- Do not exceed the weight capacity: 265 lbs (120 kg) per chair and 66 lbs (30 kg) for the table.
- Assemble the furniture strictly according to the provided manual to ensure stability and safety.
- Keep the furniture clean and dry to prevent damage from harsh weather conditions.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- 2 x Armchairs

- 2 x Seat Cushions

SETUP AND ASSEMBLY

Assembly is required for this furniture set. Please follow the detailed instructions provided in the physical manual included with your product. General steps include:

1. Attach legs to the chair frames and table frame.
2. Secure the tempered glass top onto the table frame.
3. Place the seat cushions onto the assembled chairs.

Ensure all bolts are tightened securely but do not overtighten. It is recommended to assemble the furniture on a soft, clean surface to prevent scratches.

OPERATING AND USAGE

This 3-piece patio set is designed for comfortable outdoor lounging and conversation. The chairs feature soft padding cushions for enhanced comfort.

- **Chairs:** Use the armchairs for relaxing, reading, or conversing. The cushions provide additional comfort.
- **Table:** The two-tier glass-top table provides a surface for drinks, snacks, or small items. The bottom shelf offers additional storage space.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your patio furniture:

- **Cleaning:** Wipe the furniture with a dry cloth. For the glass tabletop, a simple wipe after rain or spills is sufficient.
- **Cushions:** The splash-resistant cushion covers are removable and washable. Follow the care instructions on the cushion labels for cleaning.
- **Weather Protection:** The PE rattan wicker is resistant to rust, mild weather elements, and UV damage. However, to extend the life of the furniture, consider using an outdoor furniture cover during harsh weather or prolonged periods of non-use.
- **Inspection:** Periodically inspect all nuts and bolts to ensure they remain tight. Retighten as necessary.
