SETUP GUIDE

1. Attaching Your iPad

1. Gently align your iPad Pro 13-inch (M4) or iPad Air 13-inch (M2 & M3) with the folio case.
2. Press the iPad firmly into the case until it snaps securely into place. Ensure all edges are properly seated for full protection.

2. Initial Bluetooth Pairing

1. Ensure your iPad's Bluetooth is turned on (Settings > Bluetooth).
2. Locate the power switch on the side of the keyboard and slide it to the ON position.
3. Press and hold one of the Easy-Switch keys (1, 2, or 3) on the top row of the keyboard until the LED indicator above the key starts blinking rapidly. This indicates pairing mode.
4. On your iPad, look for "Logitech Flip Folio" in the Bluetooth devices list and tap to connect.

5. Follow any on-screen prompts to complete the pairing process. The LED indicator will turn solid for a few seconds, then turn off to conserve power.

OPERATING INSTRUCTIONS

Stowable Keyboard

The Flip Folio features a unique stowable keyboard design. When not in use, the keyboard magnetically attaches to the back of the folio, allowing you to use your iPad as a standalone tablet without the keyboard interfering.

1. To stow: Simply place the keyboard onto the designated magnetic area on the back of the folio.
2. To retrieve: Gently pull the keyboard from its magnetic attachment on the back of the folio.

Stowable compact keyboard

Use it, move it, or stow it away.

