GRLEAF ST-90-Rustic Brown

GRLEAF 90-inch Rustic Brown Sofa Table with Built-in Power Strip User Manual

Model: ST-90-Rustic Brown

Brand: GRLEAF

IMPORTANT SAFETY INFORMATION

Always secure the table to the wall using the provided anti-tipping strap and expansion screws to prevent tipping and potential injury.

PACKAGE CONTENTS

Before assembly, ensure all parts are present and undamaged. Refer to the included parts list for identification.

- Tabletop sections (Rustic Brown engineered wood)
- Metal frame components
- Built-in power strip (4 AC outlets, 4 USB ports, 4.9ft power cord)
- Adjustable feet
- Anti-tipping strap and expansion screws
- Assembly hardware (screws, hex wrench)

SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps for quick and easy assembly. All parts are clearly labeled to match the instructions.

Step 1: Attach Tabletop Sections

Connect the tabletop sections using the provided connectors and screws. Ensure a secure fit.

ADJUSTABLE CHARGE STATION

2 AC Outlets

[120V/12A]

2 USB Ports

[5V/2A]

Power Cord

[4.9-Foot]

Step 2: Assemble Metal Frame

Attach the vertical and horizontal metal frame components. Hand-tighten screws initially, then fully tighten once all parts are aligned.

Image: A diagram illustrating how to connect the metal frame pieces using screws and the provided hex wrench.

Step 3: Install Adjustable Feet

Screw the adjustable feet into the bottom of the metal frame legs. These feet help stabilize the table on uneven surfaces and protect your floor.

Step 4: Integrate Power Strip

The power strip can be installed in various positions along the tabletop. Choose your preferred location and secure it with the provided screws.

Step 5: Secure to Wall (Optional but Recommended)

For added stability and safety, especially in households with children or pets, use the anti-tipping strap and expansion screws to secure the table to the wall.

OPERATING INSTRUCTIONS

The GRLEAF sofa table features a convenient built-in power strip for charging your devices.

- **AC Outlets:** Plug in devices requiring standard AC power, such as lamps or laptops. The power strip includes 4 AC outlets (120V/12A).
- **USB Ports:** Connect your smartphones, tablets, or other USB-powered devices to the 4 USB ports (5V/2A) for charging.
- **Power Cord:** The 4.9ft power cord allows for flexible placement near an available wall outlet.

GRLEAF

MAINTENANCE

- **Cleaning:** Wipe the tabletop and metal frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Power Strip Care:** Ensure the power strip is kept dry. Do not expose it to liquids.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Adjustable Feet:** Adjust the feet as needed to maintain table stability.

TROUBLESHOOTING

Power Strip Not Working

- **Check Power Connection:** Ensure the power cord is securely plugged into a functional wall outlet.
- **Reset:** If the power strip has a reset button, press it.
- **Overload:** Unplug some devices to check if the power strip is overloaded.

Table Wobbles

- **Adjust Feet:** Use the adjustable feet to level the table on uneven floors.
- **Tighten Screws:** Check and tighten all assembly screws on the frame and tabletop.
- **Wall Anchor:** Ensure the anti-tipping strap is properly installed and secured to the wall.
