#### 4. Setup and Assembly

Follow the step-by-step instructions provided in the included manual to assemble your Micro Brick Flower World. The recommended age for this set is 8 years and up. Due to the small size of the micro bricks, patience and attention to detail are essential for a successful build.

Separate the pieces by color and type before beginning assembly to streamline the process. Ensure all connections are firm to maintain the structural integrity of the model.

## 5. Operating and Display

Once assembled, your Micro Brick Flower World offers versatile display options:

- **Wall Decoration:** The set is designed to be an eye-catching wall art piece. Utilize appropriate wall-mounting hardware (not included) to securely hang your creation.
- **Freestanding Display:** The model can also stand independently on a flat surface, making it a perfect decorative item for desks, shelves, or tables.

## 6. Maintenance

To keep your Micro Brick Flower World looking its best, follow these simple maintenance tips:

- **Cleaning:** Gently dust the model with a soft brush or a dry cloth. For more thorough cleaning, use a slightly damp cloth and allow it to air dry completely. Avoid harsh chemicals or abrasive materials.
- **Handling:** Handle the assembled model with care, especially when moving it, to prevent pieces from detaching.

## 7. Troubleshooting

If you encounter any issues during assembly or with the product, consider the following:

- **Missing Pieces:** Carefully check all packaging materials. If pieces are genuinely missing, please contact TG BLOCKS customer support for assistance.
- **Loose Connections:** Ensure each micro brick is pressed firmly into place. Some builders have found that a small amount of model glue (not included) can be used for added stability on delicate

connections, though this is optional and permanent.

- **Difficulty Assembling:** The small size of micro bricks can make assembly challenging. Take breaks if needed and re-examine the instruction manual carefully.