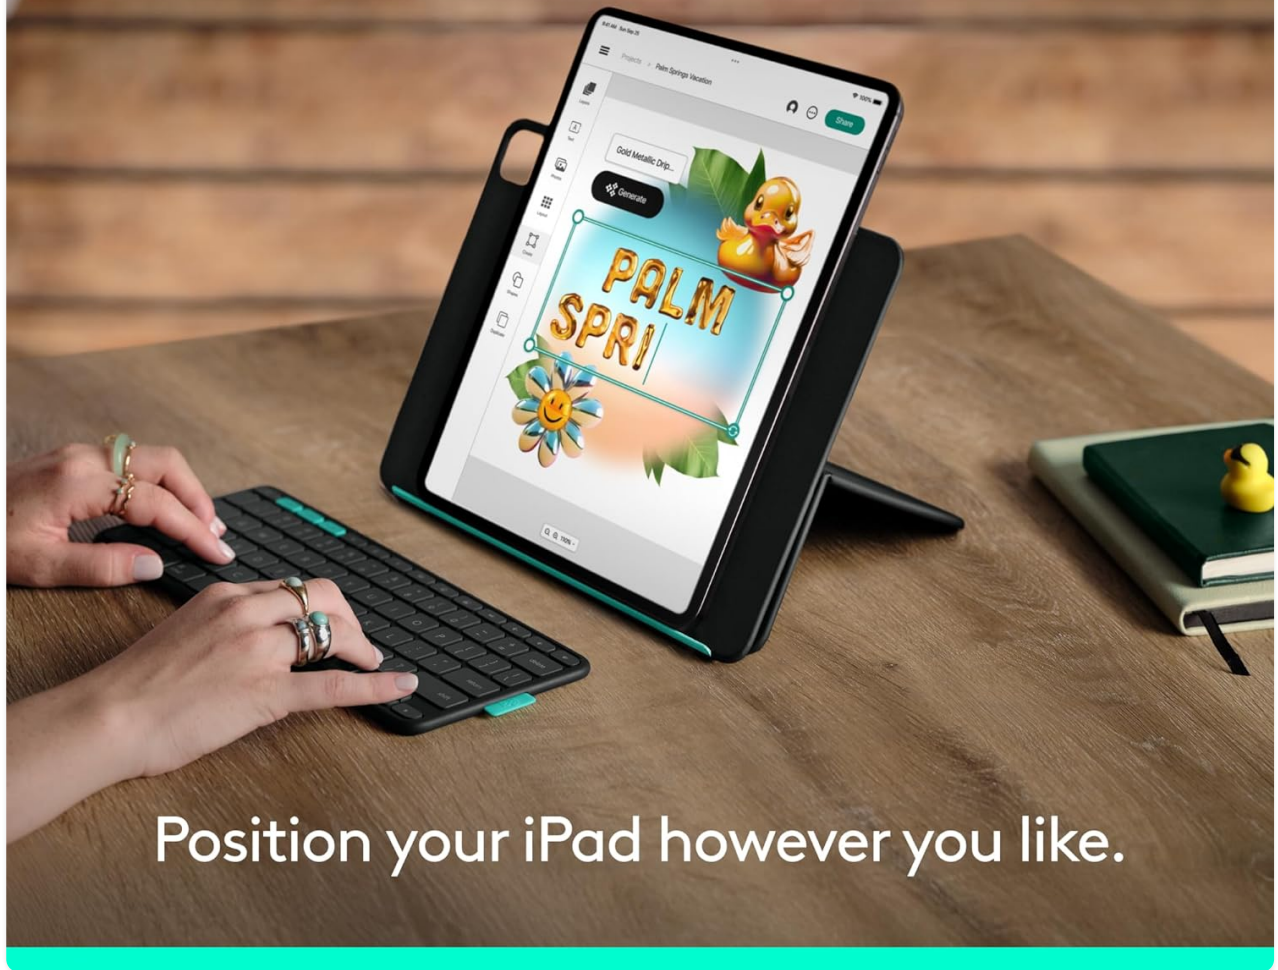

Figure 3: The compact and easily stowable Bluetooth keyboard.

Adjustable Viewing Angles & Modes

The integrated kickstand allows for flexible viewing angles and orientation.

- **Landscape Mode:** Fold the folio to create a stable stand for horizontal viewing, ideal for typing, watching videos, or browsing.
- **Portrait Mode:** Position your iPad vertically for activities like video calls, reading documents, or social media browsing.

Landscape and portrait modes

Position your iPad however you like.

Figure 4: The Flip Folio supports both landscape and portrait viewing modes.

Adjustable viewing angles

Figure 5: Easily adjust the viewing angle for optimal comfort.

Multi-Device Connectivity

The keyboard can be paired with up to three Bluetooth devices simultaneously, allowing for seamless switching between your iPad, iPhone, or other compatible devices.

1. To switch devices: Press the Easy-Switch key (1, 2, or 3) corresponding to the paired device you wish to use.

Pair with multiple devices

Bluetooth® pairing for
iPhone and more.

Figure 6: Connect and switch between multiple devices with ease.

iOS Shortcut Keys

The keyboard features a full row of iOS shortcut keys for quick access to common functions, enhancing your productivity.

MAINTENANCE

Battery Replacement

The keyboard is powered by four replaceable CR2016 coin cell batteries, providing up to 2 years of use.

1. Locate the battery compartment on the keyboard.
2. Open the compartment cover.
3. Remove the old batteries and insert four new CR2016 batteries, ensuring correct polarity.
4. Close the battery compartment cover securely.

Cleaning

To clean your Flip Folio and keyboard:

- Wipe the exterior of the folio and keyboard with a soft, damp, lint-free cloth.
- Avoid using abrasive cleaners, solvents, or aerosol sprays directly on the product.

TROUBLESHOOTING

Keyboard Not Connecting/Responding

- Ensure the keyboard is powered on.
- Check the battery level. Replace batteries if low.
- Verify Bluetooth is enabled on your iPad.
- Try re-pairing the keyboard: Go to iPad Settings > Bluetooth, tap the "i" icon next to "Logitech Flip Folio" and select "Forget This Device". Then, repeat the initial Bluetooth pairing steps.
- Restart your iPad and the keyboard.

Keys Not Functioning Correctly

- Ensure the keyboard is clean and free of debris.
- Check for any software updates for your iPadOS.
