# Generic Twin Size Upholstered Daybed with Trundle Instruction Manual

Model: B0F272WFTR

## INTRODUCTION

Thank you for purchasing the Generic Twin Size Upholstered Daybed with Trundle. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

This daybed features a sturdy wood frame, elegant tufted button detailing, and copper nailhead trim on the arms, designed to offer both comfort and style. The integrated trundle provides an additional sleeping surface, making it ideal for guest rooms or multi-functional spaces.

## IMPORTANT SAFETY INFORMATION

- Always assemble the daybed on a soft, clean surface to prevent damage to the product or your floor.
- Ensure all parts are securely fastened before use. Periodically check and tighten all connections.
- Do not allow children to climb or play on the daybed or trundle without supervision.
- Keep small parts away from children during assembly to prevent choking hazards.
- Do not exceed the recommended weight capacity for the daybed or trundle.
- Use only mattresses of the appropriate size for the daybed and trundle.
- Avoid placing the daybed near heat sources or in direct sunlight to prevent material degradation.

## PACKAGE CONTENTS

Please verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Daybed Frame (Headboard, Footboard, Side Rails)
- Trundle Frame
- Wood Slat Support System
- Hardware Pack (screws, bolts, washers, Allen wrench)

## SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your daybed. It is recommended to have two people for assembly.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface and compare them with the "Package Contents" list to ensure everything is present.
2. **Assemble the Daybed Frame:**
  - a. Attach the side rails to the headboard and footboard using the provided bolts and washers. Do not fully tighten yet.
  - b. Ensure the tufted button and copper nailhead arms are facing outwards as desired.

Image: View of the daybed frame components, including the headboard, footboard, and side rails, ready for assembly.

### 3. Install the Slat Support System:

- a. Place the wooden slats across the side rails. Secure them using the provided screws. Ensure even spacing for optimal mattress support.

Image: Close-up view of the daybed frame showing the wooden slats properly installed across the support beams.

### 4. Assemble the Trundle Frame:

- a. Assemble the trundle frame according to the separate instructions or diagrams provided in the hardware pack. This typically involves attaching the wheels and side panels.
- b. Install the trundle slats in the same manner as the main daybed slats.

Image: Underside view of the daybed, revealing the structure of the trundle frame and its wooden slats.

5. **Final Tightening:** Once all components are in place, fully tighten all bolts and screws. Do not overtighten.
6. **Position Trundle:** Slide the assembled trundle unit under the main daybed frame.

## OPERATING INSTRUCTIONS

---

### Using the Trundle Bed

1. **To Extend the Trundle:** Gently pull the trundle unit from underneath the main daybed frame. The wheels will allow it to slide out smoothly.
2. **To Retract the Trundle:** Push the trundle unit back into its position under the main daybed until it is fully nested.

Image: The trundle bed fully extended from beneath the main daybed, ready for use.

Image: The trundle bed neatly retracted and stored under the main daybed, saving space.

## MAINTENANCE AND CARE

- **Cleaning:** For the upholstered fabric, gently spot clean with a damp cloth and mild detergent. Blot dry

immediately. Do not use harsh chemicals or abrasive cleaners.

- **Dusting:** Regularly dust the frame with a soft, dry cloth.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading of the upholstery.
- **Spills:** In case of spills, clean immediately to prevent staining.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
<b>Daybed feels wobbly or unstable.</b>	Loose hardware connections.	Check and tighten all bolts and screws. Ensure all parts are correctly aligned.
<b>Trundle does not slide smoothly.</b>	Obstruction under the daybed; wheels are dirty or damaged; trundle frame misaligned.	Clear any obstructions. Clean trundle wheels. Check trundle assembly for proper alignment and ensure wheels are securely attached.
<b>Squeaking noises.</b>	Loose connections; friction between wood slats and frame.	Tighten all hardware. If squeaking persists, apply a small amount of furniture wax or felt pads where slats meet the frame.
<b>Upholstery is stained.</b>	Spill or dirt accumulation.	Spot clean immediately with a damp cloth and mild detergent. Avoid rubbing vigorously.
