Lanteso S8

Lanteso S8 True Wireless Earbuds Instruction Manual

Model: S8

INTRODUCTION

This manual provides detailed instructions for the Lanteso S8 True Wireless Earbuds. Please read this guide thoroughly before using your earbuds to ensure proper operation and to maximize your listening experience. These earbuds feature Bluetooth 5.4 connectivity, a lightweight design, built-in microphone for clear calls, and premium sound with deep bass.

WHAT'S IN THE BOX

Upon unboxing, please verify that all items listed below are present:

- 2 x Wireless Earbuds (Left and Right)
- 1 x Charging Case
- 1 x Fast Charging Case Cable (Type-C)
- 3 x Pairs of Earplugs (S, M, L)
- 1 x Instruction Manual (This document)

Long-Lasting Battery

More than 48 hrs of battery life with multiple additional charges in the case (Up to 6 hrs of listening time on one charge)

SETUP

1. Initial Charging

Before first use, fully charge the earbuds and the charging case. Connect the provided Type-C charging cable to the charging case and a USB power source. The indicator lights on the case will show charging status. A full charge provides up to 48 hours of total playtime with the charging case, and up to 6 hours on a single earbud charge.

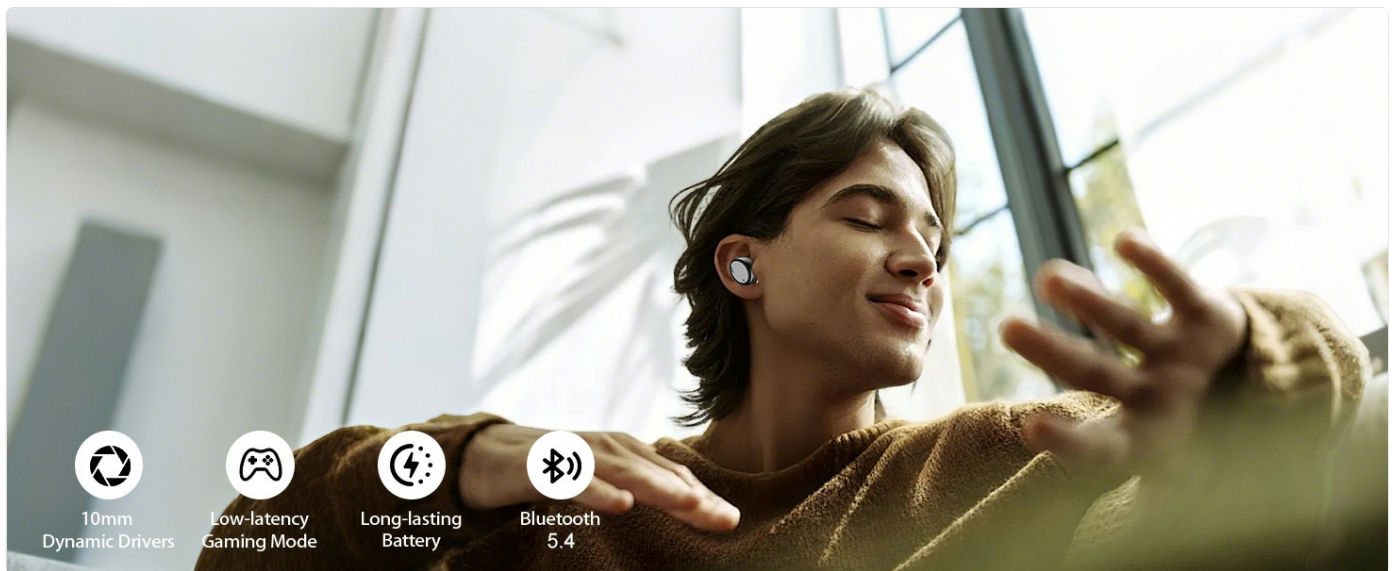

Image: Diagram illustrating the 48-hour total battery life with the charging case and 6 hours on a single charge.

2. Pairing with Your Device

The Lanteso S8 earbuds feature one-step auto-pairing. Follow these steps to connect:

1. Ensure your device's Bluetooth is turned on.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device, search for Bluetooth devices and select "S8" from the list.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

The earbuds are compatible with both iOS and Android devices.

