2. SAFETY INFORMATION

- Ensure all components are securely fastened before use.
- Do not exceed the recommended weight capacity for seating or the sofa bed.
- Keep children and pets away from the assembly area.
- Avoid placing hot items directly on the fabric.
- Use caution when operating the pull-out sofa bed mechanism to prevent pinching.
- Only use the provided charging ports for compatible devices.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Sectional Sofa Components (various sections, arms, backrests)
- Storage Ottoman
- Three Back Pillows
- Assembly Hardware (screws, bolts, tools if included)
- Instruction Manual

4. SETUP & ASSEMBLY

Follow these steps to assemble your sectional sofa. It is recommended to have two people for assembly.

4.1 Unpacking and Preparation

1. Carefully remove all components from the packaging.
2. Place all parts on a clean, soft surface to prevent scratches.
3. Identify all components and hardware using the parts list (if provided separately).

4.2 Assembling the Sectional Sofa

Connect the individual sofa sections according to the desired configuration. Ensure all connecting brackets are properly aligned and secured. Attach the backrests and arms as per the design.

Image: Visual guide demonstrating how the movable ottoman can be repositioned to create various sofa configurations, including a standard sectional, a U-shape, and a sofa with an extended chaise or bed. This illustrates the versatility of the design.

4.3 Attaching Legs (if applicable)

If legs are separate, carefully attach them to the designated points on the bottom of each sofa section and the ottoman. Ensure they are tightened securely.

4.4 Placing Pillows

Place the three included back pillows on the sofa for comfort and support.

5. OPERATING INSTRUCTIONS

5.1 Converting to Sofa Bed

To convert the sectional into a sofa bed, locate the two straps on the pull-out section. Gently pull the straps outwards and upwards to extend the bed mechanism. The smooth wheels will assist in this process. Ensure the bed is fully extended

and locked into place before use.

Image: The sectional sofa transformed into a full sofa bed, demonstrating its functionality for accommodating guests. The image shows the extended sleeping surface within a typical living room environment.

5.2 Using the Storage Ottoman

The ottoman features a hinged lid for storage. Lift the lid to access the internal compartment. This space is suitable for storing blankets, magazines, or other small items. Close the lid securely after use.

1

Charging Devices

2 USB ports and 2 power sockets allow you to charge your devices by your side.

2

Movable Storage Ottoman

Keeps essential items within reach.

3

Ergonomical Back Pillows

Provide excellent support for your lumbar and back.

5.3 Utilizing Charging Devices

Your sectional sofa is equipped with 2 USB ports and 2 power sockets. To use them, ensure the sofa is connected to a power outlet. Plug your devices into the appropriate ports for charging.

6. MAINTENANCE

6.1 Fabric Care (Tweed Chenille)

- **Regular Cleaning:** Vacuum the fabric regularly using an upholstery attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub. For stubborn stains, use a mild fabric cleaner specifically designed for chenille, testing on an inconspicuous area first.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading.

Image: A detailed close-up view of the grey tweed chenille fabric, showcasing its texture and weave. This image helps users identify the material for proper care and maintenance.

6.2 Pillow Care

The back pillows feature removable covers. Unzip the covers for cleaning. Follow the care instructions on the pillow cover label. Typically, machine wash cold on a gentle cycle and tumble dry low, or air dry.

6.3 General Care

- Periodically check and tighten all assembly hardware.
- Ensure the sofa bed mechanism operates smoothly. If it becomes stiff, check for obstructions.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Sofa sections are not aligning properly.	Connecting brackets are misaligned or not fully engaged.	Re-align sections and ensure brackets slide into place. Apply gentle pressure.
Sofa bed mechanism is stiff or difficult to pull out.	Obstruction under the mechanism; mechanism not lubricated; wheels are stuck.	Check for any objects blocking the mechanism. Ensure wheels are clean. If needed, apply a silicone-based lubricant to moving parts.
Charging ports (USB/Power) are not working.	Sofa not plugged into a wall outlet; wall outlet is not active; device cable is faulty.	Verify the sofa's power cord is securely plugged into a functional wall outlet. Test the outlet with another device. Try a different charging cable.
Ottoman lid does not close properly.	Items inside the ottoman are obstructing the lid.	Rearrange or remove items from the storage compartment to allow the lid to close flush.
