SETUP

Pairing with Apple Find My

The NOVOO Air Tag Card is designed for seamless integration with Apple's Find My network. Follow these steps to pair your device:

1. Ensure your iOS device (iPhone, iPad, or Mac) has Bluetooth enabled and is running the latest version of iOS.
2. Open the **Find My** app on your Apple device.
3. Tap the **Items** tab at the bottom of the screen.
4. Tap **+ Add Item**, then select **Other Supported Item**.
5. Follow the on-screen instructions to connect your NOVOO Air Tag Card. You may need to press and hold the power button

icon on the card to activate pairing mode.

6. Once connected, you can name your item and assign an emoji to it.

OPERATING INSTRUCTIONS

Locating Your Items

Once paired, you can use the Find My app to locate your NOVOO Air Tag Card:

- **Play Sound:** If your item is nearby, open the Find My app, select your NOVOO Air Tag Card, and tap **Play Sound**. The built-in 80 dB speaker will emit a loud sound to help you pinpoint its location.
- **View on Map:** The Find My app displays your item's current or last known location on a map. If it's out of Bluetooth range, the app will show its last recorded location.

Precision Tracking

For more precise location guidance, follow the navigation feature within the Find My app:

- In the Find My app, select your NOVOO Air Tag Card.
- Tap **Find** to get directional guidance to your item.
- The app will provide visual and haptic feedback to guide you to the exact location.

Forgotten Object Alerts

Receive immediate notifications if you leave your item behind:

- Enable **Notify When Left Behind** in the Find My app settings for your NOVOO Air Tag Card.
- If your smart card disconnects from your Apple device's Bluetooth, the Find My app will send an instant notification to your device.

Lost Mode

If your item is truly lost, activate Lost Mode:

- In the Find My app, select your NOVOO Air Tag Card and enable **Lost Mode**.
- You can enter a contact phone number and a message that will be displayed to anyone who finds your item and scans it with an NFC-enabled smartphone.
- The vast Apple Find My network will help locate your item, even if it's far away.

MAINTENANCE

The NOVOO Air Tag Card is designed for minimal maintenance due to its durable construction and long-lasting internal battery.

- **Cleaning:** Wipe the card with a soft, dry cloth to remove dust or smudges. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the card in a cool, dry place when not in use. Avoid extreme temperatures.

- **Battery:** The internal battery is non-replaceable and non-rechargeable. It is designed to last up to 6 years under normal usage conditions.

TROUBLESHOOTING

If you encounter issues with your NOVOO Air Tag Card, refer to the following common solutions:

- **Tracker not connecting to Find My app:**
 - Ensure your iOS device's Bluetooth is turned on.
 - Make sure the NOVOO Air Tag Card is within Bluetooth range (up to 40 meters).
 - Check if the card's battery is depleted (though designed for 6 years, individual performance may vary).
 - Try restarting your iOS device.
 - Remove the item from the Find My app and re-add it.
- **No sound from the tracker:**
 - Ensure the volume on your iOS device is not muted.
 - Verify the tracker is connected and within range.
- **Inaccurate location tracking:**
 - Location accuracy can be affected by environmental factors, obstacles, and signal interference.
 - Ensure your iOS device has a stable internet connection (Wi-Fi or cellular data) for accurate map updates.
- **Battery life shorter than expected:**
 - While rated for 6 years, heavy usage or extreme environmental conditions may affect battery longevity.
 - The battery is non-replaceable. If the battery is depleted, the device will need to be replaced.

If these steps do not resolve the issue, please contact NOVOO Customer Service for further assistance.
