activities. It comfortably accommodates 6-8 people.

- Ensure the table is placed on a flat, stable surface.
- Distribute weight evenly across the tabletop to prevent stress on any single point.
- Avoid standing or sitting on the table.

5. Maintenance and Care

Proper care will extend the life and appearance of your dining table.

- **Cleaning:** Wipe the surface with a damp cloth. For spills, clean immediately to prevent staining. No special cleaners are needed. Avoid harsh chemicals or abrasive cleaning materials.
- **Protection:** Use placemats or coasters to protect the surface from hot dishes, spills, and scratches.
- **Stability Check:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if any looseness is detected.
- **Environment:** Avoid prolonged exposure to direct sunlight or extreme temperature changes, which can affect the wood finish.

6. Troubleshooting

Common issues and their solutions:

- **Table Wobbles:**
  - Ensure all assembly screws are fully tightened.
  - Adjust the leveling feet at the bottom of each leg until the table is stable.
  - Verify the table is on a flat surface.
- **Loose Parts:**
  - Re-tighten any loose screws or bolts using the provided Allen wrench. Do not over-tighten.
- **Scratches on Surface:**
  - While the surface is scratch-resistant, deep scratches can occur. Use furniture markers or wood repair kits for minor damage.

7. Specifications

Brand	Tribesigns
Model Number	JW1049
Material	Engineered Wood, Metal
Product Dimensions (L x W x H)	63 x 31.5 x 29.92 inches (160 x 80 x 76 cm)
Item Weight	63.5 pounds (28.8 kg)
