› **LOVENSE Lush Mini Discreet Egg Vibrator, Remote Control Female Sex Toys 10,000+ Powerful Vibrations Modes Wearable Small G-spot Stimulator for Beginner Waterproof Quiet Portable for Travel User Manual**

### LOVENSE Lush Mini

## LOVENSE Lush Mini Discreet Egg Vibrator User Manual

Brand: LOVENSE | Model: Lush Mini

### INTRODUCTION

---

The LOVENSE Lush Mini is a compact and powerful G-spot vibrator designed for discreet and versatile use. It features remote control capabilities via the Lovense Remote app, offering a wide range of customizable vibration patterns and interactive play options. Its small size and quiet operation make it suitable for both personal and shared experiences, bridging distances with seamless connectivity.

## SETUP

---

### Charging the Device

Before first use, fully charge your Lush Mini. The device features rapid charging, providing approximately 1 hour of playtime from just 7 minutes of charging. A full charge can offer up to 4 hours of playtime.

# Revolutionary Battery Upgrade

Uninterrupted fun with rapid charging

Charging Time: **40** Min

Use Time: Up to **350** Min

The Lush Mini supports rapid charging for extended playtime.

## Initial Connection and App Download

The Lush Mini is controlled via the Lovense Remote app. Download the app from your device's app store (available on iOS and Android). Ensure your device is charged and turned on by pressing and holding the head button. Open the app and follow the on-screen instructions to connect your Lush Mini via Bluetooth. The app provides stable and quick connectivity for seamless control.

# Hidden in a Mini Bullet Vibrator

**1.22-inch (31mm)**

diameter allows for easy insertion

**36dB**

Low noise level

**Deep Pleasure**

**7,000** vibrations per min

Control your Lush Mini using the intuitive Lovense Remote app on your smartphone.

## OPERATING INSTRUCTIONS

### App Control and Features

The Lovense Remote app unlocks the full potential of your Lush Mini. It allows you to:

- **Remote Control:** Adjust vibration intensity and patterns directly.

- **My Patterns:** Create and save your own custom vibration patterns.
- **Control Link:** Share control with a partner, enabling long-distance play.
- **Music Sync:** Sync vibrations to your favorite music for an immersive experience.

## Step 2 Connect

Open the Lovense APP, connect Lush mini, and explore endless play content and options.

Explore various modes and features within the Lovense Remote app.

### Vibration Modes and Intensity

The Lush Mini delivers powerful vibrations up to 7,000 vibes/min. Its design ensures it stays perfectly in place for targeted stimulation. The app provides precise control over intensity and allows you to explore a wide range of pre-set patterns or create your own.

### Customizable LED Lights

The Lush Mini features customizable LED tail lights that can be programmed to match your preference or mood. These lights add a visual element to your experience and can be disabled via the Lovense Remote app if desired.

# Craft Your Colors

Program the LED tail light to whatever matches your moment

Program the LED tail light to your preferred color or pattern using the app.

## Discreet and Versatile Use

The Lush Mini is designed for discretion, operating at a whisper-quiet 36dB. Its compact size and comfortable fit allow for hands-free use in various settings, from solo relaxation to shared experiences, including long-distance play.

**Solo Play**

**Couple Play**

**Long-distance Play**

**Outdoor Play**

The Lush Mini is designed for versatile use in solo, couple, long-distance, and outdoor settings.

## MAINTENANCE

### Cleaning

The Lush Mini is IPX7 waterproof, making it easy to clean. After each use, wash the device with warm water and a mild, toy-safe soap. Rinse thoroughly and allow it to air dry completely before storage.

### Storage

Store your Lush Mini in a clean, dry place away from direct sunlight and extreme temperatures. Keep it separate from other toys made of different materials to prevent material degradation.

## TROUBLESHOOTING

If you encounter any issues with your Lush Mini, please refer to the following common solutions:

Issue	Possible Solution
Device not turning on.	Ensure the device is fully charged. Press and hold the power button for a few seconds.
Cannot connect to app via Bluetooth.	Make sure Bluetooth is enabled on your phone. Restart the app and the Lush Mini. Ensure no other devices are connected to the Lush Mini. Try moving closer to the device.
Vibrations are weak or inconsistent.	Check battery level and recharge if necessary. Ensure the app is updated to the latest version.
App crashing or freezing.	Close and reopen the app. Restart your smartphone. Ensure your phone's operating system is up to date.

For further assistance, please refer to the Lovense Remote app's help section or contact LOVENSE customer support.
