Csasan T70

Csasan T70 Smart Watch User Manual

Model: T70

1. Introduction

This manual provides detailed instructions for the Csasan T70 Smart Watch. Please read this manual carefully before using the product to ensure proper operation and to maximize its features. The Csasan T70 Smart Watch is designed to enhance your daily life with its advanced health monitoring, communication, and fitness tracking capabilities.

2. What's in the Box

Upon opening your Csasan T70 Smart Watch package, please verify that all the following items are included:

- Smart watch x 1
- Magnetic charger x 1
- User manual x 1

3. Setup

3.1 Charging the Smart Watch

Before first use, fully charge your Csasan T70 Smart Watch. Connect the magnetic charger to the charging points on the back of the watch and plug the USB end into a power source (e.g., computer USB port, USB wall adapter). A full charge typically takes approximately 2 hours.

3.2 App Download and Pairing

To unlock the full functionality of your smart watch, download the "Gloryfit" app on your smartphone. The app is compatible with Android 5.0 and above, and iOS 9.0 and above.

1. **Download App:** Search for "Gloryfit" in your phone's app store (Google Play Store for Android, Apple App Store for iOS) and install it.
2. **Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
3. **Pairing:** Open the Gloryfit app, navigate to the device section, and search for your T70 smart watch (it may appear as T70 (ID-XXXX)). Select it to initiate pairing. Confirm the pairing request on both your phone and the watch.

3.3 Bluetooth Call Connection (for iOS 13.0 and below)

For older iOS versions (13.0 and below), an additional step is required for the call function:

1. After initial pairing, swipe right on the watch screen to access the quick settings and turn on the "Phone" function switch.

2. Go to your phone's Bluetooth settings.
3. Find "T70 (ID-XXXX)" in the list of available devices and click to connect.

4. Operating the Smart Watch

4.1 1.91-Inch HD Touch Screen & Customization

The Csasan T70 features a 1.91-inch HD full touch display. You can adjust brightness and customize your watch face using the Gloryfit app. Choose from over 100 built-in watch faces or upload your own photos for a personalized experience.

4.2 Wireless Calls and Message Push

Stay connected by answering and making calls directly from your wrist. The watch offers clear speaker sound quality and allows you to sync mobile contacts. It supports full-network message push notifications from various apps (e.g., Instagram, YouTube, Messenger, Gmail, Snapchat, Facebook, Twitter, WhatsApp). *Note: The smart watch cannot reply to messages.*

4.4 Heart Rate Monitor and Sleep Tracker

Equipped with a high-performance sensor, the watch monitors your heart rate 24/7 in real-time. It also automatically tracks your sleep patterns (awake, light, and deep sleep) to help you understand and improve your sleep habits. *Note: Data is for reference only and should not be used for medical diagnosis.*

4.6 Other Multifunctions

The Csasan T70 Smart Watch includes a variety of other useful features:

- **Weather Forecast:** Get real-time weather updates.
- **Sedentary Reminder:** Alerts you to move after periods of inactivity.
- **Stopwatch & Timer:** For precise timekeeping.
- **Alarm Clock:** Set multiple alarms.
- **Female Cycle Tracking:** Monitor menstrual cycles.
- **Find Phone:** Helps locate your misplaced smartphone.
- **Camera Remote Control:** Use your watch to trigger your phone's camera shutter.
- **Breath Training:** Guided breathing exercises.
- **Flashlight:** Utilize the screen as a light source.
- **Calculator:** Basic arithmetic functions.

5. Maintenance

5.1 IP68 Waterproof Rating

The Csasan T70 Smart Watch is IP68 waterproof, making it resistant to sweat, rain, and splashes from daily activities like hand washing. It is suitable for most sports enthusiasts' daily needs. *Note: Do not use the watch in hot water, saunas, or for prolonged soaking, as this may affect its waterproof integrity and lifespan.*

5.2 Battery Life

The watch offers a long battery life with approximately 5-7 days of average usage and up to 30 days of standby time. Regular charging (approx. 2 hours) is recommended to maintain optimal performance.

6. Troubleshooting

If you encounter issues with your Csasan T70 Smart Watch, please refer to the following common solutions:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the magnetic charger and allow it to charge for at least 30 minutes before attempting to power it on.
- **Unable to pair with phone:**
  - Ensure Bluetooth is enabled on your phone and the watch.
  - Make sure the watch is within Bluetooth range of your phone.
  - Restart both your phone and the watch.
  - Clear Bluetooth cache on your phone (if applicable) and try pairing again.
  - Ensure the Gloryfit app is updated to the latest version.
- **Notifications not appearing:**
  - Check notification permissions for the Gloryfit app in your phone's settings.
  - Ensure notification push is enabled within the Gloryfit app for desired applications.
  - Verify the watch is properly connected via Bluetooth.

- **Inaccurate health data:**
  - Ensure the watch is worn snugly on your wrist, not too loose or too tight.
  - Clean the sensor on the back of the watch regularly.
  - Remember that health data is for reference only and not for medical purposes.
- **Short battery life:**
  - Reduce screen brightness.
  - Decrease screen-on time.
  - Limit continuous heart rate monitoring or turn off features not frequently used.
  - Ensure background app refresh for Gloryfit is optimized on your phone.

If the issue persists, please contact customer support for further assistance.
