Vonaural Bluetooth headphones

Vonaural Active Noise Cancelling Headphones User Manual

Model: Bluetooth headphones | Brand: Vonaural

INTRODUCTION

Thank you for choosing the Vonaural Active Noise Cancelling Headphones. These headphones are designed to provide an immersive audio experience with advanced noise cancellation, crystal-clear calls, and all-day comfort. Featuring the latest Bluetooth 5.4 technology, they offer seamless connectivity and superior sound quality for travel, office, or home use.

KEY FEATURES

- **Industry-Leading 96.6% Noise Cancellation:** Equipped with advanced Active Noise Cancelling (ANC) technology, these wireless Bluetooth headphones can reduce up to 96.6% of external noise.
- **Hi-Fi Stereo Sound with Rich Deep Bass:** Designed with large-aperture 40mm drivers and precision-engineered acoustic chambers, delivering true Hi-Fi stereo audio with punchy bass, crisp mids, and sparkling highs.

- **ENC Microphone for 2X Clearer Voice Calls:** The built-in ENC (Environmental Noise Cancellation) microphone picks up your voice accurately while minimizing ambient noise, providing twice the clarity for calls.
- **All-Day Comfort & Lightweight Design:** Crafted with ultra-soft protein leather ear cups and an ergonomic headband for zero pressure on your ears during long listening sessions.
- **Latest Bluetooth 5.4 for Seamless Connectivity:** Offers faster and more stable pairing with low latency and enhanced signal strength for uninterrupted music and calls up to 33ft.

Why Choose Our Headphones?

	
OUR	OTHERS
 Active Noise Cancelling (ANC)	Passive Isolation Only
 Hi-Fi Stereo Sound	Standard Tuning
 Memory Foam Ear Cups	May Cause Ear Fatigue
 Bluetooth 5.4	Bluetooth 5.0

WHAT'S IN THE BOX

Upon opening your Vonaural Active Noise Cancelling Headphones package, you should find the following items:

- Vonaural Active Noise Cancelling Headphones
- USB-C Charging Cable
- 3.5mm Audio Cable (for wired connection)
- User Manual (this document)

PRODUCT OVERVIEW: CONTROLS AND PORTS

Familiarize yourself with the various buttons and ports on your Vonaural headphones for optimal use.

Power Button: Located on the right earcup, used for powering on/off and Bluetooth pairing.

Volume Up/Next Track Button (+): Increases volume with a short press, skips to next track with a long press.

Volume Down/Previous Track Button (-): Decreases volume with a short press, goes to previous track with a long press.

Multi-function Button: Controls play/pause, answer/end calls.

ANC (Active Noise Cancellation) Button: Toggles ANC mode on/off.

USB-C Charging Port: For charging the headphones.

3.5mm Audio Jack: For wired audio connection.

LED Indicator: Displays power, pairing, and charging status.

Microphone: Built-in ENC microphone for clear voice calls.

SETUP GUIDE

1. Charging Your Headphones

Before first use, fully charge your headphones. Connect the provided USB-C charging cable to the charging port on the headphones and the other end to a USB power source (e.g., wall adapter, computer USB port). The LED indicator will show charging status and turn off or change color when fully charged.

Image: Visual representation of the headphones' 30-hour playtime, indicating long battery life.

2. Bluetooth Pairing

1. Ensure the headphones are turned off.
2. Press and hold the Power button for approximately 3-5 seconds until the LED indicator flashes blue and red, indicating pairing mode.

3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for new devices.
4. Select "Vonaural Headphones" (or similar name) from the list of available devices.
5. Once connected, the LED indicator will turn solid blue or flash slowly, and you will hear a confirmation tone.

The headphones will automatically reconnect to the last paired device when powered on, if the device's Bluetooth is active and within range.

OPERATING INSTRUCTIONS

Power On/Off

- **Power On:** Press and hold the Power button for 2 seconds.
- **Power Off:** Press and hold the Power button for 3 seconds.

Music Playback

- **Play/Pause:** Short press the Multi-function button.
- **Volume Up:** Short press the "+" button.
- **Volume Down:** Short press the "-" button.
- **Next Track:** Long press the "+" button.
- **Previous Track:** Long press the "-" button.

Image: Detailed view of the 40mm dynamic drivers, emphasizing the Hi-Fi stereo sound and deep bass capabilities.

Call Management

- **Answer/End Call:** Short press the Multi-function button.
- **Reject Call:** Long press the Multi-function button.

Active Noise Cancellation (ANC)

The Vonaural headphones feature advanced ANC technology to significantly reduce ambient noise.

- **Activate/Deactivate ANC:** Press the dedicated ANC button. The LED indicator will illuminate when ANC is active.

The advertisement features a pair of black over-ear headphones in the center. To the left, a dense, vertical stream of white binary code (0s and 1s) represents 'Noise'. To the right, a thin, horizontal line of blue binary code represents 'Reduction'. A large, bold, yellow arrow points downwards from the 'Noise' side to the 'Reduction' side, with the text '96.6%' next to it. Below the headphones, the text 'ENC Chip Inside World Off. Music On.' is written in a large, bold, yellow font. Underneath that, 'Enjoy 96.6% Pure Silence Anywhere' is written in a smaller, white font. The background is a dark brown grid pattern.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the headphones. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, store the headphones in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Avoid Moisture:** Do not expose the headphones to water or excessive moisture.
