ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included printed manual. The building set features a modular design, allowing for easier assembly and access to interior details.

1. **Preparation:** Unpack all pieces and organize them by color and type as suggested in the manual. Ensure you have a clean, well-lit workspace.
2. **Base Construction:** Begin by assembling the base plate and the ground floor structure, including the cafe area.

3. **Modular Layers:** Construct each floor as a separate module. The set is designed for quick dismantling and reassembly of layers for interior access.
4. **Detailing:** Add decorative elements, such as the flower cart, bicycle, and exterior signage, as indicated in the manual.
5. **Roof Assembly:** Complete the top floor and the distinctive multi-colored roof.

The modular design allows for easy separation of floors during assembly and for viewing interior details.

OPERATING INSTRUCTIONS: LED LIGHTS

The INSOON Flower Cafe House features integrated LED lighting to enhance its display. Each level of the building includes a light module.

- **Installation:** Ensure the LED light modules are correctly installed within each floor during the assembly process, following the specific steps in your manual.
- **Power Source:** Connect the light system to its designated power source (e.g., battery box, USB cable) as instructed.
- **Activation:** Activate the lights using the designated switch or connection point. The lights will illuminate the interior and exterior details, creating a warm ambiance.

MAINTENANCE

To maintain the appearance and integrity of your building set:

- **Cleaning:** Gently dust the model regularly with a soft brush or cloth. For deeper cleaning, use a slightly damp cloth and mild soap, then dry thoroughly. Avoid harsh chemicals.
- **Storage:** If disassembling for storage, keep pieces organized to prevent loss. Store in a cool, dry place away from direct sunlight to prevent discoloration.
- **Handling:** Handle the model with care to avoid accidental detachment of pieces or damage to the light wiring.
