Awoco AWC-RH-UC6-V30

Awoco 30" Under Cabinet Range Hood (Model AWC-RH-UC6-V30) Instruction Manual

Your guide to installation, operation, and maintenance.

1. INTRODUCTION

This manual provides essential information for the safe and efficient use of your Awoco 30" Under Cabinet Range Hood, Model AWC-RH-UC6-V30. This stainless steel range hood features a powerful 900 CFM exhaust fan with 4 adjustable speeds, a 1-30 minute delay shut-off timer, and versatile control options including voice, gesture, touch, and remote control. It is equipped with dimmable LED lights and dishwasher-safe baffle filters for easy maintenance.

2. SAFETY INFORMATION

- Read all instructions carefully before installation and use.
- Ensure the power supply is disconnected before any installation, maintenance, or cleaning.
- Installation must be performed by a qualified technician in accordance with all local codes and standards.
- Do not operate the range hood without filters in place.
- Clean grease filters regularly to prevent fire hazards.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged upon unboxing.

- Awoco 30" Under Cabinet Range Hood unit
- Remote Control
- 6" Round Top Vent Adapter
- 3-1/4"D x 10"W Top Vent Adapter
- 3-1/4"D x 10"W Rear Vent Adapter

- 2 Magnetic Instruction Stickers
- Installation User Manual

5. OPERATING INSTRUCTIONS

Your Awoco range hood offers multiple ways to control its functions:

5.1 Voice Control

Activate hands-free operation by saying, "**Hi Awoco.**" You can then issue commands such as:

- "Power On" / "Power Off"
- "Light On" / "Light Off"
- "Speed 1, 2, 3, 4"
- "Higher Speed" / "Lower Speed"
- "Delay Shutdown"

Figure 4: Visual guide to voice control commands.

5.2 Gesture Control

Adjust fan speed with a simple hand wave across the sensing points. This feature can be disabled if preferred.

- **Swipe Left to Right:** Turn on, Fan Speed up
- **Swipe Right to Left:** Fan Speed down, Turn Off Fan and Light

Figure 5: How to use gesture control for fan speed adjustment.

5.3 Touch Control Panel & Remote Control

The intuitive touch control panel and included remote provide full access to all functions:

- **Fan Speeds:** Select from 4 adjustable fan speeds, up to 900 CFM.
- **Delay Shut-Off:** Set the timer for 1 to 30 minutes to clear residual fumes after cooking. Default is 5 minutes.
- **Dimmable LED Lights:** Two 3W energy-saving LED lights provide bright illumination. Adjust brightness via remote or by holding the 'E' button on the touch panel.
- **Memory Function:** The range hood remembers your last settings and restores them automatically upon next use.

Figure 7: Features displayed on the large color touch screen, including dimmable LED lights, clock, and fan speeds.

6. MAINTENANCE

6.1 Baffle Filters

The baffle filters are designed to trap grease and are dishwasher-safe for easy cleaning. An internal collector further simplifies maintenance by gathering oil for disposal.

- Regularly remove and clean the baffle filters to maintain optimal performance and prevent grease buildup.
- The filters can be placed in a dishwasher for thorough cleaning.

7. TROUBLESHOOTING

If you encounter any issues with your range hood, please refer to the following common troubleshooting steps:

- **Fan not turning on:** Check power connection, ensure the unit is plugged in, and circuit breaker is not tripped.
- **Lights not working:** Verify power connection. If individual lights are out, they may need replacement (refer to the full manual for bulb type).
- **Low suction:** Ensure filters are clean and not clogged. Check for obstructions in the ductwork. Verify that the fan speed is set appropriately for your cooking needs.
- **Unusual noise:** Inspect for loose parts or obstructions in the fan area. Ensure the unit is securely mounted.

For more detailed troubleshooting or persistent issues, please contact customer support.

8. SPECIFICATIONS

Feature	Detail
Model Number	AWC-RH-UC6-V30
Dimensions (W x D x H)	29-3/4" x 19-3/4" x 6"
Item Weight	38.1 lbs
