## SETUP AND ASSEMBLY

---

### Unpacking

Carefully unpack all components from the packaging. Ensure all parts are present and undamaged before beginning assembly. Keep packaging materials until assembly is complete in case of missing parts or return needs.

### Components List

- Round Table Top (MDF)
- Cross Metal Leg Assembly (Black)
- Adjustable Foot Pads (pre-attached or separate)
- Assembly Hardware (screws, washers, Allen key)

## Assembly Instructions

Follow these steps to assemble your dining table. It is recommended to have two people for assembly.

1. Place the table top (A) upside down on a soft, clean surface to prevent scratches.
2. Attach the cross metal leg assembly (B) to the pre-drilled holes on the underside of the table top using the provided screws (C) and Allen key. Ensure the legs are oriented correctly.
3. Tighten all screws securely. Do not overtighten.
4. Carefully turn the assembled table upright.
5. Adjust the foot pads at the bottom of the legs to ensure the table is stable and level on your floor.

## USAGE GUIDELINES

---

This dining table is designed for indoor use in dining rooms, kitchens, or living areas. It provides a stable surface for meals, work, or other activities. While the product description mentions "adjustable dining table length", the specific model (round, 90x90x75cm) does not feature an extendable top. The adjustability refers to the leveling foot pads.

## CARE AND MAINTENANCE

Proper care will extend the life and maintain the appearance of your dining table.

- **Cleaning:** Wipe the table top and legs with a soft, damp cloth. For stubborn stains, use a mild soap solution and dry immediately with a clean cloth. Avoid abrasive cleaners or harsh chemicals.
- **Spills:** Clean up spills immediately to prevent staining, especially on the MDF top.
- **Heat Protection:** Always use placemats or coasters under hot dishes to protect the table surface from heat damage.
- **Weight Distribution:** Distribute weight evenly across the table surface. Avoid placing excessively heavy items on one spot.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or warping over time.
- **Leg Stability:** Periodically check and tighten all screws on the leg assembly to ensure stability.

## **TROUBLESHOOTING**

---

Problem	Possible Cause	Solution
Table wobbles	Uneven floor or loose leg connections.	Adjust the leveling foot pads on the bottom of the legs until the table is stable. Ensure all assembly screws are tightened securely.
Scratches on table top	Sharp objects or abrasive cleaning.	Use placemats and coasters. Avoid dragging objects across the surface. For minor scratches, furniture polish designed for MDF surfaces may help.
Difficulty assembling	Incorrect part orientation or missing hardware.	Review the assembly instructions carefully. Ensure parts are oriented as shown in diagrams. Contact customer support if hardware is missing.
