# Polibi Farmhouse Hall Tree User Manual

Model: B0F26MH1VC

Brand: Polibi

## INTRODUCTION

This manual provides essential information for the assembly, operation, and maintenance of your Polibi Farmhouse Hall Tree. Please read this manual thoroughly before assembly and retain it for future reference. This hall tree is designed to provide a functional and stylish storage solution for your entryway, mudroom, or living room, integrating a coat rack, storage shelves, and a bench seat.

## SAFETY INFORMATION

Your safety and the proper use of this product are paramount. Please adhere to the following safety guidelines:

- Anti-Tipping Device:** Always secure the hall tree to the wall using the provided anti-tipping device to prevent accidental tipping, especially in households with children or pets.
- Weight Distribution:** Distribute weight evenly across shelves and hooks. Avoid placing excessively heavy items on any single point.
- Clearance:** Keep storage compartments and hooks clear of sharp or oversized objects that could cause injury or damage.
- Heat Sources:** Position the hall tree away from direct heat sources, such as radiators or fireplaces, to prevent material damage or warping.
- Children's Safety:** Do not allow children to climb on or play unsupervised around the hall tree. Ensure all components are securely fastened.

This image illustrates the importance of the anti-tipping device. On the left, a metal bracket is shown securely fastened to the wall and the furniture, indicating proper installation. On the right, a diagram depicts a person falling as a piece of furniture tips over, highlighting the risk without the anti-tipping device. This device enhances safety and stability, preventing potential hazards.

## PRODUCT FEATURES

The Polibi Farmhouse Hall Tree offers a blend of aesthetic appeal and practical functionality:

- **Unique Farmhouse Retro Style:** Features a distinctive walnut-colored roof and seat bench, complemented by an X-shaped pattern design on the back panel, enhancing its rustic charm.
- **Adjustable Shelves & Ample Storage:** Equipped with 16 open compartments for storage baskets and daily necessities. The bottom section includes six adjustable shelves for shoes of various sizes.
- **Multi-functional 4-in-1 Design:** Integrates hooks for coats, a comfortable bench seat, a convenient side umbrella holder, and shoe cabinets, providing comprehensive storage.
- **Robust and Long-lasting Construction:** Primarily crafted from durable MDF and particle board, with sturdy rectangular

solid wood feet and anti-tipping devices for enhanced stability and safety.

# Multi-functional 4-in-1 Design

The free-standing entrance hall tree seamlessly integrates hooks, bench, umbrella holder, and shoe cabinets, offering an extensive array of storage options for your living room and entrance area.

This image highlights the multi-functional 4-in-1 design of the hall tree. It shows the overall structure with callouts for the coat hooks, bench, umbrella holder, and shoe storage, emphasizing its versatile utility for an entryway.

# Adjustable Shelves & Ample Storage

This product is equipped with 16 open compartments on the top and bottom, providing ample space for storing storage baskets and other daily necessities with ease.

## SETUP AND ASSEMBLY

The Polibi Farmhouse Hall Tree requires assembly. Please follow the step-by-step instructions provided in the separate assembly guide included with your product packaging. Ensure all parts are present before beginning assembly. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

- Unpack all components and verify against the parts list in the assembly guide.
- Use only the hardware provided.
- Assemble the unit in the intended location or near it, as moving a fully assembled unit may be challenging.
- Securely attach the anti-tipping device to a wall stud as per the assembly instructions to ensure stability.

## OPERATING INSTRUCTIONS

Once assembled, your hall tree is ready for use:

- **Coat Hooks:** Utilize the six metal hooks to hang coats, jackets, hats, scarves, and bags. Avoid overloading individual hooks.
- **Bench Seat:** The sturdy bench provides a convenient spot for sitting while putting on or taking off shoes.
- **Shoe Storage:** Organize footwear in the lower compartments. Adjust the shelves as needed to accommodate different shoe heights.
- **Upper Storage:** Use the open compartments on top for decorative items, small storage baskets, or frequently accessed essentials.
- **Umbrella Holder:** The integrated side rack is ideal for hanging umbrellas or other long, slender items.

## MAINTENANCE AND CARE

---

To ensure the longevity and appearance of your Polibi Farmhouse Hall Tree, follow these maintenance tips:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals, abrasive cleaners, or excessive moisture, which can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or water damage to the wood and engineered wood components.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain structural integrity.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the finish.

## TROUBLESHOOTING

---

If you encounter any issues with your hall tree, consider the following common solutions:

- **Wobbling/Instability:**
  - Ensure all assembly screws are fully tightened.
  - Verify that the anti-tipping device is correctly installed and securely anchored to the wall.
  - Check if the floor surface is even. Use furniture pads or shims if necessary to level the unit.
- **Damaged Parts:** If any part arrives damaged or breaks during assembly/use, refer to the contact information in the Warranty and Support section for replacement parts.
- **Difficulty Adjusting Shelves:** Ensure shelves are aligned with the pre-drilled holes and that no obstructions prevent smooth adjustment.
