ODK 55 Inch Carbon Fiber Black

ODK 55 Inch Gaming Desk User Manual

Model: 55 Inch Carbon Fiber Black

1. Introduction

Thank you for choosing the ODK 55 Inch Gaming Desk. This U-shaped computer desk is designed to provide an expansive and organized workspace for gaming, work, and creative pursuits. It features integrated LED lighting, a built-in power outlet, and ample storage solutions to enhance your setup. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your desk.

2. Safety Information

Please read and understand all safety instructions before assembling or using the desk. Failure to follow these instructions may result in injury or damage to the product.

- **Assembly:** Assemble the desk on a soft, clean surface to prevent scratches. Ensure all screws and fasteners are securely tightened before use. Do not overtighten.
- **Weight Capacity:** Do not exceed the recommended weight capacity for the desktop and shelves. Distribute weight evenly.
- **Electrical Safety:** The built-in power outlet is designed for standard household use. Do not overload the outlets. Avoid spilling liquids near the power outlet or LED strip. Disconnect power before cleaning or if any electrical component is damaged.
- **Stability:** Place the desk on a level surface. Use the adjustable foot pads to ensure stability and prevent wobbling.
- **Children and Pets:** Keep small parts and packaging materials away from children and pets.

3. Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact ODK customer support.

- Desktop Panels (U-shaped sections, monitor stand)
- Metal Frame Components (legs, support bars, shelf frames)
- Built-in Power Outlet (with 3 AC ports and 2 USB ports)
- LED Light Strip (with remote/controller)
- Headphone Hook
- Adjustable Foot Pads
- Assembly Hardware (screws, nuts, bolts, Allen wrench)
- Instruction Manual (this document)

4. Setup and Assembly

Assembly of the ODK Gaming Desk is designed to be straightforward. It is recommended to have two people for easier assembly. Please follow the step-by-step instructions provided in the included assembly guide for detailed diagrams.

1. **Prepare Workspace:** Clear a spacious area and lay out all components on a soft, clean surface to prevent damage.
2. **Assemble Frame:** Begin by assembling the metal frame components according to the diagrams. Ensure all connections are secure but do not fully tighten screws until all major components are in place.
3. **Attach Desktop Panels:** Carefully place the U-shaped desktop panels onto the assembled frame. Secure them using the provided hardware.
4. **Install Monitor Stand:** Attach the elevated monitor stand to the main desktop section. This stand helps raise your monitors to an ergonomic eye level.
5. **Integrate Power Outlet:** Install the built-in power outlet into its designated slot on the desktop. Connect the power cable.
6. **Attach LED Strip:** Adhere the LED light strip to the underside of the monitor stand or desired location. Connect it to the power source and controller.
7. **Add Storage Shelves:** Assemble and attach the side storage shelves. Note that these shelves are moveable and can be installed on either the left or right side for flexible storage.
8. **Install Headphone Hook:** Attach the headphone hook to a convenient location on the desk frame.
9. **Final Tightening and Adjustment:** Once all components are in place, fully tighten all screws. Adjust the foot pads to level the desk and ensure stability on uneven floors.

5. Operating Instructions

The ODK Gaming Desk includes integrated features for enhanced functionality.

5.1. LED Lights Operation

The desk features customizable RGB LED lights with 10 vibrant colors and 20 dynamic lighting modes.

- **Power On/Off:** Use the power button on the LED controller to turn the lights on or off.
- **Change Colors:** Press the color selection button to cycle through the 10 available colors.
- **Change Modes:** Press the mode button to switch between the 20 dynamic lighting effects (e.g., static, fade, strobe, rainbow).

- **Adjust Brightness:** Use the brightness control buttons to increase or decrease the intensity of the lights.

5.2. Power Outlet Usage

The built-in power outlet provides convenient access to power for your devices.

- **AC Ports:** Plug in your monitors, PC, or other AC-powered devices into the 3 AC outlets (125V/2A).
- **USB Ports:** Use the 2 USB ports (5V/2A) to charge your smartphones, tablets, or other USB-powered accessories.
- **Safety:** Ensure devices are compatible with the provided voltage and current. Do not exceed the maximum power rating of the outlet.

6. Maintenance

Regular maintenance will help keep your ODK Gaming Desk in excellent condition.

- **Cleaning:** Wipe the carbon fiber surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish. For the metal frame, use a mild detergent solution if necessary.
- **Dusting:** Regularly dust the desk, especially around the LED strip and power outlet, to prevent dust buildup.
- **Tightening:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Liquid Spills:** In case of liquid spills, immediately wipe them dry to prevent damage to the desk surface or electrical components.

7. Troubleshooting

If you encounter any issues with your ODK Gaming Desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Desk is wobbly/unstable.	Uneven floor; loose fasteners.	Adjust the foot pads to level the desk. Check and tighten all assembly screws.
LED lights are not working.	Power not connected; faulty connection; controller issue.	Ensure the LED strip is properly plugged into the power source and controller. Check for loose connections. Try pressing the power button on the controller.
Power outlet is not providing power.	Outlet not plugged into wall; circuit breaker tripped; faulty outlet.	Verify the desk's main power cord is securely plugged into a working wall outlet. Check your household circuit breaker. If the issue persists, contact customer support.
Scratches on the surface.	Rough handling; sharp objects.	The carbon fiber finish is scratch-resistant but not scratch-proof. Use mouse pads or desk mats to protect the surface.

If the problem persists after attempting these solutions, please contact ODK customer support for further assistance.

8. Specifications