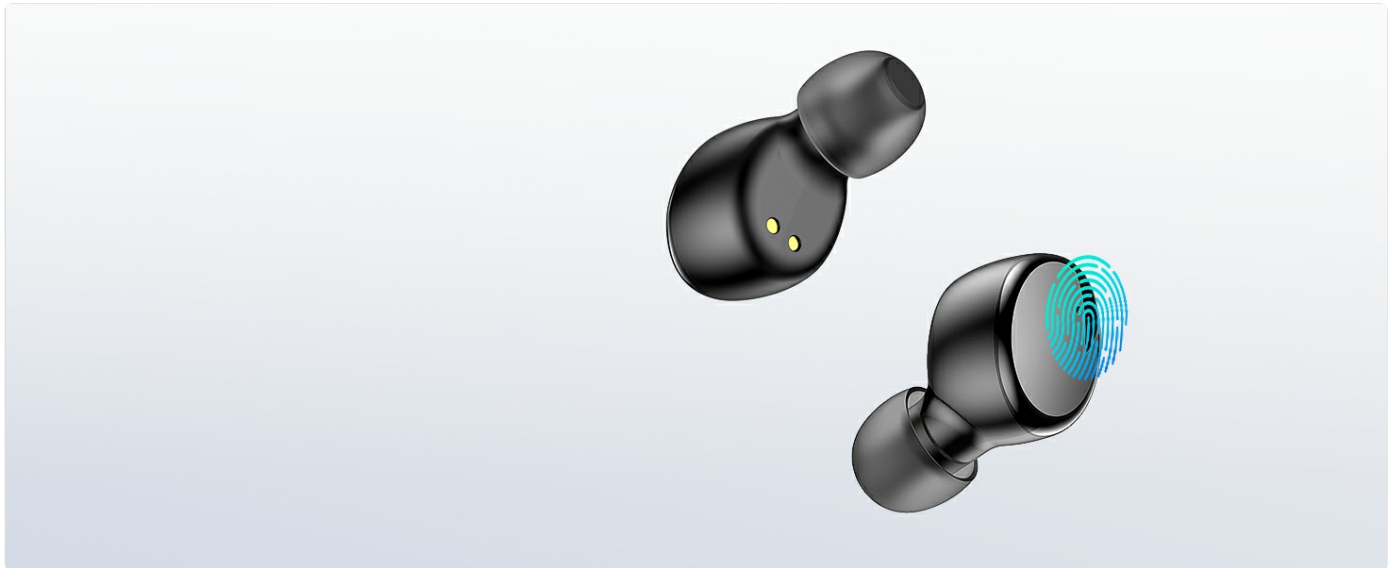

Image: Illustration of the one-step auto-pairing process with a smartphone displaying "S8" as a connected device.

3. Choosing the Right Earplugs for a Secure Fit

For optimal sound quality and comfort, select the earplug size that best fits your ears. The package includes three sizes (S, M, L). A proper fit ensures better noise isolation and prevents the earbuds from falling out during activities.

OPERATING INSTRUCTIONS

Touch Controls

The Lanteso S8 earbuds feature intuitive touch controls for managing audio playback and calls. The specific touch functions are detailed below:

- **Play/Pause:** Single tap on either earbud.
- **Next Song:** Double tap on the right earbud.
- **Previous Song:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call or active call.
- **Reject Call:** Press and hold either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant (Siri/Google Assistant):** Triple tap on either earbud.
- **Volume Up:** Press and hold the right earbud.
- **Volume Down:** Press and hold the left earbud.

Call Management

The earbuds are equipped with noise-canceling technology and AI algorithms to ensure clear call quality. You can manage calls

directly from the earbuds using the touch controls mentioned above.

Low-latency Mode

Switch to low-latency mode for a seamless experience, ensuring minimal delay between audio and video for immersive listening.

Image: Illustration highlighting the Environmental Noise Cancellation (ENC) feature for clear calls, showing a 35dB noise reduction.

Audio Playback

Experience powerful and deep bass with the 10mm large driver units. The earbuds deliver high-quality audio for an immersive listening experience. Use the touch controls to manage your music playback.

Low-Latency Gaming Mode

For an enhanced gaming or video streaming experience, the earbuds support a low-latency mode. This minimizes the delay between audio and video, providing seamless synchronization. Refer to the touch control section for activating this mode if available, or it may activate automatically with certain applications.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your Lanteso S8 earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or solvents.
- **Earplugs:** Remove the silicone earplugs and clean them with mild soap and water. Ensure they are completely dry before reattaching them to the earbuds.
- **Charging Contacts:** Gently wipe the charging contacts on both the earbuds and inside the case with a dry cotton swab to ensure good connection.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Water Resistance:** The earbuds are water-resistant. Avoid submerging them in water or exposing them to excessive moisture for prolonged periods. Dry them thoroughly if they get wet.

TROUBLESHOOTING

If you encounter any issues with your earbuds, please refer to the following common solutions:

Problem	Solution
Earbuds not pairing	◦ Ensure earbuds are charged. ◦ Place earbuds back in the case, close, then reopen to re-enter pairing mode. ◦ Turn off and on your device's Bluetooth. ◦ Forget "S8" from your device's Bluetooth list and try pairing again.
Only one earbud working	◦ Ensure both earbuds are charged. ◦ Place both earbuds back in the charging case, close the lid, wait a few seconds, then open the lid and take them out simultaneously. ◦ If the issue persists, try resetting the earbuds (refer to the full manual for specific reset instructions if available, or contact support).

Problem	Solution
Poor sound quality	◦ Ensure earplugs are correctly sized and seated in your ear for a good seal. ◦ Clean the earbud mesh to remove any debris. ◦ Ensure your device's volume is adjusted correctly. ◦ Move closer to your connected device to avoid interference.
Charging issues	◦ Check the charging cable and adapter for damage. ◦ Ensure the charging contacts on the earbuds and case are clean and free of obstruction. ◦ Try a different charging cable or power source.

SPECIFICATIONS
