Medicube TXA Niacinamide Capsule Cream User Manual

Model: 8800256119660

1. PRODUCT OVERVIEW

The medicube Capsule Cream with TXA + Niacinamide is a dual radiance moisturizer designed to refine skin tone and texture. It is ideal for use after spot care and for addressing uneven skin tone, texture, and hydration. This Korean skincare product contains 99% pure Tranexamic Acid and 5% Niacinamide, formulated to enhance radiance and promote a smooth, glass-like complexion.

2. KEY FEATURES

- **Pop & Fade Technology:** Releases TXA Red Capsules into a Red Gel to refine skin tone and texture, enhancing radiance for a smooth, glass-like complexion.
- **Customizable Skincare:** Allows users to mix and blend the capsule-to-gel ratio for a stable, soothing blend that absorbs effortlessly for everyday use.
- **High-Potency Formula:** Contains 99% Purity Tranexamic Acid (TXA) and 5% Niacinamide to improve uneven skin tone and enhance clarity.
- **Lightweight & Deeply Hydrating:** Infused with Ceramide & Hyaluronic Acid to deliver a luminous, plump glow, enhancing the skin moisture barrier for long-lasting hydration.
- **Gentle for All Skin Types:** A mild, non-sticky formula suitable for all skin types, clinically tested for low irritation (0.00% skin irritation index).

Key Ingredients

99% Purity Tranexamic Acid (TXA)

Helps improve uneven skin tone for a visibly clearer, more luminous look

Niacinamide 5%

Revives dull-looking skin and leaves your complexion smooth, soft, and refreshed

Alpha-Arbutin & Glutathione

Boosts hydration and skin clarity, enhancing a healthy, natural glow

Capsule C

Clinically Proven Results

After Single Use

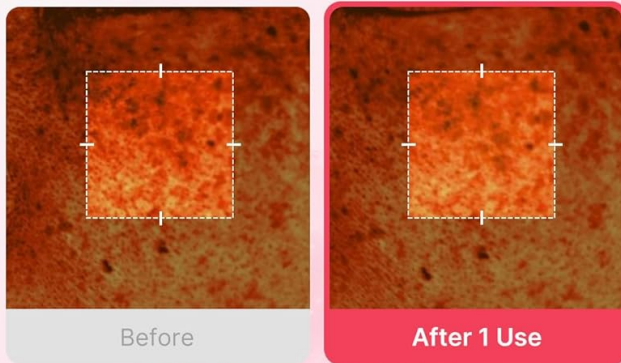

+46% Radiance

+41% Hydration

+5.4% Balanced Skin Tone

Powered by TXA + Niacinamide

Helps improve **uneven skin tone** and **texture**, and **revitalize dull skin**

*Clinical Trial Tested by the 'Global Institute of Dermatological Sciences.' / Results may vary depending on individual skin types

Image: Visual representation of clinically proven results, demonstrating improvements in radiance, hydration, and skin tone.

3. How to Use

1. **Preparation:** Ensure your face is clean and toned before application.
2. **Dispense:** Using the provided spatula, scoop a desired amount of the capsule cream. You can adjust the ratio of red gel to red capsules based on your skin type and needs.
3. **Mix (Optional):** Gently mix the capsules and gel on the back of your hand or directly on your face until the capsules burst and blend with the gel.
4. **Apply:** Gently spread the cream evenly across your face and neck. Pat lightly for better absorption.
5. **Frequency:** Use daily, both morning and night, as the final step in your skincare routine.

Lightweight & Customizable Capsule Cream

Tip: Adjust the capsule-to-gel ratio based on your skin type for the best results.

Oily Skin	 1 Gel	 1/2 Capsule
Dry Skin	 1 Gel	 1 Capsule
Combination Skin	 Oily area Gel	 Dry area Capsule

Image: Guide on customizing the capsule-to-gel ratio for different skin types (oily, dry, combination) to achieve optimal results.

4. WARNINGS AND PRECAUTIONS

- For external use only.
- Avoid direct contact with eyes. If contact occurs, rinse thoroughly with water.
- Discontinue use if irritation or rash appears. Consult a physician if symptoms persist.
- Keep out of reach of children.
- We recommend applying a small amount of the product behind your ear or on a small patch of skin to check for any allergic reactions before using it on your face.
- Store in a cool, dry place, away from direct sunlight.

5. INGREDIENTS

Active Ingredients: Tranexamic Acid (TXA), Niacinamide (5%).

6. PRODUCT SPECIFICATIONS

Specification	Detail
---------------	--------

Specification	Detail
Product Dimensions	2.24 x 3.07 x 3.07 inches
Item Weight	1.94 ounces (55 Grams)
Item Volume	1.94 Fluid Ounces
Item Model Number	8800256119660
Manufacturer	APR
Brand Name	medicube
Skin Type	All
Item Form	Cream
Product Benefits	Hydrating, Uneven Skin Tone Improvement
Active Ingredients	TXA

7. STORAGE

To maintain the efficacy and freshness of your Medicube TXA Niacinamide Capsule Cream, store it in a cool, dry place away from direct sunlight and extreme temperatures. Ensure the lid is tightly closed after each use to prevent contamination and product degradation.

8. TROUBLESHOOTING

- **Skin Irritation:** If you experience redness, itching, or discomfort, discontinue use immediately. Perform a patch test before reintroducing the product.
- **Lack of Results:** Consistent use is key for visible improvements. Ensure you are applying the product as directed and integrating it into a comprehensive skincare routine. Individual results may vary.
- **Product Texture:** The capsules are designed to burst upon application. If they do not blend easily, gently press them with the spatula or your fingertips before spreading.

9. WARRANTY AND SUPPORT

For any product-related inquiries, concerns, or support, please refer to the official Medicube website or contact their customer service. Information regarding product warranty, returns, and exchanges can typically be found on the retailer's website where the product was purchased or on the official Medicube brand store.

Visit the [Medicube Store on Amazon](#) for more products and information.

10. ENHANCE YOUR SKINCARE ROUTINE

Consider integrating the TXA Niacinamide Capsule Cream with other Medicube products for a specialized routine targeting dull skin and uneven skin tone.
