## JBL JBLPARTYBOX120AM

# JBL PartyBox Club 120 Speaker User Manual

Model: JBLPARTYBOX120AM

## INTRODUCTION

---

This manual provides essential information for the safe and effective operation of your JBL PartyBox Club 120 Speaker and JBL PartyLight Beam. Please read this manual thoroughly before using the product to ensure proper setup, usage, and maintenance.

## SAFETY INFORMATION

---

Always follow basic safety precautions when using electrical products to reduce the risk of fire, electric shock, and injury.

- Do not expose the speaker to rain or moisture.
- Do not block any ventilation openings.
- Use only attachments/accessories specified by the manufacturer.
- Refer all servicing to qualified service personnel.
- Ensure the power cord is not walked on or pinched.

## PACKAGE CONTENTS

---

Verify that all items listed below are included in your package:

- 1 x JBL PartyBox Club 120 Portable Wireless Speaker
- 1 x JBL PartyLight Beam
- 1 x AC Power Cord
- 1 x Auxiliary Cable
- 1 x Microfiber Cloth

## PRODUCT OVERVIEW

---

## JBL PartyBox Club 120 Speaker

The PartyBox Club 120 is a powerful portable speaker featuring dynamic sound and integrated lighting effects. Key components include:

- **Top Panel Controls:** Power, Bluetooth pairing, Volume, Play/Pause, Light modes.
- **Front Grille:** Protects the speaker drivers and houses the illuminated JBL logo and light rings.
- **Rear Panel:** Power input, AUX input, USB port (for charging devices or playing audio), Microphone/Guitar inputs.

- **Integrated Handles:** For easy portability.

## JBL PartyLight Beam

The PartyLight Beam is a Bluetooth-enabled projection light designed to synchronize with your PartyBox speaker, creating dynamic light shows. It features multiple light patterns and colors.

## SETUP

---

### 1. Charging the Speaker

1. Connect the supplied AC power cord to the speaker's power input on the rear panel.
2. Plug the other end of the power cord into a wall outlet.
3. The battery indicator lights will show the charging status. A full charge provides up to 12 hours of playback.

### 2. Powering On/Off

- Press the **Power button** on the top panel to turn the speaker on or off.

### 3. Connecting the PartyLight Beam

- Ensure the PartyLight Beam is charged or connected to power.
- Turn on the PartyLight Beam.
- The PartyLight Beam will automatically attempt to pair with nearby JBL PartyBox speakers. Follow the instructions provided with the PartyLight Beam for specific pairing steps if automatic connection does not occur.

## OPERATING

---

### 1. Bluetooth Pairing

1. Turn on the JBL PartyBox Club 120 speaker.
2. Press the **Bluetooth button** on the top panel. The Bluetooth indicator will flash, indicating pairing mode.
3. On your mobile device, enable Bluetooth and select "JBL PartyBox Club 120" from the list of available devices.
4. Once connected, the Bluetooth indicator will glow solid blue, and you will hear a confirmation sound.

### 2. Audio Control

- **Volume:** Use the **Volume +/- buttons** on the top panel or your connected device to adjust the volume.
- **Play/Pause:** Press the **Play/Pause button** to play or pause audio.
- **Skip Track:** Double-press the Play/Pause button to skip to the next track. Triple-press to go to the previous track.

### 3. PartyLight Beam Operation

The PartyLight Beam is designed to sync with the music played through the PartyBox speaker. It typically operates automatically once connected.

- **Light Modes:** The PartyBox speaker has a dedicated **Light button** to cycle through different light show patterns and turn the lights on/off. The PartyLight Beam will follow these modes.
- Refer to the PartyLight Beam's specific manual for any additional controls or settings it may have.

### 4. Using AUX Input

- Connect one end of the supplied auxiliary cable to the AUX input on the rear of the speaker.

- Connect the other end to the audio output of your external device (e.g., MP3 player, laptop).
- The speaker will automatically switch to AUX mode, or you may need to press the Source button (if available) to select AUX.

## MAINTENANCE

---

### 1. Cleaning

- Always disconnect the speaker from power before cleaning.
- Use the provided microfiber cloth or a soft, dry cloth to wipe down the exterior surfaces.
- Do not use abrasive cleaners, waxes, or solvents.
- For the grille, use a soft brush to gently remove dust.

### 2. Storage

- Store the speaker and PartyLight Beam in a cool, dry place away from direct sunlight and extreme temperatures.
- If storing for an extended period, charge the battery to approximately 50% every few months to maintain battery health.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
No power	Battery drained; Power cord not connected.	Charge the speaker; Ensure power cord is securely connected to speaker and outlet.
No sound	Volume too low; Incorrect source selected; Bluetooth not connected.	Increase volume on speaker and device; Select correct input source; Re-pair Bluetooth device.
Bluetooth connection unstable	Device too far; Interference.	Move device closer to speaker; Avoid obstacles; Turn off other Bluetooth devices.
PartyLight Beam not syncing	Beam not powered on; Not paired correctly.	Ensure PartyLight Beam is on; Refer to PartyLight Beam manual for pairing.
