2. SAFETY INFORMATION

Please read and understand all safety information before beginning assembly.

- **Small Parts Warning:** This product contains small parts and is not suitable for children under 3 years of age due to choking hazards.
- **Adult Supervision:** Adult supervision is recommended for children aged 6-12 during assembly to ensure proper handling of small pieces and to assist with complex steps.
- **Material Safety:** The building blocks are made from high-quality, durable, and eco-friendly ABS plastic materials. They are non-toxic and have no pungent odor.
- **Handling:** Avoid placing pieces in the mouth. Keep all packaging materials away from children.

3. PACKAGE CONTENTS

Verify that all components are present before starting assembly.

- 917 x Mini Building Blocks
- 1 x Detailed Color Instruction Manual

- 1 x Sheet of Stickers

If any parts are missing or damaged, please contact customer support.

4. ASSEMBLY INSTRUCTIONS

Follow the steps outlined in the included detailed color instruction manual for a smooth assembly process. The building block parts are designed to fit well and are not easy to loosen when correctly assembled.

1. **Preparation:** Open all block bags and sort the pieces by color and shape. This will significantly aid in locating the correct parts during each step.
2. **Follow the Manual:** Refer to the detailed color instruction manual provided. Each step clearly illustrates the required pieces and their placement.
3. **Layered Construction:** The model is designed with upper and lower layers that are assembled separately and then combined. Pay close attention to the connection points.
4. **Applying Stickers:** Use tweezers for precise application of the included stickers to enhance the model's details.
5. **Firm Connections:** Ensure each block is firmly connected to the previous one. While the pieces fit well, gentle but firm pressure is needed to secure them.

6. MAINTENANCE

Proper care will help maintain the appearance and integrity of your building set.

- **Cleaning:** Gently wipe the assembled model with a soft, slightly damp cloth to remove dust. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** When not on display, store the model in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or material degradation.
- **Handling:** Handle the model with care, especially when moving it, to prevent pieces from detaching.

7. TROUBLESHOOTING

If you encounter any issues during assembly or use, refer to the following common solutions.

Problem	Solution
Missing or damaged pieces	Carefully check all packaging. If pieces are genuinely missing or damaged, contact NEWABWN customer support for assistance.
Difficulty connecting pieces	Ensure pieces are correctly oriented according to the instruction manual. Apply gentle but firm pressure to secure connections. The mini blocks require precise alignment.
Model feels unstable or parts detach easily	Re-examine the connections of the affected sections. Ensure all blocks are fully pressed together. Some sections, especially during initial assembly, may be less stable until fully integrated.
Stickers not adhering properly	Ensure the surface is clean and dry before application. Use tweezers for better control and to avoid fingerprints.
