## Igloo Trailmate 70 QT

# Igloo Trailmate Journey 70Qt Wheeled Cooler Instruction Manual

MODEL: TRAILMATE 70 QT

### INTRODUCTION

Thank you for choosing the Igloo Trailmate Journey 70Qt Wheeled Cooler. This insulated hard shell ice chest is designed for durability and convenience, offering superior ice retention and versatile features for all your outdoor adventures. This manual provides essential information for the proper setup, operation, maintenance, and troubleshooting of your new cooler.

## KEY FEATURES

- **Spacious 70-Quart Capacity:** Accommodates up to 112 cans, providing ample space for beverages and food.
- **All-Terrain Wheels:** Equipped with 10-inch, never-flat, smooth-ride wheels for superior traction and ground clearance on sand, gravel, and other challenging terrains.
- **Glide Handle:** Horizontal dual-trigger steel Glide handle with locking and telescoping functions for 50% easier pulling.
- **THERMECOOL Foam Insulation:** Innovative insulation technology for advanced ice retention, keeping contents cold for extended periods.
- **Suspended Interior Food Basket:** Keeps selected food items dry and elevated above ice.
- **Water-Resistant Storage Compartment:** Securely store valuables like phones and keys.
- **Removable Butler Tray:** Convenient serving table that stows in the lid.
- **Integrated Bottle Openers:** Built-in bottle openers on both sides for easy access.
- **Fishing Rod Holders:** Integrated holders for fishing rods or beach umbrellas.

- **Kangaroo Pouch:** External mesh storage pocket for additional items.

## SETUP

1. **Unpacking:** Carefully remove the cooler and all accessories from its packaging. Inspect for any damage.
2. **Initial Cleaning:** Before first use, clean the interior and exterior of the cooler with mild soap and warm water. Rinse thoroughly and allow to air dry.
3. **Handle Extension:** To extend the Glide handle, locate the dual-trigger buttons on the handle. Press both buttons simultaneously and pull the handle outwards until it locks into your desired position.
4. **Wheel Check:** Ensure the 10-inch all-terrain wheels are securely attached and rotate freely.

5. **Accessory Placement:** Place the suspended interior food basket inside the main compartment. The removable butler tray can be stored in the lid or attached to the handle when in use. The fishing rod holders slide into designated slots on the rear of the cooler.

## TRAILMATE® JOURNEY 70 QT COOLER

### OPERATING INSTRUCTIONS

#### Loading the Cooler

- For optimal ice retention, pre-chill the cooler before loading.
- Place ice or ice packs at the bottom, then layer beverages and food. Top with more ice.
- Utilize the suspended interior food basket for items you wish to keep dry and elevated from the ice.

#### Mobility and Transport

- Extend the Glide handle as described in the Setup section.
- Tilt the cooler back onto its large wheels and pull it to your desired location. The oversized wheels

are designed to navigate various terrains with ease.

### Using Storage Features

- **Water-Resistant Storage:** Located on the front of the cooler, this compartment is ideal for keeping small personal items like keys, wallets, or phones dry and secure.
- **Kangaroo Pouch:** The external mesh pocket provides quick access storage for items like sunscreen, magazines, or small towels.
- **Butler Tray:** The removable tray can be pulled out from the handle to serve as a convenient side table with cup holders. When not in use, it stores neatly in the lid.

**10"**  
**OVERSIZED  
WHEELS**

NEVER FLAT WHEELS HANDLE  
**SAND, MUD, TRAILS**  
AND ANY OTHER TERRAIN WITH EASE.

### **Beverage Access**

- Use the integrated bottle openers on either side of the cooler for quick and easy access to bottled beverages.
- The lid features molded-in cup holders to keep your drinks stable and within reach.

### **Fishing Rod Holders**

- The two integrated fishing rod holders on the rear of the cooler are perfect for securing fishing rods or beach umbrellas. Simply slide them into the designated slots.

## BUILT TOUGH FOR YOUR JOURNEY OUTDOORS

### MAINTENANCE

- **Cleaning:** After each use, drain any melted ice through the drain plug located at the bottom of the cooler. Clean the interior and exterior with mild soap and warm water. For stubborn stains, a baking soda paste can be used.
- **Drying:** Ensure the cooler is completely dry before storing to prevent mold and mildew. Leave the lid slightly ajar during storage to allow for air circulation.
- **Storage:** Store the cooler in a cool, dry place away from direct sunlight.

## TROUBLESHOOTING

- **Poor Ice Retention:** Ensure the lid is securely latched. Pre-chill the cooler before adding contents. Minimize opening the lid.
- **Difficulty Pulling:** Check that the Glide handle is fully extended and locked. Ensure wheels are free of debris.
- **Drain Plug Leakage:** Verify the drain plug is tightly sealed. Replace if damaged.
