LUXOAK 3 Piece Bedroom Set Instruction Manual

Model: BMB011+CNS004
Brand: LUXOAK

1. Introduction

Thank you for choosing the LUXOAK 3 Piece Bedroom Set. This set includes a full-size bed frame with integrated LED lighting and two storage drawers, along with two matching nightstands, each equipped with a charging station. This manual provides essential information for safe assembly, operation, and maintenance of your new bedroom furniture.

2. Safety Information

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Exercise caution around sharp edges during assembly.
- Assemble the furniture strictly according to the provided instructions to prevent tip-over risks.
- Keep all drawers closed when not in use to maintain stability and prevent accidental tip-over.
- Do not overload drawers beyond their specified weight capacity.
- Ensure all electrical connections for the LED lights and charging stations are properly secured and conform to local electrical codes.
- Keep liquids away from electrical outlets and USB ports.

3. Package Contents

Your LUXOAK 3 Piece Bedroom Set will arrive in two separate packages, which may be delivered on different days. Please verify all components are present before beginning assembly.

- Full Size LED Bed Frame components (headboard, side rails, footboard, slats, hardware)
- Two (2) Under-bed Storage Drawers
- Two (2) Nightstands with Charging Stations
- Assembly Hardware Kit (screws, bolts, tools)
- Detailed Installation Instructions
- LED Light Remote Control

4. Assembly Instructions

Assembly is designed to be straightforward with numbered parts and detailed instructions. It is recommended to have two people for assembly, which typically takes approximately 90 minutes.

4.1 Bed Frame Assembly

1. Unpack all bed frame components and lay them out on a clean, soft surface to prevent scratches.
2. Attach the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure.
3. Install the center support beam and support legs.
4. Place the metal slats onto the bed frame. The slats feature anti-slip padding for mattress stability.
5. Assemble the two under-bed storage drawers. These drawers are equipped with smooth-rolling bottom rollers for easy access.
6. Connect the LED light strip to the headboard and plug in the power cord for the headboard's charging station.

4.2 Nightstand Assembly

1. Unpack all nightstand components and identify each part.
2. Assemble the nightstand frame according to the numbered instructions.
3. Install the two drawers into the nightstand frame.
4. Secure the metal coated handles to the drawers.
5. Plug in the power cord for the integrated charging station.

5. Operating Instructions

5.1 LED Headboard Lights

The bed frame features RGB LED lights integrated into the headboard, offering customizable ambiance for your bedroom.

- **Remote Control:** Use the included remote control to power on/off, change colors (20 options), adjust brightness (10 levels), and select from 19 dynamic lighting effects.
- **App Control:** Download the compatible mobile application (refer to the QR code or instructions on the LED light controller) to control the lights via your smartphone. The app offers extended customization options.

5.2 Integrated Charging Stations

Both the bed frame headboard and the two nightstands are equipped with convenient charging stations.

- **Headboard Charging Station:** Features 2 standard AC outlets (110V/12A) and 2 USB ports (5V/3A). The power cord is 6.5 feet long.
- **Nightstand Charging Stations:** Each nightstand features 2 standard AC outlets (125V/12A) and 2 USB ports (5V/2.1A). The power cord for each nightstand is 4.9 feet long.
- Simply plug your devices into the available outlets or USB ports to charge.

6. Maintenance

Proper care will extend the life and appearance of your bedroom set.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For the PU headboard, a mild soap solution can be used if necessary, then wipe dry immediately.
- **Dusting:** Regularly dust all surfaces with a dry, soft cloth.
- **Drawer Maintenance:** Periodically check that drawer rollers are free of debris to ensure smooth operation.
- **Electrical Components:** Ensure power cords are not pinched or damaged. Do not attempt to repair electrical components yourself; contact qualified personnel.
- **Hardware:** Periodically check and tighten all assembly hardware to ensure stability.

7. Troubleshooting

If you encounter any issues with your bedroom set, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED lights not working	Power cord unplugged, remote battery dead, loose connection, LED strip damage.	Check power connection. Replace remote battery. Ensure all LED strip connections are secure. If still not working, contact support.
Charging station not working	Power cord unplugged, circuit breaker tripped, device not compatible.	Ensure the furniture's power cord is fully plugged into a working wall outlet. Check your home's circuit breaker. Verify device compatibility with the charging station's output.
Drawers are difficult to open/close	Overloaded, debris in rollers, misaligned.	Reduce drawer contents. Clean rollers of any dust or debris. Re-check assembly to ensure drawers are properly aligned on their tracks.
Bed frame feels unstable	Loose hardware, uneven floor.	Tighten all bolts and screws. Ensure the bed is on a level surface; use shims if necessary.
