KUULAA KL-YD68

Kuulaa Magsafe Power Bank 5000mAh Instruction Manual

Model: KL-YD68

1. INTRODUCTION

Thank you for choosing the Kuulaa Magsafe Power Bank 5000mAh. This portable magnetic wireless charger is designed to provide convenient and efficient power for your compatible devices, featuring both wireless and wired charging capabilities, along with a versatile folding swivel stand. Please read this manual carefully before use to ensure optimal performance and safety.

2. SAFETY INFORMATION

- Do not expose the power bank to extreme temperatures, direct sunlight, or fire.
- Avoid dropping, disassembling, or attempting to repair the device yourself.
- Keep the power bank away from water and other liquids.
- Use only certified charging cables and adapters.
- Keep out of reach of children.
- Dispose of the product responsibly according to local regulations.

3. PACKAGE CONTENTS

Please check the package for the following items:

- Kuulaa Magsafe Power Bank 5000mAh
- USB-C Charging Cable
- User Manual

4. PRODUCT FEATURES AND COMPONENTS

The Kuulaa Magsafe Power Bank is designed for convenience and efficiency:

- **5000mAh Capacity:** Provides reliable power for your devices.
- **Magnetic Wireless Charging:** Securely attaches to compatible iPhone models (12/13/14/15 series) for 7.5W wireless charging.

- **PD 20W USB-C Port:** Supports fast wired charging for input and output, charging an iPhone to 50% in approximately 30 minutes.
- **LED Battery Indicator:** Four small LED lights display the remaining power level.
- **Folding Swivel Stand:** Integrated stand for hands-free viewing in various orientations.
- **Slim & Portable Design:** Ergonomic, lightweight, and travel-friendly.
- **Advanced Safety Features:** Built-in protection against overcharging, overcurrent, short circuit, and high temperature.

5. SETUP

Initial Charging of the Power Bank

1. Connect the provided USB-C cable to the USB-C port on the power bank.
2. Connect the other end of the USB-C cable to a compatible USB power adapter (not included).
3. The LED indicators will light up to show the charging status. All four LEDs will be solid when fully charged.

4. For optimal performance, fully charge the power bank before its first use.

6. OPERATING INSTRUCTIONS

6.1. Wireless Charging

1. Ensure your device is compatible with MagSafe wireless charging (iPhone 12/13/14/15 series).
2. Align the power bank with the back of your iPhone. The magnets will automatically snap it into place.
3. Wireless charging will begin automatically. The LED indicators on the power bank will illuminate to confirm charging.
4. For best results, ensure there are no foreign objects between the power bank and your device.

6.2. Wired Charging

1. Connect one end of a USB-C cable (or your device's charging cable) to the USB-C port on the power bank.
2. Connect the other end of the cable to your smartphone, smartwatch, or headphones.
3. The power bank will automatically begin charging your device.

6.3. Using the Folding Swivel Stand

- Gently pull out the integrated stand from the back of the power bank.
- The stand can be rotated 360 degrees to achieve your desired viewing angle.
- It can be used as a kickstand for hands-free viewing or as a finger ring for a more secure grip on your phone.

6.4. Checking Battery Level

The four LED indicators on the power bank display the remaining battery capacity:

- **4 LEDs Solid:** 75% - 100% charged
- **3 LEDs Solid:** 50% - 75% charged
- **2 LEDs Solid:** 25% - 50% charged
- **1 LED Solid:** 0% - 25% charged (recharge soon)

7. MAINTENANCE

- **Cleaning:** Wipe the power bank with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- **Storage:** Store the power bank in a cool, dry place away from direct sunlight and extreme temperatures. If storing for extended periods, charge it to about 50% every three months to prolong battery life.
- **Avoid Impact:** Protect the device from drops and impacts.

8. TROUBLESHOOTING

Problem	Possible Solution
---------	-------------------

Problem	Possible Solution
Power bank not charging	<p>Ensure the USB-C cable is securely connected to both the power bank and the power adapter.</p> <p>Try a different USB-C cable or power adapter.</p> <p>Check if the power outlet is functional.</p>
Device not charging wirelessly	<p>Ensure your device is MagSafe compatible and properly aligned with the power bank.</p> <p>Remove any thick phone cases or metallic objects that may interfere with wireless charging.</p> <p>Check if the power bank has sufficient charge.</p>
Device not charging via USB-C cable	<p>Ensure the cable is securely connected to both the power bank and your device.</p> <p>Try a different USB-C cable.</p> <p>Check if your device's charging port is clean and undamaged.</p>
LED indicators not working	<p>The power bank might be completely discharged. Charge it for a while.</p> <p>If the issue persists, contact customer support.</p>
