3. Care and Maintenance

Proper care and maintenance will extend the life of your HONEY JOY Kids Patio Swing.

- **Cleaning:** Wipe down the metal frame with a damp cloth and mild soap. The oxford fabric canopy can be spot cleaned with a gentle detergent. Avoid harsh chemicals that may damage the materials.
- **Inspection:** Regularly check all bolts, nuts, and S-hooks to ensure they are tight and secure. Inspect the canopy fabric for any tears or damage.
- **Storage:** During prolonged periods of non-use or inclement weather, it is recommended to store the swing indoors or cover it to protect it from the elements.
- **Foot Pads:** Ensure the non-slip foot pads are clean and intact to maintain stability.

4. Troubleshooting

If you encounter any issues with your swing, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Swing feels wobbly or unstable.	Loose bolts or uneven ground.	Tighten all assembly bolts. Ensure the swing is placed on a flat, level surface.
Canopy does not stay in desired position.	Canopy adjustment knob is loose.	Tighten the canopy adjustment knob firmly to secure the canopy in place.
Squeaking sound during swinging.	Friction at connection points.	Apply a small amount of silicone-based lubricant to the S-hooks and other pivot points.
