1. INTRODUCTION

The Motorola Razr Ultra 2025 is an advanced foldable smartphone designed for a seamless and intuitive user experience. This device combines an ultra-compact form factor with powerful performance and innovative features, including a highly interactive external display and an advanced camera system. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your new device.

2. WHAT'S IN THE BOX

Upon unboxing your Motorola Razr Ultra 2025, please verify that all the following items are included:

- Motorola Razr Ultra 2025 Device
- USB Cable (for charging and data transfer)
- User Guide (this document)

- SIM Tray Ejector Tool

3. SETUP GUIDE

3.1 Inserting the SIM Card

1. Locate the SIM card tray on the side of your Motorola Razr Ultra 2025.
2. Insert the SIM tray ejector tool into the small hole next to the tray and gently push until the tray pops out.
3. Place your Nano-SIM card into the tray with the gold contacts facing down, ensuring it fits securely.
4. Carefully reinsert the SIM tray into the phone until it clicks into place.

3.2 Initial Power On and Configuration

1. Press and hold the Power button located on the side of the device until the Motorola logo appears.
2. Follow the on-screen prompts to complete the initial setup. This includes selecting your language, connecting to a Wi-Fi network, signing in with your Google account, and setting up security features like fingerprint or face unlock.
3. Your device is universally unlocked and compatible with all major U.S. carriers, including Verizon, AT&T, T-Mobile, and other prepaid carriers.

4. OPERATING YOUR DEVICE

4.1 External Display Functionality

The Motorola Razr Ultra 2025 features an intelligent and interactive external display, allowing you to access almost all your favorite applications and notifications without needing to open the phone. This display supports various widgets and quick actions for convenience.

4.3 Moto AI Integration

Experience elevated interactions with moto ai, which provides personalized assistance and enhances photo and video capture. A Motorola Account login and internet/cellular connection are required for full functionality of moto ai features.

4.4 Performance and Charging

The Motorola Razr Ultra 2025 is powered by the industry-leading Snapdragon 8 Elite mobile platform, offering groundbreaking speed and AI-enhanced performance. It supports 68W TurboPower charging, providing significant battery life in a short charging period. The phone can be fully charged in approximately 40 minutes under Charge boost mode. Use only Motorola TurboPower 68W charger or higher (sold separately) for optimal charging.

5. MAINTENANCE AND CARE

- **Cleaning:** Use a soft, lint-free cloth to clean the screen and body of your device. Avoid abrasive materials or harsh chemicals.
- **Protection:** While the device is durable, consider using a protective case and screen protector to prevent scratches and damage from drops.
- **Water Resistance:** The Motorola Razr Ultra 2025 is water resistant. However, it is not waterproof. Avoid submerging the device in water or exposing it to high-pressure water jets.
- **Temperature:** Operate the device within recommended temperature ranges. Extreme heat or cold can affect battery life and overall performance.
- **Hinge Care:** The foldable hinge is designed for durability. Avoid applying excessive force or inserting objects into the hinge mechanism.

6. TROUBLESHOOTING COMMON ISSUES

Issue	Possible Cause / Solution
Notifications not received when phone is closed	Some applications may not send notifications when the phone is closed unless they are actively running or configured to do so. Check individual app settings for background activity and notification permissions. Ensure the app is not optimized for battery saving in a way that restricts background processes.
External display freezes or doesn't turn on	This can sometimes be a software glitch. Try restarting the device. Ensure your phone's software is up to date. If the issue persists, a factory reset might be necessary after backing up your data.
Slow charging or battery drain	Ensure you are using the official Motorola TurboPower 68W charger. Check the USB cable for damage. Close unnecessary background applications. Reduce screen brightness or disable features like Always On Display if not needed.

Issue	Possible Cause / Solution
Device not connecting to network	Verify the SIM card is correctly inserted. Try toggling Airplane Mode on and off. Restart the device. If issues persist, contact your mobile carrier to ensure your plan is active and compatible.

7. TECHNICAL SPECIFICATIONS

Feature	Detail
Model Name	Motorola razr ultra 2025
Item Model Number	PB770064US
Color	Pantone Cabaret
Operating System	Android 15
CPU Model	Snapdragon 8 Elite
CPU Speed	3.53 GHz
RAM Memory Installed Size	16 GB
Memory Storage Capacity	512 GB
