PRODUCT FEATURES

The DUSONLAP SU8 Sleep Earbuds are engineered with several key features to enhance your audio experience, especially during rest.

- **Immersive Audio:** Designed to provide a tranquil audio experience.
- **Comfortable Design:** Features soft silicone earmuffs and a lightweight build (approx. 3.0g per earbud) for extended wear.
- **Noise Blocking:** Offers up to 24dB noise blocking for a quieter environment.
- **Bluetooth 5.4:** Ensures stable and efficient wireless connectivity.
- **Extended Battery Life:** Up to 47 hours of total playtime with the charging case.
- **Touch Control:** Intuitive controls for managing calls, music, and volume.
- **Sleep Mode:** Specialized mode for uninterrupted sleep, without power-off or low battery alarms.

SETUP

Charging the Earbuds and Case

Before first use, ensure both the earbuds and the charging case are fully charged.

1. Place the earbuds into the charging case, ensuring they are correctly seated.
2. Connect the USB-C charging cable to the charging port on the case and the other end to a compatible USB power source (e.g., computer, wall adapter).
3. The LED digital display on the charging case will indicate the charging status and battery level.
4. A full charge provides approximately 5-7 hours of listening time for the earbuds, and the charging case can provide 5-6 full charges, totaling up to 47 hours of playtime.

Image: An infographic illustrating the 47-hour total battery life, individual earbud listening time, and USB-C fast charging capability.

Pairing with Your Device

The SU8 Sleep Earbuds feature one-step pairing for convenience.

1. Ensure Bluetooth is enabled on your smartphone, tablet, or other audio device.
2. Open the lid of the charging case. The earbuds will automatically enter pairing mode.
3. On your device, search for Bluetooth devices and select "SU8" from the list.

4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.
5. The earbuds will automatically reconnect to the last paired device when the case lid is opened, if the device's Bluetooth is on and within range.

One Step Pairing

It will automatically connect when the lid is opened.

WEARING INSTRUCTIONS

For optimal comfort and sound quality, especially for side sleepers, proper fit is crucial.

1. **Choose Ear Caps:** Select the appropriate ear caps that provide a snug yet comfortable fit. The SU8 earbuds come with removable ear caps.
2. **Insert Earbud:** Place the earbud with the ear cap pointing downwards and gently insert it into your ear canal.
3. **Twist to Lock:** Gently twist the earbud to secure it in place, ensuring a comfortable and stable fit that minimizes pressure, especially when lying on your side.

MAINTENANCE

Proper maintenance will extend the lifespan of your DUSONLAP SU8 Sleep Earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or solvents.
- **Ear Caps:** Remove and clean the ear caps periodically with mild soap and water. Ensure they are completely dry before reattaching.
- **Storage:** When not in use, always store the earbuds in their charging case to protect them from dust and damage.
- **Avoid Moisture:** Keep the earbuds and case away from water, excessive humidity, and extreme temperatures.

TROUBLESHOOTING

If you encounter issues with your SU8 Sleep Earbuds, refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget "SU8" from your device's Bluetooth list and re-pair.
Only one earbud working	Place both earbuds back into the charging case, close the lid, wait a few seconds, then open the lid and try again. Ensure both earbuds are charged.
No sound	Check device volume. Ensure earbuds are connected. Try playing different audio.
Charging case not charging	Check USB-C cable and power adapter. Ensure connections are secure. Try a different cable or power source.
Touch controls unresponsive	Ensure earbuds are clean and dry. Restart the earbuds by placing them in the case and taking them out.
