vidaXL Acacia Wood Sun Lounger Set (2 pcs, Cream) - Instruction Manual

Model: 4107096

INTRODUCTION

Thank you for choosing the vidaXL Acacia Wood Sun Lounger Set. This set includes two modern sun loungers crafted from solid acacia wood, designed for comfort and durability in outdoor environments. Each lounger features an adjustable backrest and soft, cream-colored polyester cushions for optimal relaxation. This manual provides important information regarding assembly, safe use, operation, and maintenance to ensure the longevity and enjoyment of your product.

IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before assembling and using this product. Failure to follow these instructions may result in injury or damage to the product.

- This product requires assembly. Follow the provided assembly instructions carefully.
- Do not exceed the maximum weight capacity of 110 kg (242 lbs) per lounger.
- Use the loungers only on stable, level outdoor surfaces.
- Keep the product away from open flames and direct heat sources.
- Ensure all bolts and fasteners are securely tightened before use and periodically check for tightness.
- Children should be supervised when near the loungers.

COMPONENTS INCLUDED

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- 2 x Sun Lounger Frames (Acacia Wood)

- 2 x Seat Cushions (Cream Polyester)
- 2 x Headrest Cushions
- Assembly Hardware (bolts, nuts, washers)

ASSEMBLY INSTRUCTIONS

Tools Required:

- Screwdriver (not included)
- Two people recommended for easier assembly

Step-by-Step Assembly:

While specific detailed steps are not provided, the assembly process is designed to be straightforward. Please refer to the included graphical instructions for precise guidance.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify the main frame sections of the sun lounger.
3. Attach the leg supports to the main frame using the provided hardware. Ensure all connections are firm but do not overtighten initially.
4. Connect the backrest section to the main frame, ensuring the adjustable mechanism is correctly aligned.
5. Once all parts are loosely assembled, carefully place the lounger upright and tighten all bolts

securely. Do not overtighten to avoid stripping screws or damaging wood.

6. Place the seat cushion and headrest cushion onto the lounger. The cushions are designed to fit the S-curved shape of the lounger.
7. Repeat the process for the second sun lounger.

OPERATING INSTRUCTIONS

Adjusting the Backrest:

The sun lounger features an adjustable backrest, allowing you to select various reclining positions for personalized comfort.

1. To adjust the backrest, gently lift the backrest section.
2. Locate the support bars or notches on the frame.
3. Position the backrest into the desired notch to secure it at your preferred angle.
4. Ensure the backrest is securely locked into place before applying full weight.

Slatted seat design

Ensures a dry and comfortable seat

- Aesthetic appeal
- Enhanced drainage
- Better air circulation

Folding for Storage:

The loungers are designed to be foldable for space-saving storage and easy transport.

1. Remove the cushions from the lounger.
2. Adjust the backrest to its lowest, flat position.
3. Follow the specific folding mechanism (usually involves lifting or releasing a latch) to collapse the lounger.
4. Secure any locking mechanisms to keep it in the folded position.

Foldable & space-saving

Ideal for garden, patio, poolside, balcony

MAINTENANCE AND CARE

Proper maintenance will extend the life and appearance of your sun loungers.

- **Wood Frame:** Clean the acacia wood frame with a dry cloth. For deeper cleaning, use a mild soap solution and a soft brush, then rinse thoroughly and dry immediately. Periodically apply wood oil to maintain the wood's natural luster and protect it from weathering.
- **Cushions:** The polyester cushions should be stored indoors or in a waterproof storage box during inclement weather (rain, heavy sun, frost) to prevent fading and damage. Spot clean cushions with a damp cloth and mild detergent. Allow to air dry completely before storing.
- **General:** Regularly check all bolts and connections to ensure they remain tight. Avoid using harsh chemicals or abrasive cleaners on any part of the loungers.

Solid acacia wood

Durable

Smooth surface

Easy to clean

Weather-resistant

TROUBLESHOOTING

This section addresses common issues you might encounter with your sun loungers.

- **Wobbly Lounger:** Ensure all assembly bolts are securely tightened. Check that the lounger is placed on a flat, even surface.
- **Difficulty Adjusting Backrest:** Check for any obstructions in the adjustment mechanism. Ensure the mechanism is clean and free of debris. Do not force the adjustment.
- **Wood Discoloration/Fading:** This is natural for outdoor wood over time. Regular application of wood oil can help maintain color and protect the wood.
- **Cushion Damage:** Ensure cushions are stored away from direct sunlight and moisture when not in use. Follow cleaning instructions carefully.

SPECIFICATIONS

Feature	Detail
---------	--------
