4. ASSEMBLY INSTRUCTIONS

4.1 Package Contents

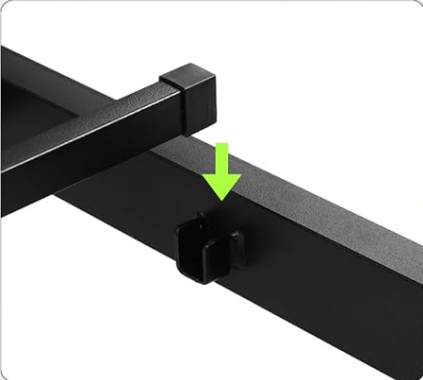

Before beginning assembly, ensure all parts listed below are present and undamaged:

- Iron-Art Headboard & Footboard x 1
- Hardened Steel Bed Frame x 1 (includes slats and crossbars)
- Installation Manual x 1
- Installation Tools & Accessories (screws, wrench, etc.)

4.2 Assembly Steps

The Feonase bed frame is designed for effortless assembly, typically completed by one person in less than 30 minutes, thanks to its buckle one-click assembly system.

1. Unpack all components and lay them out on a clean, flat surface.
2. Identify the headboard and footboard sections.
3. Connect the side rails to the headboard and footboard using the provided hardware and buckle system. Ensure the connections click securely into place.
4. Install the steel slats onto the frame. The slats are designed to fit snugly and provide robust support.
5. Tighten all screws and bolts using the included tools to ensure the frame is stable and secure. Do not overtighten.
6. Verify that the fluorescent strips on the bed legs are correctly positioned to glow in the dark.

Easy to Assemble

With buckle design, about 30 minutes to complete the assembly

Elegant & Safety

Squares and ball finials add to the aesthetics of the bed frame, and the smooth exterior reduces the risk of injury

Noiseless

EVA silent foam, reduce slatfriction noise

5. USAGE AND FEATURES

5.1 Vintage Aesthetic

The bed frame features a classic golden section line design and elegant geometric shapes in matte black, creating a chic and romantic ambiance that complements various room decors. Perfect welding ensures a delicate and charming finish.

Iron-Art Aesthetics

The intricate iron-art design of the headboard adds a vintage touch.

5.2 Unparalleled Sturdiness

Constructed with 8 hardened steel slats and 4 thickened metal crossbars, this heavy-duty bed frame is built for lasting support and stability, ensuring a secure foundation for your mattress even with movement.

Safe & Sound Structure

Rounded and Smooth Edges

Rock-Solid Foundation

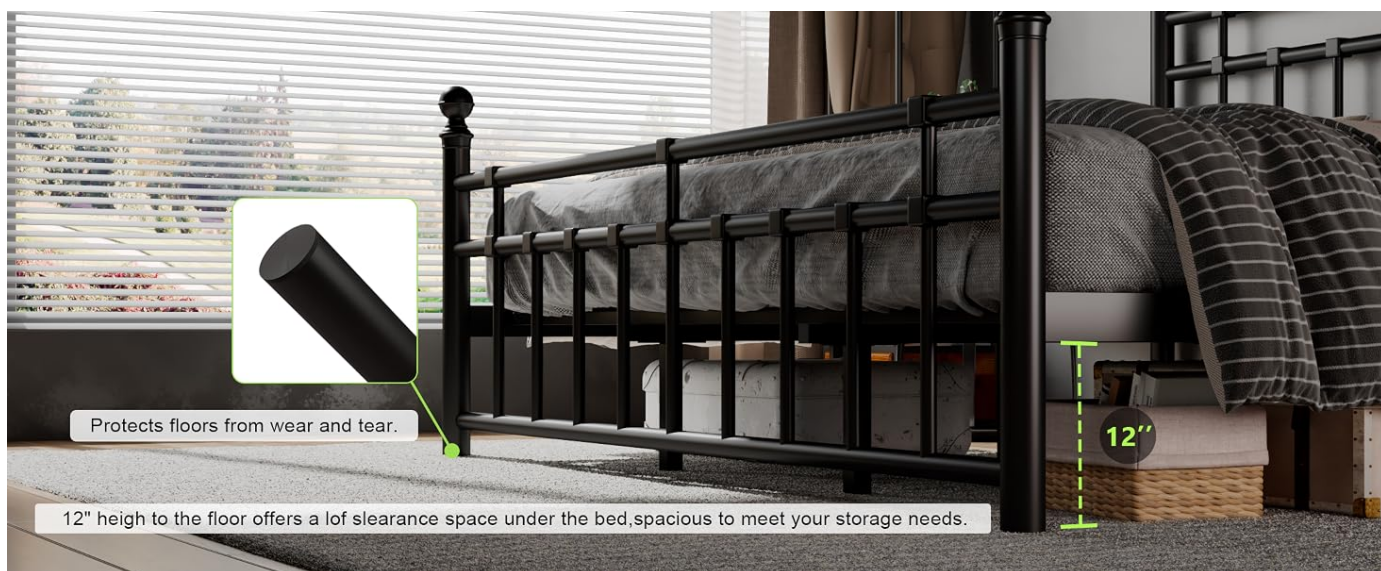

The robust structure with rounded edges ensures a safe and sound foundation.

5.3 Convenient Storage Space

With 12 inches of ample under-bed space, the frame provides maximum convenience for storage. Utilize this area to store shoes, toys, seasonal clothing, and other items, optimizing your bedroom space.

The generous 12-inch clearance provides ample space for under-bed storage solutions.

