## Outsunny 107x65x80 cm

# Outsunny Wooden Rolling Serving Cart Instruction Manual

Model: 107x65x80 cm

## 1. INTRODUCTION

---

Thank you for choosing the Outsunny Wooden Rolling Serving Cart. This manual provides essential information for the safe assembly, operation, and maintenance of your new serving cart. Please read these instructions carefully before use and retain them for future reference.

## 2. SAFETY INSTRUCTIONS

- **Read all instructions:** Ensure you understand all assembly and usage instructions before operating the cart.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 50 kg per level. Overloading can cause instability and damage.
- **Stable Surface:** Always use the cart on a flat, stable, and level surface to prevent tipping.
- **Children and Pets:** Keep children and pets away from the cart during assembly and ensure they do not climb on or play with the cart.
- **Outdoor Use:** While suitable for outdoor use, protect the cart from extreme weather conditions to prolong its lifespan.
- **Assembly:** Assemble the cart according to the provided instructions. Ensure all fasteners are securely tightened before use.

- **Moving the Cart:** When moving the cart, ensure items are stable and secure to prevent spills or falls. Use the handle for controlled movement.

### 3. PACKAGE CONTENTS

---

Before assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Wooden Slatted Shelves (Top and Bottom)
- Metal Frame Components
- Universal Wheels (x2)
- Side Handle
- Hooks (x3)
- Bottle Holder
- Assembly Hardware (screws, bolts, wrench)

## 4. ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your Outsunny serving cart. It is recommended to have two people for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Frame:** Connect the metal frame components using the provided hardware. Do not fully tighten screws until all parts are aligned.
3. **Attach Shelves:** Secure the wooden slatted shelves to the metal frame. Ensure the top and bottom shelves are correctly oriented.
4. **Install Wheels:** Attach the two universal wheels to one end of the cart's base. Ensure they are securely fastened for smooth movement.
5. **Attach Handle and Accessories:** Secure the side handle to the frame. Attach the three hooks and the bottle holder

to their designated positions.

6. **Final Tightening:** Once all components are in place and aligned, fully tighten all screws and bolts. Do not overtighten.
7. **Stability Check:** Gently shake the assembled cart to ensure it is stable and all connections are secure.

## 5. OPERATING INSTRUCTIONS

### 5.1. Moving the Cart

The cart is designed for easy mobility with its two universal wheels and side handle.

- To move the cart, grasp the side handle firmly.
- Lift the end of the cart opposite the wheels slightly to engage the wheels.
- Push or pull the cart to your desired location.
- Ensure the path is clear of obstacles to prevent tipping or damage.

Image 5.1: Demonstrating the ease of movement with the cart's universal wheels and convenient side handle.

## 5.2. Storage and Organization

The cart offers ample storage for various items.

- Use the top slatted surface for serving food, drinks, or as a temporary workspace.
- The bottom shelf provides additional storage for larger items, baskets, or supplies.
- Utilize the three integrated hooks for hanging towels, utensils, or small accessories.
- The bottle holder is designed to secure bottles during transport or storage.

Image 5.2: The cart's storage capabilities, featuring two spacious shelves and three convenient hooks.

## 6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your serving cart.

- **Cleaning:** Wipe down the wooden surfaces with a damp cloth and mild soap. Dry immediately with a clean, soft cloth. For the metal frame, use a damp cloth. Avoid abrasive cleaners.
- **Wood Care:** The cart is made of solid wood. To maintain its appearance and protect it from the elements, consider applying a wood sealant or oil periodically, especially if used outdoors frequently.
- **Metal Frame:** The steel frame has a powder coating for weather resistance. Inspect for any chips or scratches and touch up with appropriate paint if necessary to prevent rust.
- **Hardware:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary.
- **Storage:** When not in use, especially during harsh weather conditions, store the cart in a dry, covered area to protect it from moisture and extreme temperatures.

## 7. TROUBLESHOOTING

If you encounter any issues with your serving cart, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Cart is wobbly or unstable.	Loose fasteners; uneven surface.	Ensure all screws and bolts are fully tightened. Move the cart to a flat, level surface.
Wheels do not roll smoothly.	Debris in wheels; loose wheel attachment.	Check wheels for any obstructions and remove them. Ensure wheels are securely attached to the frame.
Wood appears faded or dry.	Exposure to sun/weather; lack of treatment.	Clean the wood and apply a suitable outdoor wood sealant or oil. Store in a covered area when not in use.

## 8. SPECIFICATIONS
