EUGAD 60x30x60 cm

EUGAD White Bathroom Under-Sink Cabinet Instruction Manual

Model: 60x30x60 cm

INTRODUCTION

Thank you for choosing the EUGAD White Bathroom Under-Sink Cabinet. This manual provides essential information for the safe assembly, proper use, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

SAFETY INFORMATION

WARNING:

- To prevent tipping, ensure the cabinet is securely anchored to the wall using appropriate hardware (not always included, check package contents).
- Do not exceed the maximum weight capacities: **20 kg** for the top surface, **10 kg** for the adjustable shelf, and **20 kg** for the bottom shelf. Overloading can cause damage or injury.
- Keep small parts and packaging materials away from children to avoid choking hazards.

PACKAGE CONTENTS

Before assembly, verify that all parts and hardware are present. Refer to the included illustrated manual for a complete list of components. Typically, the package includes:

- MDF panels for cabinet construction
- Drawer components and metal guides

- Door hinges and handles
- Adjustable shelf pins
- Assembly hardware (screws, dowels, etc.)
- Illustrated assembly manual

SETUP AND ASSEMBLY

The EUGAD Under-Sink Cabinet is designed for easy assembly. Follow the step-by-step instructions provided in the illustrated manual included with your product. A complete accessory kit is provided.

1. **Prepare the Area:** Choose a clean, flat, and spacious area for assembly. Lay down a blanket or cardboard to protect the furniture panels from scratches.
2. **Identify Parts:** Unpack all components and identify them using the parts list in your manual.
3. **Assemble the Frame:** Begin by assembling the main frame of the cabinet according to the diagrams.
4. **Install Drawers:** Assemble the drawers and install the metal guides onto both the drawers and the cabinet frame.
5. **Attach Doors:** Mount the doors using the provided hinges. Adjust as necessary for proper alignment.
6. **Insert Shelf:** Place the adjustable shelf at your desired height using the shelf pins.
7. **Positioning:** Carefully move the assembled cabinet to its final position under the sink. Ensure the siphon cutout (15x20 cm) aligns with your plumbing.
8. **Secure to Wall:** For safety, secure the cabinet to the wall using anti-tip hardware.

OPERATING AND USAGE

Your EUGAD cabinet is designed to provide practical storage in your bathroom.

- **Storage Capacity:** Utilize the two upper drawers for smaller items and the two-level lower cabinet for larger toiletries.
- **Adjustable Shelf:** The internal shelf can be adjusted up or down by 3.2 cm to accommodate items of various heights. To adjust, remove the shelf, reposition the pins, and reinsert the shelf.
- **Siphon Cutout:** The cabinet features a specific cutout (15x20 cm) at the top rear to fit around most standard sink siphons, ensuring a snug fit under your basin.

Espacio de gran capacidad:

Almacenamiento categorizado para satisfacer diferentes necesidades

Cajones con particiones

Amplio espacio cerrado

MAINTENANCE

To ensure the longevity and appearance of your EUGAD cabinet, follow these maintenance guidelines:

- **Cleaning:** The MDF boards are water-repellent and easy to clean. Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Promptly wipe up any water spills to prevent moisture damage, especially around edges and joints.
- **Hardware:** Periodically check all screws and fittings to ensure they are tight. Retighten if necessary.
- **Avoid Overloading:** Adhere to the specified weight limits for each section of the cabinet.

TROUBLESHOOTING

If you encounter any issues with your cabinet, consider the following:

- **Wobbly Cabinet:** Ensure all assembly screws are tightened. If the floor is uneven, use furniture pads or shims under the legs to stabilize. Verify wall anchoring.
- **Drawers Not Sliding Smoothly:** Check that the metal drawer guides are correctly installed and free from obstructions. Ensure the drawer is not overloaded.
- **Doors Not Closing Properly:** Adjust the hinges if doors are misaligned. Ensure the magnetic catches are properly aligned and functioning.
- **Siphon Fit Issues:** Double-check the dimensions of your sink's siphon against the cabinet's cutout (15x20 cm). Minor adjustments to the cutout may be possible if needed, but proceed with caution.

SPECIFICATIONS

Brand	EUGAD
Model	60x30x60 cm
Color	White
Product Dimensions (D x W x H)	30 x 60 x 60 cm
Product Weight	10.7 kg
Material	E1 Class MDF
Special Features	Large capacity storage, Adjustable shelf, Removable shelf, Water-repellent
Siphon Cutout Dimensions	15 x 20 cm
Mounting Type	Floor Mount
Number of Shelves	3 (including bottom fixed shelf and 1 adjustable shelf)