The 12-inch height from the floor offers significant clearance for storage.

5.4 Thought-Out Design

The embedded headboard and footboard design securely keeps your mattress in place, preventing sliding and ensuring a restful sleep. Additionally, fluorescent strips on the bed legs glow in the dark, protecting your toes from accidental stubbing at night.

Embedded Design

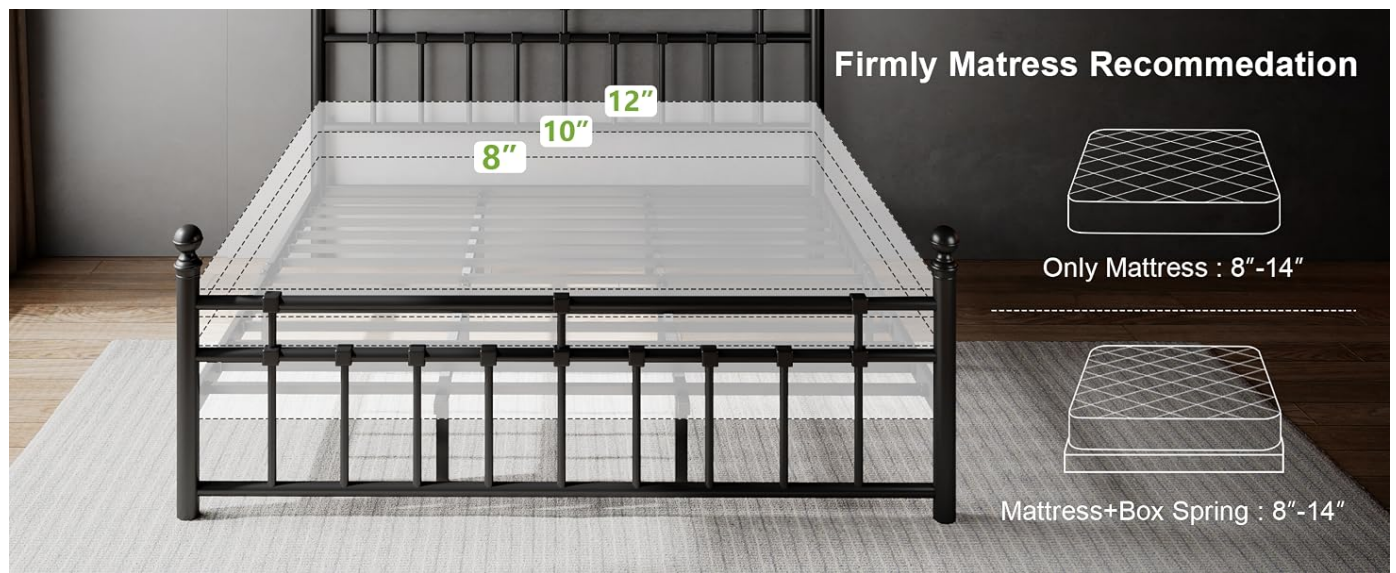

Prevent the mattress from sliding, restful sleep all night long

The embedded design ensures your mattress stays securely in place.

5.5 Mattress Compatibility

This platform bed frame does not require a box spring. It is compatible with King size mattresses. For optimal support and appearance, a mattress thickness of 8"-14" is recommended when used without a box spring. If using a mattress with a box spring, a combined height of 8"-14" is recommended.

Mattress recommendation for optimal fit and comfort.

6. MAINTENANCE

To ensure the longevity and appearance of your Feonase Metal Platform Bed Frame, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Regular Checks:** Periodically inspect all bolts and screws to ensure they remain tight. Retighten if necessary to maintain stability and prevent noise.
- **Floor Protection:** The bed legs are equipped with foot pads to prevent friction and protect your floors from scratches. Ensure these pads remain intact.
- **Fluorescent Strips:** The fluorescent strips on the bed legs require exposure to light to glow in the dark. Ensure they receive adequate light exposure during the day.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your bed frame.

7.1 Noise Issues (Squeaking/Creaking)

The Feonase bed frame is designed to be noise-free, utilizing sound-absorbing foam and a robust structure. If you experience noise:

- **Check Connections:** Ensure all bolts and screws are securely tightened. Loose connections are a common cause of noise.
- **Verify Slats:** Make sure all steel slats are properly seated and not rubbing against the frame.
- **Mattress Interaction:** Sometimes, the mattress itself can cause noise. Try lifting the mattress and testing the frame for noise.

7.2 Mattress Sliding

The embedded headboard and footboard design is intended to prevent mattress sliding. If your mattress is still moving:

- **Check Mattress Fit:** Ensure your mattress is the correct King size for the frame.
- **Verify Embedded Design:** Confirm that the mattress is properly seated within the embedded frame edges.

7.3 Floor Scratches

The bed frame includes foot pads to protect your floors. If you notice scratches:

- **Inspect Foot Pads:** Check if any foot pads are missing or damaged. Replace them if necessary.
- **Clean Under Legs:** Ensure no debris is trapped under the foot pads that could cause scratching.

8. WARRANTY AND CUSTOMER SUPPORT

Feonase is committed to providing high-quality products and services. For any questions, concerns, or assistance with your bed frame, please contact Feonase customer support.

- **Protection Plans:** Extended protection plans are available for purchase to cover your product beyond the standard warranty. Options include 2-Year and 3-Year Protection Plans.
- **Customer Service:** For support, please refer to the contact information provided with your purchase documentation or visit the official Feonase store online.

A High Quality of Life Begins with Feonase.
