1. PRODUCT OVERVIEW

This manual provides instructions for the ovios 9-Piece Patio Furniture Set, a modular outdoor conversation set designed for comfort and versatility. It includes an L-shape sofa chaise, swivel glider chairs, a glass table, and a fire pit table.

Key Features:

- **Modular Combination:** The outdoor sectional sofa can be separated into 6 single seats, allowing for flexible arrangement with included connecting clips.
- **Swivel Rocking Chairs:** Two full rotation patio glider chairs offer smooth 360-degree swivel and gentle rocking motion for relaxation.
- **Outdoor Fire Pit Table:** A 42-inch gas propane fire table with 55,000 BTU heat output, CSA certified for safety, and equipped with a flame adjustment device.
- **All-Weather Wicker Rattan:** Constructed with durable PE wicker rattan and a powder-coated steel frame for strength, stability, and weather resistance.
- **Comfortable Cushions:** Features weather-resistant olefin fabric cushion covers wrapped around a thick inner core for comfort, breathability, and lumbar support.

2. SAFETY INFORMATION

Please read all safety warnings and instructions carefully before assembly and use to prevent injury or damage.

- Always keep a safe distance from the fire pit table when in use.
- Never leave the fire pit unattended.
- Keep children and pets away from the fire pit table.
- Be cautious of sharp edges and moving parts during assembly.
- Do not expose the wicker and rattan materials to open flames or sparks.
- Ensure all connections are secure before using the furniture.
- Do not exceed the weight capacity of individual furniture pieces.
- Place the fire pit on a stable, non-combustible surface.
- Ensure adequate ventilation when operating the fire pit.

3. COMPONENTS LIST

The ovios 9-Piece Patio Furniture Set includes the following components. Please verify all parts are

present before beginning assembly.

- 1 x Armchair-R (Right Armchair)
- 1 x Armchair-L (Left Armchair)
- 1 x Armless Chair
- 2 x Swivel Chairs
- 1 x Ottoman
- 1 x Coffee Table
- 1 x Side Table
- 1 x Fire Pit Table
- Cushions for all seating components
- Connecting clips for modular arrangement
- Assembly hardware and tools

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this patio furniture set. Detailed instructions with images or diagrams are included in the product packaging. Please follow them carefully.

General Assembly Tips:

- Unpack all components and verify against the components list.
- Lay out all hardware and identify each piece. Spare parts are often included.
- It is recommended to have a second person for assembly, especially for larger pieces.
- While basic tools are provided, a power drill or power screwdriver with an H5 hex bit and a right-angle driver can expedite the process. Use the lowest torque setting to avoid overtightening.
- Ensure all screws are tightened securely but do not overtighten to prevent damage.
- For modular pieces, use the provided connecting clips to secure them together in your desired arrangement.
- The fire pit table assembly requires careful attention to gas connections. Refer to the specific fire pit manual for detailed safety and assembly steps.

Note: No official seller-provided assembly videos were found for this specific product. Please refer to the included paper manual for visual guidance.

5. OPERATING INSTRUCTIONS

Fire Pit Table Operation:

The 42-inch gas propane fire table is designed for outdoor use to provide warmth and ambiance. It has a 55,000 BTU heat output and is CSA certified for safety.

- **Gas Connection:** Connect a standard propane tank (not included) to the fire pit's gas line according to the fire pit's specific instructions. Ensure all connections are tight and leak-free.
- **Ignition:** Follow the fire pit's ignition procedure, typically involving opening the gas valve, pressing and holding the igniter button, and turning the control knob to the 'ON' position.
- **Flame Adjustment:** Use the flame adjustment device (control knob) to regulate the flame height and heat output.
- **Shut-off:** To turn off, close the gas valve on the propane tank first, then turn the fire pit's control knob to the 'OFF' position.
- **Cover:** A waterproof cover is included to protect the fire pit when not in use. Lava rock is also included for the burner area.

Swivel Glider Chair Operation:

The swivel glider chairs are designed for smooth 360-degree rotation and gentle rocking.

- Simply sit in the chair and gently push off the ground with your feet to initiate the rocking motion.
- The chair base allows for full rotation, enabling you to easily change your viewing direction.

6. MAINTENANCE

Wicker Rattan Care:

The PE wicker rattan is designed for all-weather use and is UV-resistant and anti-aging, providing a long service life.

- Clean the rattan regularly with a soft cloth, mild soap, and water.
- Avoid using harsh chemicals or abrasive cleaners, which can damage the material.
- Rinse thoroughly with clean water and allow to air dry.
- For prolonged outdoor exposure, consider using a furniture cover to protect against extreme weather conditions.

Cushion Care:

The cushions feature weather-resistant olefin fabric covers and a thick inner core for comfort and breathability.

- The cushion covers are typically removable and can be spot cleaned with a mild soap solution and a soft brush.
- For deeper cleaning, follow the care instructions on the cushion tags.
- Allow cushions to dry completely before storing or replacing them on the furniture to prevent mildew.
- Store cushions indoors during heavy rain or off-season to extend their lifespan.

7. TROUBLESHOOTING

Common Issues and Solutions:

- **Difficulty during assembly:** Ensure all parts are correctly oriented according to the diagrams. Do not fully tighten all screws until all components are loosely assembled. If a hole is obstructed by wicker, gently move the wicker aside.
- **Fire pit not igniting:** Check that the propane tank is full and properly connected. Ensure the gas valve on the tank is fully open. Verify that the igniter is sparking. Refer to the fire pit's specific manual for detailed ignition troubleshooting.
- **Unstable furniture:** Check that all screws are securely tightened. Ensure the furniture is placed on a level surface.
- **Cushions feel too firm/soft:** Cushion comfort is subjective. The cushions are designed with a thick inner core for support. Over time, cushions may soften slightly with use.

If you encounter issues not covered here, please contact customer support.

8. SPECIFICATIONS
