LiuShan Compatible with Lenovo Idea Tab Pro TB373FU Case User Manual

Model: LS00903-2 | Brand: LiuShan

INTRODUCTION

This manual provides instructions for the LiuShan 360-Degree Rotation Stand PU Cover, designed specifically for the 12.7-inch Lenovo Idea Tab Pro TB373FU Tablet. This case offers comprehensive protection and versatile viewing options for your device.

SETUP

To install your tablet into the LiuShan case, follow these steps:

1. Gently align your 12.7-inch Lenovo Idea Tab Pro TB373FU Tablet with the case's frame.
2. Carefully press the tablet into the case, ensuring all corners and edges are securely seated within the protective frame.
3. Verify that all ports, buttons, and camera cutouts align correctly with your tablet's features.

OPERATING INSTRUCTIONS

360-Degree Rotation and Stand Function

The case features a unique 360-degree swivel design, allowing you to rotate your tablet to either vertical or horizontal viewing orientations. This provides flexibility for various activities such as reading, watching videos, or typing.

DUAL VIEWING MODE

The unique 360 degree swivel design allows you to prop up your device vertically or horizontally.

Image: Illustration of the dual viewing mode, demonstrating how the case rotates for both portrait and landscape orientations.

Additionally, the case includes a rotatable kickstand with three distinct stand angles (approximately 100°, 80°, and 60°). To adjust the viewing angle, simply position the tablet's edge into one of the three grooves on the case's interior cover. This allows for comfortable hands-free viewing.

Secure Closure

When not in use, the case can be securely closed using the integrated elastic band. Wrap the band around the back cover to hold the tablet closed, protecting the screen and device from accidental opening.

Wraps around the back cover, holds tablet closed securely when not in use

Stylus Loop Design

The case includes a convenient stylus loop, allowing you to keep your stylus (not included) readily accessible. This loop is designed to hold most standard-sized styluses securely.

Stylus Loop Desing

MAINTENANCE

To ensure the longevity and appearance of your LiuShan tablet case, follow these maintenance guidelines:

- **Cleaning:** Wipe the exterior surface with a soft, slightly damp cloth. Avoid using harsh chemicals, abrasive cleaners, or solvents, as these may damage the PU leather material.
- **Interior Care:** The soft microfiber interior helps protect your tablet's screen from scratches. Keep the interior free of dust and debris by gently wiping it with a dry, soft cloth.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Avoid Damage:** Protect the case from sharp objects, excessive force, and prolonged exposure to moisture.

High Quality Material & Craftsmanship

Soft microfiber Interior
Protect the screen from scratches

High Quality Exterior
Against daily wear and tear

TROUBLESHOOTING

If you encounter any issues with your LiuShan tablet case, consider the following:

- **Tablet Does Not Fit:** Ensure your tablet is the correct model (12.7-inch Lenovo Idea Tab Pro TB373FU). This case is specifically designed for this model and may not fit others.
- **Stand Instability:** Make sure the tablet is properly seated in one of the three grooves for the stand function. Adjust the position until it feels stable.
- **Case Not Closing Securely:** Ensure no foreign objects are preventing the case from closing fully. Use the elastic band to secure the cover when not in use.

For further assistance, please refer to the contact information provided by your retailer or the manufacturer.
